The Immortal Life of Henrietta Lacks Rebecca Skloot 2010-02-02 #1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: the first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca began enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, The Immortal Life of Henrietta Lacks captures the beauty and drama of scientific discovery, as well as its human consequences.

The Truth about Crime Jean Comaroff 2016-12-05 In this book, renowned anthropologists Jean and John L. Comaroff make a startling but absolutely convincing claim about our modern era: it is not by our arts, our politics, or our science that we understand ourselves—it is by our crimes. Surveying an astonishing range of forms of crime and policing—from petty thefts to the multimillion-dollar scams of too-big-to-fail financial institutions to the collateral damage of war—they take readers into the disorder of the late modern world. Looking at recent transformations in the triangulation of capital, the state, and governance that have led to an era where crime and policing are ever more complicit, they offer a powerful meditation on the new forms of sovereignty, citizenship, class, race, law, and political economy of representation that have arisen. To do so, the Comaroffs draw on their vast knowledge of South Africa, especially, and its struggle to build a democracy founded on the rule of law out of the wreckage of long years of violence and oppression. There they explore everything from the fascination with the supernatural in policing to the extreme measures people take to prevent home invasion, drawing illuminating comparisons to the United States and United Kingdom. Going beyond South Africa, they offer a global criminal anthropology that attests to criminality as the constitutive fact of contemporary life, the vernacular by which politics are conducted, moral panics voiced, and populations ruled. The result is a disturbing but necessary portrait of the modern era, one that asks critical new questions about how we see ourselves, how we think about morality, and how we are going to proceed as a global society.

Murder in a Few Words Charlotte Beyer 2022-02-22 The clue-puzzle, legal thriller, and classic whodunit are just a few of the subgenres within the widely popular crime fiction genre. However, despite its popularity among readers, the crime short story genre has yet to be fully explored by scholars. This book offers a deep-dive into crime short stories written by a wide range of authors, tracing the history and evolution of the crime short story. The book offers an accessible and original examination of crime short stories, focusing on compelling themes such as miscarriage of justice, feminism, environmental crime and toxic masculinity. The Templar Knight Jan Guillou 2011-05-31 A knight in the Holy Land. A woman in the frozen north. A war that kept them apart... Among the last bastion of God's holy warriors determined to save Jerusalem from the Muslims, Arn Magnusson of the Knights Templar is renowned as a man of compassion, strength, and faith, even among the enemy Saracens-Saladin and his Muslim followers. Yet, neither time nor distance can lessen Arn's pain of separation from his beloved Cecilia; confined to a cloister back home in western Götaland, his betrothed, the mother of their newborn son, is a pawn in a war between clans vying for control of the crown. And when an accident of fate brings together Arn and Saladin, an unlikely friendship is forged that will alter the course of the Templar knight's life, and the history of Jerusalem itself.

The Oxford Book of American Essays Brander Matthews 1914 The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today’s most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show’s behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell — plus some of The Daily Show’s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show’s highlights, from its origins as Comedy Central’s underdog late-night program to Trevor Noah’s succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O’Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show’s seminal moments come together to share their memories of the last minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America’s most groundbreaking shows.

