Criminology Goes to the Movies Nicole Rafter 2011-09-01 From a look at classics like Psycho and Double Indecency to recent films like Traffic and Thelma & Louise, Nicole Rafter and Michelle Brown show that criminological theory is produced not only in the academy, through scholarly research, but also in popular culture, through film. Criminology Goes to the Movies connects with ways in which students are already thinking criminologically through engagements with popular culture, encouraging them to use the everyday world as a vehicle for theorizing and understanding both crime and perceptions of criminality. The first work to bring a systematic and sophisticated criminological perspective to bear on crime films, Rafter and Brown's book provides a fresh way of looking at cinema, using the concepts and analytical tools of criminology to uncover previously unnoticed meanings in film, ultimately making the study of criminological theory more engaging and effective for students while simultaneously demonstrating how theories of crime circulate in our mass-mediated worlds. The result is an illuminating new way of seeing movies and a delightful way of learning about criminology. Instructor's Guide

The End of the World News Anthony Burgess 1984 A futuristic account of the world's end is composed of three narrative strands presented as if viewed simultaneously, featuring historical and fictional figures, and shifting from New York, to Vienna, to outer space

Nothing Like the Sun Anthony Burgess 1996 Before Shakespeare in Love, there was Anthony Burgess's Nothing Like the Sun: a magnificent, bawdy telling of Shakespeare's love life.

“A Clockwork Orange” presents an evocative look at the representation and impact of violence in the novel and in the film Thomas von der Heide 2006-06-01 Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 2.0, University of Cologne (Institut für Anglistik), course: Novels and their film adaptations, 9 entries in the bibliography, language: English, abstract: After the release of Stanley Kubrick's film version of "A Clockwork Orange" in 1971, Anthony Burgess's original novel of 1962 and the film were obstinately criticised to be senselessly brutal and it was (and is) said (until today) that both Burgess and Kubrick glorified violence with their works. Although in "A Clockwork Orange", a lot of different themes are dealt with—for example politics, music, art or themes of philosophical nature - the violence in the book and on screen are the most concerned about things when critics write about "A Clockwork Orange". But not only critics, also 'normal' readers (or viewers) regard the violence to be the most remarkable thing about the whole book (or movie). One simply has to look at the website of the internet-bookstore 'Amazon' (www.amazon.de) to see that the main part of the readers' reviews for the book by Anthony Burgess comment on the violence and the brutal crimes committed by the story's protagonists: Alex DeLarge and his 'droogs'. It is interesting that most of the readers that commented on the book also gave a statement about Kubrick's film adaptation. It looks like the whole discussion about violence in "A Clockwork Orange" really first came up when Stanley Kubrick's movie version hit the theatres. But why this violence? Does it stand for itself? Are rape and murder obeyed fetishes of Burgess and Kubrick? Or is there something more in the story, that makes it indispensable to present violence in the extreme way Burgess and Kubrick did? This text will explain the function and the intention of presenting violence in "A Clockwork Orange". It will show the differences between the way of presenting violence in the original novel and the film version and why author and director decided to portray the protagonists' brutality in unlike ways, including the impact they have on the reader and the viewer. This text will conclude that in the novel and in the film version, violence in "A Clockwork Orange" serves to discuss other and more important themes included in the story.

Under the Harrow Flynn Berry 2016-06-14 “A thriller for fans of The Girl on the Train and Gone Girl…[with] a striking, original voice all Berry’s own.”—The New York Times Book Review The riveting, Edgar Award-winning first novel from the New York Times bestselling author of Northern Spy and A Double Life When Nora takes the train from London to visit her sister in the countryside, she expects to find her waiting at the station, or at home cooking dinner. But when she walks into Rachel’s familiar house, what she finds is entirely different: her sister has been the victim of a brutal murder. Stunned and adrift, Nora finds she can’t return to her former life. An unsolved assault in the past has shaken her faith in the police, and she can’t trust them to find her sister’s killer. Haunted by the murder and the secrets that surround it, Nora is under the harrow: distressed and in danger. As Nora’s fear turns to obsession, she becomes as unrecognizable as the sister she’s investigating uncovers. A riveting psychological thriller and a haunting exploration of the fierce love between two sisters, the distortions of grief, and the terrifying power of the past, Under the Harrow marks the debut of an extraordinary new writer. Named one of the “10 Best Mystery Books and Thrillers of the Year” by The Washington Post Named one of the best books of the year by The Atlantic

