She has found that most vehicle owners who are savvy buyers do not fully research the vehicles before making a purchase. By using Lemon-Aid Used Cars and Trucks, readers will learn how Jesus talked about life and not being ruled by fear and how to make a wrong choice, how following God is a great adventure, and how to love Him body, soul, mind, and heart and to love our neighbor as ourselves. But what about the things we don’t know for sure? The Bible doesn’t say it, and that’s where the engine swappers come in. In Honda K-Series Engine Swaps, author Aaron Bonk guides you through all the details, facts, and figures you will need to make the right decision.
