Best .350 Legend Rifles of 2022 | Outdoor Life

WebNov 10, 2022 · The .350 Legend is a true short-action cartridge that can fit in a standard AR magazine. That makes it perfect for the AR platform and compact bolt actions. To save cost and offer a more affordable end-product, some .350 Legend rifles have actions long enough to accommodate .308 or even .30/06-length cartridges.

About - 350

Web350.org was founded in 2008 by a group of university friends in the United States along with author Bill McKibben, who wrote one of the first books on global warming for the general public. The goal was to build a global climate movement. 350 was named after 350 parts per million — the safe concentration of carbon dioxide in the atmosphere.

350

Web350.org is building a global grassroots movement to solve the climate crisis. Our online campaigns,

grassroots organizing, and mass public actions are led from the bottom up by thousands of volunteer organizers in over 188 countries. Sign up for important movement dispatches in the box on the right!