The Good Killer Harry Dolan 2020-02-04 An act of heroism forces a husband and wife out of hiding and into a cross-country chase for their lives in this action-packed crime thriller. Sean Tennant and his wife, Molly, are living safety, quietly, and cautiously in Houston. But that all changes after Sean heads to a local shopping mall, and a gunman begins...
shooting everyone in sight. A former soldier, Sean ends the slaughter with two well-placed shots—becoming a hero with his face plastered across the news. But Sean’s newfound notoriety exposes him to the wrath of two men he thought he had left safely in his past. One of them blames Sean for his brother’s death. The other wants to recover a treasure that Sean and Molly stole from him. Both men are deadly and relentless enemies, and Sean and Molly will need to draw on all their strength and devotion to each other if they hope to elude them. Thus begins a cross-country chase that leads from Texas to Montana, from Tennessee to New York to Michigan, as the hunters and their prey grow ever closer and, in a heart-stopping moment, converge . . . A wickedly clever and exhilarating thriller, The Good Killer offers a sophisticated, breathtaking look at the extremes people will reach for love, greed, and survival. “A dazzling, cinematic thriller full of vivid characters and adrenaline-charged action. Dolan is writing in the tradition of the great Ed McBain [Leonard's Speaker of the House], and the main character is Joseph Finder. New York Times—bestselling author of House on Fire ’[A] satisfying crime novel from Dolan . . . Both action junkies and readers who like their thrillers on the cerebral side will find something to enjoy.” —Publishers Weekly "If you’re up for a first-rate page turner, look no further than Harry Dolan’s The Good Killer . . . the book is basically one long and harrowing chase scene, right up to the explosive climax. Block out sufficient time to read The Good Killer in one setting. It’ll be hard to stop once you get started." —BookPage Cop Killer Maj Sjowall 2010-12-08 The shocking ninth novel in the Martin Beck mystery series by Maj Sjowall and Per Wahloo finds Beck investigating parallel cases that have shocked a small rural community. In a country town, a woman is brutally murdered and left buried in a swamp. There are two main suspects: her closest neighbor and her ex-husband. Meanwhile, on a quiet suburban street a midnight shootout takes place between three cops and two teenage boys. Dead, one cop and one kid. Wounded, two cops. Escaped, one kid. Martin Beck and his partner Lenart Kolberg are called in to investigate. As Beck digs deeper into the murky waters of the young girl’s murder, Kolberg scours the town for the teenager, and together they are forced to examine the changing face of crime. The Story of Classic Crime in 100 Books Martin Edwards 2017-08-01 2018 Macavity Award winner for Best Nonfiction 2018 Anthony Award nominee for Best Critical/Nonfiction Book This book tells the story of crime fiction published during the first half of the twentieth century. The diversity of this much-loved genre is breathtaking, and so much greater than many critics have suggested. To illustrate this, the leading expert on classic crime discusses one hundred books ranging from The Hound of the Baskervilles to Strangers on a Train which highlight the entertaining plots, the literary achievements, and the social significance of vintage crime fiction. This book serves as a companion to the acclaimed British Library Crime Classics series but it tells a very diverse story. It presents the development of crime fiction—from Sherlock Holmes to the end of the golden age—an accessible, informative and engaging style. Readers who enjoy classic crime will make fascinating discoveries and learn about forgotten gems as well as bestselling authors. Even the most widely read connoisseurs will find books (and trivia) with which they are unfamiliar—as well as unexpected choices to debate. Classic crime is a richly varied and deeply pleasurable genre that is enjoying a worldwide renaissance as dozens of neglected novels and stories are resurrected for modern readers to enjoy. The overriding aim of this book is to provide a launch point that enables readers to embark on their own voyages of discovery. Historical Painting Techniques, Materials, and Studio Practice Arie Wallert 1995-08-24 Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled “Historical Painting Techniques, Materials, and Studio Practice” at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and research institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century. Three Minutes Anders Roslund 2017-07-25 The long-awaited, stand-alone sequel to The New York Times bestselling novel Three Seconds—now a major motion picture starring Joel Kinnaman. Presumed dead by the Stockholm police, master criminal and undercover informant Piet Hoffmann is now on the run from the Swedish authorities, living with his wife and two young sons under an assumed name in Cali, Colombia. Only Hoffmann’s former police handler, Erik Wilson, knows where he is—and that he has accepted two dangerous new jobs: one as a high-level enforcer for a Colombian cocaine cartel and one as an infiltrator for the DEA, working to bring the cartel down. The FBI even lends credence to his cover story by adding Hoffmann’s alias to the Most Wanted list. But while he is kidnapped by the main character in the novel, Hoffmann is party to the highest-profile political kidnapping in years and therefore directly in the firing line in what is quickly dubbed the “Final War on Drugs.” Suddenly, the Most Wanted list becomes a kill list and the DEA cuts off all contact on orders from the top, leaving Hoffmann and his family stranded. Hoffmann must walk a delicate line as he tries to protect his young family and keep up his dual role as a cartel enforcer and a deniable intelligence asset for the US government. It soon becomes clear that his only chance at getting out alive is to rescue the Speaker of the House, a political kidnapping that has the American government on the edge of war. A Darker Shade of Sweden 2014-01-07 Ever since Stieg Larsson shone a light on the brilliance of Swedish crime writing with his acclaimed and bestselling Girl With the Dragon Tattoo trilogy, readers around the world have devoured fiction by some of the greatest masters of the genre. In this landmark and unique publication, Sweden’s most distinguished and best-loved crime writers have contributed stories to an anthology that promises to sate the desire to read about the dark side of Sweden.

Containing seventeen stories, never before published in English, A Darker Shade of Sweden illuminates this beguiling country and its inhabitants as never before. Included are stories from such Swedish literary luminaries as: • Stieg Larsson • Henning Mankell • Åsa Larsson • Eva Gabrielsson

No Country for Old Men Cormac McCarthy 2007-11-29 This blistering novel—from the bestselling, Pulitzer Prize–winning author of The Road—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is 1980, the place the Texas-Mexico border. The rustlers are big, the runners and small towns have become fire-free zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible, as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph.

