Following the shocking events of Never Say Die, Alex Rider's world has changed: his biggest enemy, the evil organization Scorpia, has been destroyed. Alex is hoping his life can finally go back to normal, that he can go to school and spend time with his friends—but very quickly everything changes. A new and dangerous criminal organization—Nightshade—is rising. When Alex discovers they've planned a mysterious attack on London, he will stop at nothing to take them down. But protecting his home city means putting his life at stake, again. And this time, there's no one to save him if he makes a mistake. The #1 New York Times and internationally bestselling Alex Rider series is back with a vengeance in this edge-of-your-seat adventure. Perfect for fans of James Bond and Jason Bourne!

You Feel It Just Below the Ribs Jeffrey Cranor 2021-11-16 A haunting, provocative novel, You Feel It Just Below the Ribs is a fictional autobiography in an alternate twentieth century that chronicles one woman’s unusual life, including the price she pays to survive and the cost her choices hold for the society she is trying to save. Born at the end of the old world, Miriam grows up during The Great Reckoning, a sprawling, decades-long war that nearly decimates humanity and strips her of friends and family. Devastated by grief and loneliness, she emotionally exiles herself, avoiding relationships or allegiances, and throws herself into her work—disengagement that serves her when the war finally ends, and The New Society arises. To ensure a lasting peace, The New Society forbids anything that may cause tribal loyalties, including traditional families. Suddenly, everyone must live as Miriam has chosen to—disconnected and unattached. A researcher at heart, Miriam becomes involved in implementing this detachment process. She does not know it is the beginning of a darkly sinister program that will transform this new world and the lives of everyone in it. Eventually, the harmful effects of her research become too much for Miriam, and she devises a secret plan to destroy the system from within, endangering her own life. But is her "confession" honest—or is it a fabrication riddled with lies meant to conceal the truth? A jarring and uncanny tale of loss, trauma, and the power of human connection and deception, You Feel It Just Below the Ribs is a portrait of a disturbing alternate world eerily within reach, and an examination of the difficult choices we must make to survive in it.

The Loners Lex Thomas 2012-08-01 It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

The Missing Season Gillian French 2019-05-21 From the author of Edgar Award finalist Grit and The Lies They Tell comes a tense, atmospheric novel for fans of E. Lockhart and Marieke Nijkamp, about friendship, truth,
agents who know that he is trying to sell stylish synthetic dresses to the masses starved for fashion, his precarious inner balance is thrown off for good. More drink follows, discoveries of his wife's illicit affair with another woman, and his own submerged sexual feelings come breaking through the surface, bubbling up in Russian champagne and caviar.

Rebellions are built on hope. Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the outside, and an unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp's Director and his guards. Heart-racing and emotional, _Interment_ challenges readers to fight complicit silence that exists in our society today.

_Napoleon Symphony: A Novel in Four Movements_ Anthony Burgess 2014-10-13 Anthony Burgess draws on his love of music and history in this novel he called "elephantine fun" to write. A grand and affectionate tragicomic symphony to Napoleon Bonaparte that teases and reweaves Napoleon's life into a pattern borrowed—in liberty, equality, and fraternity—from Beethoven's Third "Eroica" Symphony, in this rich, exciting, bawdy, and funny novel Anthony Burgess has pulled out all the stops for a virtuoso performance that is literary, historical, and musical.

_The Manchurian Candidate_ Richard Condon 2013-11-25 The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating."—The New Yorker

A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. In a distinct, lyrical urban slang all his own, author Gabriel Krauze brings to vivid life the underworld of his city and the destructive impact of toxic masculinity. Who They Was is a disturbing yet tender and perspective-altering account of the thrill of violence and the trauma it leaves behind. It is the story of inner cities everywhere, and of the lost boys who must find themselves in their tower blocks.

_The Lathe Of Heaven_ Ursula K. Le Guin 2008-04-15 George Orr discovers that his dreams possess the remarkable ability to change the world, and when he falls into the hands of a power-mad psychiatrist, he counters by dreaming up a perfect world that can overcome his nightmares, in a new edition of the classic science fiction novel. Reprint. 20,000 first printing.

_Honey for the Bears_ Anthony Burgess 2013-08-05 "There are so few genuinely entertaining novels around that we ought to cheer whenever one turns up. Continuous, fizzing energy...Honey for the Bears is a triumph."

