studied in each half of the book. These tests are like the actual AP® Psychology exam, only shorter, and will help you evaluate your overall understanding of the subject. Full-Length Practice Test: After you've finished reviewing the book, take our full-length practice exam to practice under test-day conditions. Available both in this book and online, this test gives you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exam for the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP® Psychology topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you can access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP® Psychology exam! Barron's AP Psychology with CD-ROM Robert McEntarffer 2010-02-01 This updated manual presents one diagnostic test and two full-length practice tests that reflect the actual AP Psychology Exam in length, subject matter, and difficulty. All test questions are answered and explained. It also provides extensive subject review covering all test topics. Topics reviewed include research methods, the biological basis of behavior, sensation and perception, states of consciousness, learning, cognition, personality, abnormal psychology, and treatment of disorders. This manual also presents an overview of the test, extra multiple-choice practice questions, test-taking tips, and an analysis of the test's essay question with a sample essay. Enclosed with the manual is a CD-ROM that presents two more practice tests with answers, explanations, and automatic scoring, as well as extensive subject review.

K and W Guide to Colleges for Students with Learning Disabilities Or Attention Deficit Disorder Marybeth Kravets 2003-09 Provides information for learning disabled students and their families to understand the services they need, identify goals, and select an appropriate college to match individual needs.