Stieg and Me Eva Gabrielsson 2012-07 The poignant account of the 30-year life shared together by Stieg Larsson and Eva Gabrielsson. There is only one person who can tell Stieg Larsson’s story other than himself—his lifelong companion and muse, Eva Gabrielsson. Here she tells the story of their 30-year romance, of Stieg’s upbringing and early years, and how this shaped his morals and personality. She talks of his life-long struggle to expose Sweden’s Neo-Nazis, of his struggle to keep the magazine he founded, Expo, alive, his difficult relationships with his immediate family, and the joy and relief he discovered writing The Millennium trilogy. Their story is told as a series of short vignettes, and Eva Gabrielsson speaks with rare candour and dignity, inspired only by the truth as she knows it. This book is poignant in its account of two soulmates and the life they shared, and most importantly is deeply insightful into the man everyone wants to know better, and about whom so little is known. From Midwives to Medicine Deborah Kuhn McGregor 1998 In this social history of the development of modern gynecology in the mid-19th century, McGregor (history, women’s studies, U. of Illinois-Springfield) reflects the attitudes and practices of the day through the controversial career of J. Marion Sims, the father of gynecology. Includes illustrations of early medical practitioners and establishments (in particular, New York’s Woman’s Hospital). **Let the Right One In** John Ayvide Lindqvist 2010-05-16 Oskar doesn’t have many friends. So when Eli moves in next door, things seem to be improving. She’s a little strange, and her ‘father’ is frankly sinister, but at least she likes Oskar. Then a child’s body is found hanging from a tree, and all hell breaks loose. Is it a serial killer? Or something a bit...different?

**Locating Nordic Noir** Kim Toft Hansen 2017-10-14 This book is a comprehensive study of Nordic Noir television drama from the 1990’s until today. The authors introduce the history of contemporary Nordic Noir from the perspective of place, production and location studies. The chapters include readings of well-known television crime dramas such as Beck, The Killing, Trapped and The Bridge as well as a range of other important Nordic Noir cases. The authors position the development of Nordic Noir in the global market for popular television drama and place the international attention towards Nordic crime dramas within regional development of drama production in Sweden, Denmark, Norway and Iceland. Consequently, Nordic Noir is read as both a transnational financial and creative phenomenon and as a local possibility for community building. Offering a comprehensive, scholarly and methodologically original approach to the popularity of Nordic television crime dramas, this volume is aimed at readers with an interest in crime drama as well as scholars and students of television drama.

**The Tattooed Girl** Dan Burstein 2011-05-10 The fascinating stories behind what have been rightly called the “hottest books on the planet”: - The Girl with the Dragon Tattoo, The Girl Who Played with Fire, and The Girl Who Kicked the Hornet’s Nest Through insightful commentary and revealing interviews, you will enter the unique world of Lisbeth Salander, Mikael Blomkvist—and of Stieg Larsson himself—discovering the fascinating real-life experiences and incidents involving Swedish politics, violence against women, and neo-Nazis that are at the heart of Larsson’s work. John-Henri Holmberg, a Swedish author and close friend of Larsson for more than three decades, provides a unique insider’s look into the secrets of the author’s imaginative universe, his life, and his ideas for future books—including the mysterious “fourth book” in the series, which Larsson had started but not finished at the time of his death. Included within are answers to compelling questions on every Larsson fan’s mind: - What makes the Lisbeth Salander character so unique and memorable? Why have so many people from all backgrounds and with all kinds of tastes found The Girl with the Dragon Tattoo so riveting? - What are the speculations—and what is the truth—about Stieg Larsson’s tragic death at age fifty, just before the publication of his novels, and the bitter battle over his legacy? - What changes were made in the plots and translations of the novels after Larsson’s death—and why? - How did Larsson’s early interest in science fiction and American and British crime writers feed into his creation of the Millennium trilogy?

**Quicksand** Malin Persson Giolito 2017-03-07 NOW A NETFLIX ORIGINAL SERIES Named an NPR “BEST BOOKS OF 2017” Named the Best Swedish Crime Novel of the Year by the Swedish Crime Writers Academy An incisive courtroom thriller and a drama that raises questions about the nature of love, the disastrous side effects of guilt, and the function of justice A mass shooting has taken place at a prep school in Stockholm’s wealthiest suburb. Eighteen-year-old Maja Norberg is charged for her involvement in the massacre that left her boyfriend and her best friend dead. She has spent nine months in jail awaiting trial. Now the time has come for her to enter the courtroom. How did Maja—popular, privileged, and a top student—become a cold-blooded killer in the eyes of the public? What did Maja do? Or is it what she failed to do that brought her here? Malin Persson Giolito has written a perceptive portrayal of a teenage girl and a blistering indictment of a society that is coming apart. A work of great literary sensibility, Quicksand touches on wealth, class, immigration, and the games children play among themselves when parents are no longer attuned to their struggles.
