Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana’s future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. To My Arrogant Boss
J. S. Cooper 2021-01-01
To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God’s gift to women, but I have a secret to let you in on: you’re not. You’re God’s gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you’re not all that. Just because you have an Ivy league education doesn’t mean you’re the smartest man in the world. In fact, I’m not even sure if you would have gotten in if you didn’t have rich parents. Yes, I went there. Every woman doesn’t want to sleep with you and I’m sure you’re not even good in bed. And I’m someone that would know. From, Your Secret Not Admirer

To love a Dark One is to invite death... It is wrong to love her. It is worse to want her. It is sin to consume her. I desire all three.
I've been given thirty days to prove my love to another immortal—as a human. Cursed to use nothing but the side of myself I've always despised to win her affection. I am Cassius, the King of the immortals, A Dark One. And today I tasted fear for the first time. How can I win her when my human emotions overtake every ounce of logic I possess? A darkness is brewing. One I cannot stop as a human. One that Stephanie, my love's visions, have shown will be my end. Thirty days ago I was King of the immortals. Today I know fear. Today I know how I will die. By her hand. The woman I love.

The Widow Waltz  Sally Koslow 2013-06-13 “This heartfelt, witty addition to women’s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen.” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow’s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and
healing, all while asking, “What is family, really?”

The Highlander’s Surrender Eliza Knight
2019-09-10 Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whichever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

of what to do when you open the door. Explore the experience of six different relationships in this moving collection that dives into the highs and lows of love.

**Death Waits in the Dark** Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys’ killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Cooper 2021-01-01 To The Rude Guy in Apartment Five, I’m glad you’re happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

The Great Christmas Knit-Off Alexandra Brown 2015-10-13 In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular Cupcakes at Carrington’s series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale, where the residents share her obsession with knitting. When life unravels, it's time to knit... Sybil has always taken comfort in her passion for knitting, creating
beautiful knits stitch by stitch. But her world suddenly unravels when her fiancé ditches her for her identical twin sister at her Star Wars-themed wedding, leaving her sporting a Princess Leia do. Then things go from bad to worse when an incident at work jeopardizes her job. Hoping to escape her woes and forget that she’ll be alone for Christmas this year, she visits her friend in Tindledale—a winter wonderland of quaint shops and snowy rooftops. When she arrives in the idyllic town, she can’t help feeling like she’s in a Hallmark greeting card. She’s embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them. So when the vintage boutique asks her to make an assortment of knits for their display window, she’s thrilled. The hot town doctor has even taken an interest in Sybil, hoping to heal her broken heart. But just when Sybil thinks she’s going to have her fairytale Christmas after all, an unexpected turn of events threatens to unspool her happily ever after.