—Kingsley Amis, _New York Times_ A sharply written satire, _Honey for the Bears_ sends an unassuming antiques dealer, Paul Hussey, to Russia to do one final deal on the black market as a favor for a dead friend's wife. Even on the ship's voyage across, the Russian sensibility begins to pervade: lots of secrets and lots of vodka. When his American wife is stricken by a painful rash and he is interrogated at his hotel by Soviet agents who know that he is trying to sell stylish synthetic dresses to the
entry from Isaac's perspective. After reading the book Personal opinion about the ending Critique of the book My own cover.

The Wanting Seed
Anthony Burgess
1996-12-17
Set in the near future, The Wanting Seed is a Malthusian comedy about the strange world overpopulation will produce. Tristram Foxe and his wife, Beatrice-Joanna, live in their skyscraper world where official family limitation glorifies homosexuality. Eventually, their world is transformed into a chaos of cannibalistic dining-clubs, fantastic fertility rituals, and wars without anger.

It is a novel both extravagantly funny and grimly serious.

The Clockwork Dynasty
Daniel H. Wilson
2017-08-01
An ingenious new thriller that weaves a path through history, following a race of human-like machines that have been hiding among us for untold centuries, written by the New York Times bestselling author of Robopocalypse. Present day: When a young anthropologist specializing in ancient technology uncovers a terrible secret concealed in the workings of a three-hundred-year-old mechanical doll, she is thrown into a hidden world that lurks just under the surface of our own. With her career and her life at stake, June Stefanov will ally with a remarkable traveler who exposes her to a reality she never imagined, as they embark on an around-the-world adventure and discover breathtaking secrets of the past... Russia, 1725: In the depths of the Kremlin, the tsar’s loyal mechanic brings to life two astonishingly human-like mechanical beings. Peter and Elena are a brother and sister fallen out of time, possessed with uncanny power, and destined to serve great empires. Struggling to blend into pre-Victorian society, they are pulled into a legendary war that has raged for centuries. The Clockwork Dynasty seamlessly interweaves past and present, exploring a race of beings designed to live by ironclad principles, yet constantly searching for meaning. As June plunges deeper into their world, her choices will ultimately determine their survival or extermination. Richly-imagined, as they embark on an around-the-world adventure and discover breathtaking secrets of the past...

The Moon Is a Harsh Mistress
Robert A. Heinlein
1997-06-15
A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule.

How to Read Literature Like a Professor Revised
Thomas C. Foster
2014-02-25
A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Old Mother West Wind
Thorton Waldo Burgess
1913
A Clockwork Orange
Anthony Burgess
2011-08-29
Great Music, it said, and Great Poetry would like quieten Modern Youth down and make Modern Youth more Civilized. Civilized my syphilised yarbles. A vicious fifteen-year-old droog is the central character of this 1963 classic. In Anthony Burgess's nightmare vision of the future, where the criminals take over after dark, the story is told by the central character, Alex, who talks in a brutal invented slang that brilliantly renders his and his friends' social pathology. A Clockwork Orange is a frightening fable about good and evil, and the meaning of human freedom. When the state undertakes to reform Alex to "redeem" him, the novel asks, "At what cost?" This edition includes the controversial last chapter not published in the first edition and Burgess's introduction "A Clockwork Orange Resucked."

Tropic of Orange
Karen Tei Yamashita
2017-09-12
David Foster Wallace meets Gabriel Garcia Marquez" in this novel set in a dystopian Los Angeles from a National Book Award finalist (Publishers Weekly). Irreverently juggling magical realism, film noir, hip hop, and chicanismo, Tropic of Orange takes place in a Los Angeles where the homeless, gangsters, infant organ entrepreneurs, and Hollywood collide on a stretch of the Harbor Freeway. Hemmed in by wildfires, it's a symphony conducted from an overpass, grandiose, comic, and as diverse as the city itself—from an author who has received the California Book Award and the Association for Asian American Studies Book Award, among other literary honors. "Fiercely satirical . . . Yamashita presents [an] intricate plot with mordant wit."—The New York Times Book Review "A stunner . . . An exquisite mystery novel. But this is a novel of dystopia and apocalypse; the mystery concerns the tragic flaws of human nature."—Library Journal (starred review) "Brilliant . . . An ingenious interpretation of social woes."—Booklist (starred review)

You've Had Your Time
Anthony Burgess
2014-04-03
After returning from a trip to Brunei, Anthony Burgess, initially believing he has only a year to live, begins to write - novels, film scripts, television series, articles. It is the life of a man desperate to earn a living through the written word. He finds at first that writing brings little success, and later that success, and the obligations it brings, interfere with his writing - especially of fiction. There were vast Hollywood projects destined never to be made, novels the critics
snarled at, journalism that scandalised the morally scrupulous. There is the éclat of A Clockwork Orange (and the consequent calls for Burgess to comment on violent atrocities), the huge success - after a long barren period - of Earthly Powers. There is a terrifying first marriage, his description of which is both painful and funny. His second marriage - and the discovery that he has a four-year-old son - changes his life dramatically, and he and Liana escape to the Mediterranean, for an increasingly European life. With this marriage comes the triumphant rebirth of sex, creative energy and travel - to America, to Australia and all over Europe.

