The Three Mothers  
Anna Malaika Tubbs 2021-02-02
"Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs tells it brilliantly." — Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist and National Book Award winner Stamped from the Beginning Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm. But virtually nothing has been said about the extraordinary women who raised them. In her groundbreaking and essential debut The Three Mothers, scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America's most pivotal heroes. A New York Times Bestsellers Editors' Choice An Amazon Editor's Pick for February Amazon's Best Biographies and Memoirs of 2021 One of theSkimm's "16 Essential Books to Read This Black History Month" One of Fortune Magazine's "21 Books to Look Forward to in 2021!" 20th century and forced to contend with the prejudices of Jim Crow as Black women. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America’s racist practices and led to ramifications for all three families’ safety. The fight for equal justice and dignity came above all else for the three mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue.

None But the Brave Anthony A. Goodman 2012-04-01 "On June 6, 1944, Allied forces embarked on the largest amphibious invasion in history, a day now know as D-Day. Amongst the more than 160,000 soldiers on board over 5000 armored vessels were surgeons, doctors, and medics who would tend to the wounded, valiantly attempting to bring their soldiers home alive. Goodman's latest novel is a gripping, tension-filled look inside the lives of the men and women who gallantly served the Allied forces during the final years of World War II."--P. [4] of cover.

**The Inner Voice of Trading**

Michael Robert Martin 2011-06-14

Want to be a successful trader? It's not enough to master generic trading strategies: you must first know yourself. You must understand your own emotional predilections and psychological tendencies. You must learn how to match your strategies to your own personality. You must choose strategies that are sustainable over the long haul, that you can tolerate—and execute. Michael Martin's *The Inner Voice of Trading* explains why deep self-knowledge is so crucial to successful trading, helps you gain that self-knowledge, and guides you in applying it. Drawing on interviews and discussions with great traders like Michael Marcus and Ed Seykota, he shows how to quiet your mind,
develop an "inner voice" you can rely on, and make it your most important trading ally. As seen in Barron's, Minyanville.com and HuffingtonPost.com

All But My Life Gerda Weissmann Klein 1995-03-31

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops—including the man who was to become her husband—in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland.
on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

Navigating a Sea of Emotions
Kristin Hanley 2017-01-19
When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way.

Saints at the River Ron Rash 2007-04-01 A major new Southern voice emerges in this novel about a town divided by the aftermath of a tragic accident--and the woman
caught in the middle When a twelve-year-old girl drowns in the Tamassee River and her body is trapped in a deep eddy, the people of the small South Carolina town that bears the river's name are thrown into the national spotlight. The girl's parents want to attempt a rescue of the body; environmentalists are convinced the rescue operation will cause permanent damage to the river and set a dangerous precedent. Torn between the two sides is Maggie Glenn, a twenty-eight-year-old newspaper photographer who grew up in the town and has been sent to document the incident. Since leaving home almost ten years ago, Maggie has done her best to avoid her father, but now, as the town's conflict opens old wounds, she finds herself revisiting the past she's fought so hard to leave behind. Meanwhile, the reporter who's accompanied her to cover the story turns out to have a painful past of his own, and one that might stand in the way of their romance. Drawing on the same lyrical prose and strong sense of place that distinguished his award-winning first novel, One Foot in Eden, Ron Rash has written a book about the deepest human themes: the love of the land, the hold of the dead on the living, and the need to dive beneath the surface to arrive at a deeper truth. Saints at the River confirms the arrival of one of today's most gifted storytellers.

The Life You Save May Be Your Own Flannery O'Connor 2015-01-01 When Tom Shiftlet arrives on a farm owned by an old woman and her deaf daughter, he is at first only interested in finding a place to stay in exchange for work. However, when the old woman offers her daughter Lucynell to him in marriage, along with a sum of money, he accepts, though his intentions towards the girl remain unclear. Similar in theme and style to many of other Flannery O'Connor’s short stories, “The Life You Save My Be Your Own” was originally published in O'Connor’s short story

No Country for Old Men Cormac McCarthy 2007-11-29 This blistering novel—from the bestselling, Pulitzer Prize–winning author of The Road—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph.

Three-Ten to Yuma and Other Stories Elmore Leonard 2009-10-06 The New York Times-bestselling Grand Master of suspense deftly displays the other side of his genius, with seven classic western tales of destiny and fatal decision . . . and trust as essential to survival as it is hard-earned. Trust was rare and precious in the wide-open towns that sprung up like weeds on America's
frontier—with hustlers and hucksters arriving in droves by horse, coach, wagon, and rail, and gunmen working both sides of the law, all too eager to end a man's life with a well-placed bullet. In these classic tales that span more than five decades—including the first story he ever published, “The Trail of the Apache”—Elmore Leonard once again demonstrates the superb talent for language and gripping narrative that have made him one of the most acclaimed and influential writers of our time.