The Wanting Seed Anthony Burgess 1996-12-17 Set in the near future, The Wanting Seed is a Malthusian comedy about the strange world overpopulation will produce. Tristram Foxe and his wife, Beatrice-Joanna, live in their skyscraper world where official family limitation glorifies homosexuality. Eventually, their world is transformed into a chaos of cannibalistic dining-clubs, fantastic fertility rituals, and wars without anger. It is a novel both extravagantly funny and grimly serious.

You Feel It Just Below the Ribs Jeffrey Cranor 2021-11-16 A haunting, provocative novel, You Feel It Just Below the Ribs is a fictional autobiography in an alternate twentieth century that chronicles one woman’s unusual life, including the price she pays to survive and the cost her choices hold for the society she is trying to save. Born at the end of the old world, Miriam grows up during The Great Reckoning, a sprawling, decades-long war that nearly decimates humanity and strips her of friends and family. Devastated by grief and loneliness, she emotionally exiles herself, avoiding relationships or allegiances, and throws herself into her work—disengagement that serves her when the war finally ends, and The New Society arises. To ensure a lasting peace, The New Society forbids anything that may cause tribal loyalties, including traditional families. Suddenly, everyone must live as Miriam has chosen to—disconnected and unattached. A researcher at heart, Miriam becomes involved in implementing this detachment process. She does not know it at the beginning of a darkly sinister program that will transform this new world and the lives of everyone in it. Eventually, the harmful effects of her research become too much for Miriam, and she devises a secret plan to destroy the system from within, endangering her own life. But is her "confession" honest—or is it a fabrication riddled with lies meant to conceal the truth? A jarring and uncanny tale of loss, trauma, and the
Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess’s own illustrations.

The Kingdom of the Wicked Anthony Burgess 2003-01 A Roman saga, taking in the excesses of Tiberius, Caligula and Nero and an irreverent account of the early days of Christianity. Sadoc, a dying shipping clerk, sets down for future generations a tale of epic proportions: he is charged with recounting no less an event than the birth of Christianity.

The Loners Lex Thomas 2012-08-01 It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are instructed with a new rule that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you’re as good as dead. And David has no gang. It’s just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don’t fight to be popular, they fight to stay alive.

Fight Club: A Novel Chuck Palahniuk 2005-10-17 The first rule about fight club is you don’t talk about fight club. Chuck Palahniuk showed himself to be his generation’s most visionary satirist in this, his first book. Fight Club’s extrabright narrator leaves his lackluster job when he becomes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight “as long as they have to.” This is a gloriously original work that exposes the darkness at the core of our modern world.

The Missing Season Gillian French 2019-05-21 From the author of Edgar Award finalist Grit and The Lies They Tell comes a tense, atmospheric novel for fans of E. Lockhart and Marieke Nijkamp, about friendship, truth, and the creeping fears that can’t be outrun. Whenever another kid goes missing in October, the kids in the old factory town of Pender know what is really behind it: a monster out in the marshes that they call the Mumbler. That’s what Clara’s new crew tells her when she moves to town. Bree and Sage, who take her under their wing. Spirited Trace, who has taken the lead on this year’s Halloween prank war. And magnetic Kincaid, whose devil-may-care attitude and air of mystery are impossible for Clara to resist. Clara doesn’t actually believe in the Mumbler—not like Kinkaid does. But as Halloween gets closer and tensions build in the town, it’s hard to shake the feeling that there really is something dark and dangerous in Pender. Lurking in the shadows. Waiting to bring the stories to life.

The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show has Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today’s most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show’s behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell — plus some of The Daily Show’s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and more. This story takes the reader behind the curtain for all of the show’s highlights, from its origins as Comedy Central’s underdog late-night program to Trevor Noah’s succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O’Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show’s seminal moments come together to share their memories of the last 15 minutes of the last 15 minutes. Ominous shadows, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America’s most ground-breaking shows.

