The Art of the Natural Home Rebecca Sullivan
2018-05-11 This book is perfect for those interested in sustainability, natural products and mindfulness. It's all about taking the time to create your own homemade products, from facemasks to floor polish and from medicinal honey to massage oil. Taking inspiration from her grandmother's generation, Rebecca Sullivan has put together this thoughtful and appealing manual to caring for yourself and your home. Traditional methods are resurrected.
or updated to suit the modern home, using simple, natural ingredients. The first part of the book is dedicated to the Home, and covers cleaning products for every room, recipes for pickles and preserves, and tips on everything from natural laundry treatments to how to grow your own cocktail garden. The second part covers Health & Beauty, and includes bath salts, make up, serums, perfumes and even beard oil, as well as healing remedies such as burn salves and herbal teas. This inspiring guide is a must for anyone interested in living a simpler, more purposeful life.

Describes the rules and techniques of moto-cross racing and the construction of the motorcycles used in the events.

The Amish Quiltmaker's Unruly In-Law Jennifer Beckstrand 2021-06-29
Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . .

Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could
ever be good enough for someone like her. But Linda’s down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn’t be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham “This is an endearing romance that fans of Wanda Brunstetter will love.” —Publishers Weekly

**Toy Farm Tractors** Bill Vossler 2000

**How to Rebuild and Restore Classic Japanese Motorcycles** Sid Young 2015-08-01 Everything you need to know to restore or customize your classic Japanese motorcycle. Whether you want to correctly restore a classic Japanese motorcycle or create a modified, custom build, you need the right information about how to perform the mechanical and cosmetic tasks required to get an old, frequently neglected, and often long-unridden machine back in working order. How to Rebuild and Restore Classic Japanese Motorcycles is your thorough, hands-on manual, covering all the mechanical subsystems that make up a motorcycle. From finding a bike to planning your project to dealing with each mechanical system, How to Rebuild and Restore Classic Japanese Motorcycles includes...
everything you need to know to get your classic back on the road. Japanese motorcycles have been the best-selling bikes in the world since the mid-1960s, driven by the "big four": Honda, Yamaha, Suzuki, and Kawasaki. Of course certain bikes have always had a following - Honda CB750, 305 Hawk, CB400-4, Benly; Suzuki GT750, Katana, GS1000S; Yamaha XS650, RD400 Daytona, TZ; Kawasaki H1, H2, Z1R - and these have now become the blue-chip Japanese bikes leading collectors to seek out more common (and now more affordable) alternatives. This is the perfect book for anyone interested in classic Japanese motorcycles, as well as prepping a bike to build a cafe racer, street tracker, or other custom build. 

*Phillis Wheatley in the Black American Beginnings* William Henry Robinson 1975

*High Performance Two-Stroke Engines* Massimo Clarke 2020-07-14 High Performance Two-Stroke Engines analyses the technology of spark ignition two-stroke engines. The presentation is simple and comprehensive. The description of the operating cycle, the fluid dynamics, the lubrication and the cooling systems is followed by painstaking analysis of the mechanical organs, with the materials and the manufacturing processes employed to produce them. The book is completed by an overview of the history and evolution of these engines and by an examination of the principal types and the diverse fields in which they are employed. A section of the work is...
dedicated to an in-depth analysis of the ignition and combustion phases and the formation of the air-fuel mixture, with particular attention paid to the most recent injection systems.

**Parentology**

Dalton Conley 2014-03-18

An award-winning scientist offers his unorthodox approach to child rearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of Battle Hymn of the Tiger Mother). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed child rearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and
happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

CEO Excellence Carolyn Dewar 2022-03-15 "Based on extensive interviews with today's . . . corporate leaders, this look at how the best CEOs do their jobs focuses on the mindsets and actions that foster an environment of excellence"--

Trees Up Close Nancy Ross Hugo 2014-07-23 Trees Up Close offers an intimate, revealing look at the beauty of leaves, flowers, cones, fruits, seeds, buds, bark, and twigs of the most common trees. With more than 200 dazzling photos, you will be amazed by the otherworldly beauty of the acorns from a sawtooth oak, enchanted by the immature fruits of a red maple, and dazzled by the delicate emerging flowers of the American elm.

The Naked Farmer Ben Brooksby 2020-10-27 Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things...
around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response. Proudly supporting the Royal Flying Doctors Mental Health Service

100 Great Lives John Canning 1975
Chinese Taiwanese & Korean Scooters 50cc thru 200cc, '04-'09 Max Haynes 2009-04-15 A service and repair manual with generic model coverage, suitable for 50 to 250cc scooters with carburettor engines. The Little Book of Trikes Adam Quellin 2011-09-30 Motor trikes have been around since the dawn of motoring, with many starting out as utility vehicles or prototypes of cars. But trikes haven’t died out or become mere relics of motoring history – companies all over the world still produce them today, and many will convert a motorcycle into a trike. Trikes are not only huge fun, but can also be a lifestyle.
choice. They are as diverse as the people who ride them, and this book illustrates the vast range of machines available. The reader will discover a plethora of trike designs and layouts from the late 19th century to the present day. Some influential designs include Piaggio's three wheeled vehicles, the Morgan three wheeler, and the Harley-Davidson Servicar. The book also features the products of companies that convert motorcycles into trikes, and shows some mass-produced examples that you can buy today. Then there are the weird and wonderful machines built by individual enthusiasts—a testament to their engineering skills and true eccentricity ...

These journals also make awesome gifts, so put a smile on someone's face today!

**Minibike Racing** Edward Radlauer 1980-09

**Achtung-Panzer!** Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background.
notes by the modern English historian Paul Harris.

Rode to Death Susan Union 2014-02-01 Equine journalist Randi Sterling bonds easily with the horses she writes about—it’s men she has a hard time trusting. When she receives a proposition from Jaydee Hill, her charismatic college flame, to move to his ranch in San Diego’s wealthy Rancho del Zorro, she is torn. Jaydee is offering her the life she’s always dreamed of, but he burned her once before. Is he a changed man or is she heading down a trail of trouble? Desire and curiosity win her mental coin toss, but she arrives to discover surprise! Jaydee is already married. She stumbles upon Jaydee’s dead bride in a champion stallion’s stall and her fingerprints are found on the murder weapon. Can Randi solve this murder in horseman’s paradise or will she become the killer’s next victim?

Dulk K.G. Radford 2017-11-27 We all have dreams when we are sleeping. Some we cannot remember; others we can. Some are humorous; some are sad. Some dreams can be frightening. I wonder though, how many of us have dreams that come true? This is a very difficult question to answer. Dulk travels down the road of dreams and finds out if his dreams come true, how they might affect his life and his beliefs, and how they might help him contribute to helping solve problems and difficulties of his friends as well as humankind and the world. Join Dulk on his adventures through dreamland. He will make you laugh and...
hopefully, resetting on dreams that might have come true or have interesting outcomes. So keep dreaming!