As We Are Now May Sarton 2014-07-22 Bestselling author
“May Sarton has never been better than she is in this beautiful, harrowing novel about being old, unwanted, yet refusing to give up” (The Boston Globe). After seventy-six-year-old Caro Spencer suffers a heart attack, her family sends her to a private retirement home to wait out the rest of her days. Her memory growing fuzzy, Caro decides to keep a journal to document the daily goings-on—her feelings of confinement and boredom; her distrust of the home’s owner, Harriet Hatfield, and her daughter, Rose; her pity for the more incapacitated residents; her resentment of her brother, John, for leaving her alone. The journal entries describe not only her frustrations, but also small moments of beauty—found in a welcome visit from her minister, or in watching a bird in the garden. But as she writes, Caro grows increasingly sensitive to the casual atrocities of retirement-home life. Even as she acknowledges her mind is beginning to fail, she is determined to fight back against the injustices foisted upon the home’s occupants. This ebook features an extended biography of May Sarton.

2016-02-01 Summary of Destiny and Power: by Jon Meacham | Includes Analysis Preview: Destiny and Power: The American Odyssey of George Herbert Walker Bush by Jon Meacham is a biography of George H.W. Bush, the 41st president of the United States, who served from 1988 to 1992. The author argues that as president and as a politician, Bush used prudence and compromise to an extent that would seem out of place in today’s era of highly partisan US politics. George H.W. Bush had a varied career before winning the presidency: he was a Navy pilot, oilman, congressman, ambassador to the UN, envoy to China, head of the Republican Party, and later director of the CIA. In the executive branch, he first served as vice president of the United States under Ronald Reagan for eight years before beginning his own presidency...

Midnight Chicken

declaration of hope' Nigella Lawson 'A moving testimonial to the redemptive power of cooking. Generous, honest and uplifting' Diana Henry There are lots of ways to start a story, but this one begins with a chicken... When the world becomes overwhelming, Ella Risbridger focuses on the little things that bring her joy, like enjoying a glass of wine when cooking, FaceTiming with a friend whilst making bagels, and sharing recipes that are good for the soul. One night she found herself lying on her kitchen floor, wondering if she would ever get up – and it was the thought of a chicken, of roasting it, and of eating it, that got her to her feet and made her want to be alive. Midnight Chicken is a cookbook. Or, at least, you'll flick through these pages and find recipes so inviting that you will head straight for the kitchen: roast garlic and tomato soup, uplifting chili-lemon spaghetti, charred leek lasagne, squash skillet pie, spicy fish finger sandwiches and burnt-butter brownies. It's the kind of cooking you can do a little bit drunk, that is probably better if you've got a bottle of wine open and a hunk of bread to mop up the sauce. But if you settle down and read it with a cup of tea (or a glass of that wine), you'll also discover that it's an annotated list of things worth living for – a manifesto of moments worth living for. This is a cookbook to make you fall in love with the world again. Featuring an entire chapter on storecupboard recipes. **The Black Box Illustrated** E Phillips Oppenheim 2021-04-05

"'You're in luck, Alfred,' he declared. "'That's the most interesting man in New York—one of the most interesting in the world. That's Sanford Quest.'" "'Who's he?'" "'You haven't heard of Sanford Quest?''' "'Never in my life.'"

The young man whose privilege it was to have been born and lived all his days in New York, drank half a glassful of wine and leaned back in his chair. Words, for a few moments, were an impossibility. "'Sanford Quest,'" he pronounced at last, "'is the greatest master in criminology the world has ever known. He is a magician, a scientist, the Pierpont Morgan of his profession.'" "'Say, do you mean that he is a detective?'"

The New Yorker steadied himself with an effort. Such ignorance was hard to realise—harder still to deal with. "'Yes,'" he said simply, "'you could call him that—just in the same way you could call Napoleon a soldier or Lincoln a statesman...'"

**A Promised Land** Barack Obama 2020-11-17

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE •
Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune’s Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man’s bet with history, the faith of a community organizer tested on the world stage.
Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama’s conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

2011-05 Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 1, University of Vienna, language: English, abstract: The following paper gives an in-depth analysis of Flannery O'Connor's acclaimed short story A Good Man Is Hard To Find. A detailed account of O'Connor's life and her status as a fervent Roman Catholic in the predominantly Protestant South during the period of World War II and the Cold War sheds light on her literary motivations and her brilliant use of the grotesque. The historical and religious context complements the second part of the paper, which consists of a thorough textual analysis of A Good Man Is Hard To Find. Special emphasis is put on the exploration of character relationships, important themes and cultural signifiers, which again links up with the first part of the paper.

The Presence of Grace and
Other Book Reviews by Flannery O'Connor  
Flannery O'Connor 2008-03-01 During the 1950s and early 1960s, Flannery O'Connor wrote more than a hundred book reviews for two Catholic diocesan newspapers in Georgia. This full collection of these reviews nearly doubles the number that have appeared in print elsewhere and represents a significant body of primary materials from the O'Connor canon. We find in the reviews the same personality so vividly apparent in her fiction and her lectures--the unique voice of the artist that is one clear sign of genius. Her spare precision, her humor, her extraordinary ability to permit readers to see deeply into complex and obscure truths—all are present in these reviews and letters.