"A Clockwork Orange", The presentation and the impact of violence in the novel and in the film Thomas von der Heide 2006-06-01 Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 2.0, University of Cologne (Institut für Anglistik), course: Novels and their film adaptations, 9 entries in the bibliography, language: English, abstract: After the release of Stanley Kubrick's film version of "A Clockwork Orange" in 1971, Anthony Burgess's original novel of 1962 and the film were obstinately criticised to be senselessly brutal and it was (and is) said (until today) that both Burgess and Kubrick glorified violence with their works. Although in "A Clockwork Orange", a lot of different themes are dealt with - for example politics, music, art or themes of philosophical nature - the violence in the book and on screen are the most concerned about things when critics write about "A Clockwork Orange". But not only critics, also 'normal' readers (or viewers) regard the violence to be the most remarkable thing about the whole book (or movie). One simply has to look at the website of the internet-bookstore 'Amazon' (www.amazon.de) to see that the main part of the readers’ reviews for the book by Anthony Burgess comment on the violence and the brutal crimes committed by the story's protagonists: Alex DeLarge and his 'droogs'. It is interesting that most of the readers that commented on the book also gave a statement about Kubrick's film adaptation. It looks like the whole discussion about violence in "A Clockwork Orange" really first came up when Stanley Kubrick's movie version hit the theatres. But why this violence? Does it stand for itself? Are rape and murder obeyed fetishes of Burgess and Kubrick? Or is there something more in the story, that makes it indispensable to present violence in the extreme way Burgess and Kubrick did? This text will explain the function and the intention of presenting violence in "A Clockwork Orange". It will show the differences between the way of presenting violence in the original novel and the film version and why author and director decided to portray the protagonists' brutality in unlike ways, including the impact they have on the reader and the viewer. This text will conclude that in the novel and the film version, violence in "A Clockwork Orange" serves to discuss other and more important themes included in the story.

Fight Club: A Novel Chuck Palahniuk 2005-10-17 The first rule about fight club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. Fight Club's estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.

A Clockwork Orange (Restored Text) Anthony Burgess 2012-10-22 A newly revised text for A Clockwork Orange’s 50th anniversary brings the work closest to its author’s intentions. A Clockwork Orange is as brilliant, transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick’s once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess’s own illustrations.

The End of the World News Anthony Burgess 1984 A futuristic account of the world's end is composed of three narrative strands presented as if viewed simultaneously, featuring historical and fictional figures, and shifting from New York, to Vienna, to outer space Portnoy's Complaint Philip Roth 1969 A New York lawyer, dominated by a demanding Jewish mother, plays out a sexual revenge in fact and fantasy.

The Rules of Attraction Bret Easton Ellis 2010-06-09 From the bestselling author or Less Than Zero and American Psycho, The Rules of Attraction is a startlingly funny, kaleidoscopic novel about three students at a small, affluent liberal-arts college in New England with no plans for the future—or even the present—who become entangled in a curious romantic triangle. Bret Easton Ellis trains his incisive gaze on the kids at self-consciously bohemian Camden College and treats their sexual posturings and agonies with a mixture of acrid hilarity and compassion while exposing the moral vacuum at the center of their lives. Lauren changes boyfriends every time she changes majors and still pines for Victor who split for Europe months ago and she might or might not be writing anonymous love letter to ambivalent, hard-drinking Sean, a hopeless romantic who only has eyes for Lauren, even if he ends up in bed with half the campus, and Paul, Lauren's ex, forthrightly bisexual and whose passion masks a shrewd pragmatism. They waste time getting wasted, race from Thirsty Thursday Happy Hours to Dressed To Get Screwed parties to drinks at The Edge of the World or The Graveyard. The Rules of Attraction is a poignant, hilarious take on the death of romance. The basis for the major motion picture starring James Van Der Beek, Shannyn Sossaman, Jessica Biel, and Kate Bosworth.
Nineteen Eighty-five Anthony Burgess 2013 In characteristically daring style, Anthony Burgess combines two responses to Orwell's 1984 in one book. The first is a sharp analysis: through dialogues, parodies and essays, Burgess sheds new light on what he called 'an apocalyptic codex of our worst fears', creating a critique that is literature in its own right. Part two is Burgess' own dystopic vision, written in 1978. He skewers both the present and the future, describing a state where industrial disputes and social unrest compete with overwhelming surveillance, security concerns and the dominance of technology to make life a thing to be suffered rather than lived. Together these two works form a unique guide to one of the twentieth century's most talented, imaginative and prescient writers.

