This book can help your child by providing a whole year of ready to go activities and support on key Mathematics topics which will be being taught in school from 2014. Did you know that children in Year 5 now need to: know and use prime numbers, prime factors and composite numbers; know all tables facts up to 12 x 12; understand and use equivalences between metric and imperial units such as inches, pounds and pints? * Workbooks for home learning * Linked directly to what your children will be learning in school * A linked website provides additional activities, answers and support for parents * Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.
