Publisher: Bentley Publishers 2012 The full-color, 320-page Bentley 996 Service Manual is an indispensable guide for anyone interested in learning how to perform even the most minute tasks with your vehicle. Whether you're a professional or a do-it-yourself Porche owner, this manual will help you understand, care for and repair your car, and most importantly, keep your car running at its peak performance. The Bentley 996 Service Manual is prepared by experienced Bentley automotive experts. The last comprehensive guide covering this model line was written in 1995. In the intervening years, engineering, manufacturing, and testing has continued, leading to improvements designed to make the car safer, more comfortable, and more dependable. The Bentley 996 Service Manual is written to help you understand how your car works. It provides clear, concise explanations of the mechanical systems and explains the typical maintenance and service procedures. The whole Bentley 996 Service Manual is covered in detail, and the author concludes with a discussion on the future trends in automobile design. With the Bentley 996 Service Manual, the 996 service technician can learn how to perform any repair task necessary to keep the car running.