Several decades later, Burgess' most singular work still stands. Allegedly Tiffany D. Jackson 2017-01-24 4 starred reviews! Orange is the New Black meets Walter Dean Myer's Monster in this gritty, twisty, and haunting debut by Tiffany D. Jackson about a girl convicted of murder seeking the truth while surviving life in a group home. Mary B. Addison killed a baby. Allegedly. She didn't say much in that first interview with detectives, and the media filled in the only blanks that mattered: a white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There wasn't a point to setting the record straight before, but now she's got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary's fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?

From Elvish to Klingon Michael Adams 2011-10-27 This fascinating book takes invented languages and explores the origins, purpose, and usage of these curious artefacts of culture. Written by experts in the field, chapters discuss a wide range of languages - from Esperanto to Klingon - and uncover the motives behind their creation and the outcomes of their existence.

Criminology Goes to the Movies Nicole Rafter 2011-09-01 From a look at classics like Psycho and Double Indemnity to recent films like Traffic and Thelma & Louise, Nicole Rafter and Michelle Brown show that criminological theory is produced not only in the academy, through scholarly research, but also in popular culture, through film. Criminology Goes to the Movies connects with ways in which students are already thinking criminologically through engagements with popular culture, encouraging them to use the everyday world as a vehicle for theorizing and understanding both crime and perceptions of criminality. The first work to bring a systematic and sophisticated criminological perspective to bear on crime films, Rafter and Brown's book provides a fresh way of looking at cinema, using the concepts and analytical tools of criminology to uncover previously unnoticed meanings in film, ultimately making the study of criminological theory more engaging and effective for students while simultaneously demonstrating how theories of crime circulate in our mass-mediated worlds. The result is an illuminating new way of seeing movies and a delightful way of learning about criminology. Instructor's Guide

Junk Melvin Burgess 2009-01-01 Tar loves Gemma, but Gemma doesn't want to be tied down - not to anyone or anything. Gemma wants to fly. But no one can fly forever. One day, somehow, finally you have to come down. Commissioned and produced by Oxford Stage Company, Junk premiered at The Castle, Wellingborough, in January 1998 and went on to tour throughout the UK in 1998 and 1999. "John Retallack's excellent adaptation of Melvin Burgess's controversial Carnegie Medal winning novel is splendidly unpatronising...a truly cautionary tale" (Independent)

I Am Not Your Perfect Mexican Daughter Erika L. Sánchez 2019-03-05 When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been as perfect as believed.

Pirate Wars Kai Meyer 2008-12-16 Join the pirate crew in their final spectacular adventure! Jolly, Griffin, and their pirate friends are back, battling to save the world from the evil Maelstrom. Griffin leaves his magic room in the belly of a giant whale to take on the lord of the kobalins. Princess Soledad fights to protect the sea star city and encounters an awe-inspiring serpent god. Together, Jolly and Munk make their way underwater to reach the center of the Maelstrom. There they meet the beautiful Aina, who is a polliwog like themselves but from an ancient time. Is she a girl or a ghost? A friend or an enemy? While the battle for the sea star city is raging, Jolly learns the shocking truth about Aina. As Jolly begins to understand the past, she realizes what she must do to save the whole Caribbean. But is she already too late? This rip-roaring fantasy filled with nonstop action is a perfect ending to magical mastermind Kai Meyer's swashbuckling Wave Walkers trilogy.

All But My Life Gerda Weissmann Klein 1995-03-31 All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops - including the man who was to become her husband— in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although
stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

*Speaking Science Fiction* Andy Sawyer 2000 This wide-ranging volume explores the various dialogues that flourish between different aspects of science fiction: academics and fans, writers and readers; ideological stances and national styles; different interpretations of the genre; and how language and 'voices' are used in constructing SF. Introduced by the acclaimed novelist Brian W. Aldiss, the essays range from studies of writers such as Robert A. Heinlein, who are considered as the 'heart' of the genre, to more contemporary writers such as Jack Womack and J. G. Ballard.

*The Kingdom of the Wicked* Anthony Burgess 2003-01 A Roman saga, taking in the excesses of Tiberius, Caligula and Nero and an irreverent account of the early days of Christianity. Sadoc, a dying shipping clerk, sets down for future generations a tale of epic proportions: he is charged with recounting no less an event than the birth of Christianity.