Nineteen Eighty-Five Anthony Burgess 2013 In characteristically daring style, Anthony Burgess combines two responses to Orwell’s 1984 in one book. The first is a sharp analysis: through dialogues, parodies and essays, Burgess sheds new light on what he called ‘an apocalyptic codex of our worst fears’, creating a critique that is literature in its own right. Part two is Burgess’ own dystopic vision, written in 1978. He skewers both the present and the future, describing a state where industrial disputes and social unrest compete with overwhelming surveillance, secular concerns and the dominance of technology to make life a thing to be suffered rather than lived. Together these two works form a unique guide to one of the twentieth century’s most talented, imaginative and prescient writers. Several decades later, Burgess’ most singular work still stands.

From Elvish to Klingon Michael Adams 2011-10-27 This fascinating book takes invented languages and explores the origins, purpose, and usage of these curious artefacts of culture. Written by experts in the field, chapters discuss a wide range of languages - from Esperanto to Klingon - and uncover the motives behind their creation and the outcomes of their existence.

The Moon Is a Harsh Mistress Robert A. Heinlein 1997-06-15 A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth’s colonial rule.

Princess Soledad fights to protect the sea city and encounters an awe-inspiring serpent god. Together, Jolly and Munk make their way underwater to reach the center of the Maelstrom. There they meet the beautiful Aina, who is a polliwog like themselves but from an ancient time. Is she a girl or a ghost? A friend or an enemy? While the battle for the sea star city is raging, Jolly learns the shocking truth about Aina. As Jolly begins to understand the past, she realizes what she must do to save the whole Caribbean. But is she already too late? This rip-roaring fantasy filled with nonstop action is a perfect ending to magical mastermind Kai Meyer’s swashbuckling Wave Walkers trilogy.

The End Of Alice A.M. Homes 2012-10-23 From the 2013 Orange Prize–winning author of May We Be Forgiven. Only a work of such searing, meticulously controlled brilliance could provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in The End of Alice a novel that is part romance, part horror story, at once unnerving and seductive.

The Manchurian Candidate Richard Condon 2013-11-25 The classic thriller about a hostile foreign power infiltrating American politics: “Brilliant… wild and exhilarating.” —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors into being transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors’ signal. Now he’s been returned to the United States with a covert mission: to kill a candidate running for US president. . . This “shocking, tense” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). “Crammed with suspense.” —Chicago Tribune “Condon is wickedly skillful.” —Time

Reprint. 20,000 first printing.

Earthly Powers Anthony Burgess 2012 An exploration of the very essence of power centers on two men who represent different types of earthly power—one an eminent novelist and well-known homosexual, the other a man of God who rises through the Vatican hierarchy.

How to Read Literature Like a Professor Revised Thomas C. Foster 2014-02-25 A thoroughly revised and updated edition of Thomas C. Foster’s classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your own insightful explorations of your favorite works and enjoy them more. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean
when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

**I Am Not Your Perfect Mexican Daughter** Erika L. Sánchez 2019-03-05 When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been as perfect as believed.

**You've Had Your Time** Anthony Burgess 2014-04-03 After returning from a trip to Brunei, Anthony Burgess, initially believing he has only a year to live, begins to write - novels, film scripts, television series, articles. It is the life of a man desperate to earn a living through the written word. He finds at first that writing brings little success, and later that success, and the obligations it brings, interfere with his writing - especially of fiction. There were vast Hollywood projects destined never to be made, novels the critics snarled at, journalism that scandalised the morally scrupulous. There is the éclat of *A Clockwork Orange* (and the consequent calls for Burgess to comment on violent atrocities), the huge success - after a long barren period - of *Earthly Powers*. There is a terrifying first marriage, his description of which is both painful and funny. His second marriage - and the discovery that he has a four-year-old son - changes his life dramatically, and he and Liana escape to the Mediterranean, for an increasingly European life. With this marriage comes the triumphant rebirth of sex, creative energy and travel - to America, to Australia and all over Europe.

**Taken** Edward Bloor 2009 In 2035 kidnapping rich children has become an industry, but when thirteen-year-old Charity Meyers is taken and held for ransom, she soon discovers that this particular kidnapping is not what it seems.
