Caterpillar 3406E Engine Spotlight | Highway & Heavy Parts

WebJul 28, 2017 · The 3406E was one of the best engines that Caterpillar produced. They have the reliability that older, mechanical engines have, but also have the benefits of being an electrical motor. It also helps that they are a pre-emissions engine, which is preferred by many that drive and work on these heavy duty diesel engines, but is outlawed in the state ...
