**Stories from Suffragette City** M.J. Rose 2020-10-27 One City. One Movement. A World of Stories. Stories from Suffragette City is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. Thirteen of today's bestselling authors have taken this moment as inspiration to raise the voices of history and breathe fresh life into their struggles and triumphs. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women's suffrage movement so that every woman's voice can be heard. Each story stands on its own, but together Stories From Suffragette City becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. **Infinite Home** Kathleen Alcott 2015-08-04 "[E]xpect to find insights that make you stop, go back and read again.... Take it from us: You don't know what's coming in the last third of this book, and you will be astounded." —O, the Oprah Magazine A beautifully wrought story of an ad hoc family and the crisis they must overcome together. Edith is a widowed landlady who rents apartments in her Brooklyn brownstone to an unlikely collection of humans, all deeply in need of shelter. Crippled in various ways—in spirit, in mind, in body, in heart—the renters struggle to navigate daily existence, and soon come to realize that Edith's deteriorating mind, and the menacing presence of her estranged, unscrupulous son, Owen, is the greatest challenge they must confront together. Faced with eviction by Owen and his designs on the building, the tenants—Paulie, an unusually disabled man and his burdened sister, Claudia; Edward, a misanthropic stand-up comic; Adeleine, a beautiful agoraphobe; Thomas, a young artist recovering from a stroke—must find in one another what the world has not yet offered or has taken from them: family, respite, security, worth, love. The threat to their home scatters them far from where they've begun, to an ascetic commune in Northern California, the motel rooms of depressed middle America, and a stunning natural phenomenon in Tennessee, endangering their lives and their visions of themselves along the way. With humanity, humor, grace, and striking prose, Kathleen Alcott portrays these unforgettable characters in their search for connection, for a life worth living, for home.

*No One is Here Except All of Us* Ramona Ausubel 2013-02-05 When an isolated Jewish village in Romania is threatened by war in 1939, the suggestions of a young child and a mysterious stranger who has washed up on the riverbank compels the community to reinvent itself while completely detaching from the known world, a creative plan that involves disturbing reassignments of jobs and families. 25,000 first printing.

**The Family Gene** Joselin Linder 2017-03-14 A riveting medical mystery about a young woman's quest to uncover the truth about her likely fatal genetic disorder that opens a window onto the exploding field of genomic medicine When Joselin Linder was in her twenties her legs suddenly started to swell. After years of misdiagnoses, doctors discovered a deadly blockage in her liver. Struggling to find an explanation for her unusual condition, Joselin compared the medical chart of her father—who had died from a mysterious disease, ten years prior—with that of an uncle who had died under similarly strange circumstances. Delving further into the past, she discovered that her great-grandmother had displayed symptoms similar to hers before her death. Clearly, this was more than a fluke. Setting out to build a more complete picture of the illness that haunted her family, Joselin approached Dr. Christine Seidman, the head of a group of world-

class genetic researchers at Harvard Medical School, for help. Dr. Seidman had been working on her family's case for twenty years and had finally confirmed that fourteen of Joselin's relatives carried something called a private mutation—meaning that they were the first known people to experience the baffling symptoms of a brand new genetic mutation. Here, Joselin tells the story of their gene: the lives it claimed and the future of genomic medicine with the potential to save those that remain. Digging into family records and medical history, conducting interviews with relatives and friends, and reflecting on her own experiences with the Harvard doctor, Joselin pieces together the lineage of this deadly gene to write a gripping and unforgettable exploration of family, history, and love. A compelling chronicle of survival and perseverance, *The Family Gene* is an important story of a young woman reckoning with her father's death, her own mortality, and her ethical obligations to herself and those closest to her.

**Memoirs of a Polar Bear** Yoko Tawada 2016-11-08 *The Memoirs of a Polar Bear* stars three generations of talented writers and performers—who happen to be polar bears *The Memoirs of a Polar Bear* has in spades what Rivka Galchen hailed in the *New Yorker* as “Yoko Tawada’s magnificent strangeness”—Tawada is an author like no other. Three generations (grandmother, mother, son) of polar bears are famous as both circus performers and writers in East Germany: they are polar bears who move in human society, stars of the ring and of the literary world. In chapter one, the grandmother matriarch in the Soviet Union accidentally writes a bestselling autobiography. In chapter two, Tosca, her daughter (born in Canada, where her mother had emigrated) moves to the DDR and takes a job in the circus. Her son—the last of their line—is Knut, born in chapter three in a Leipzig zoo but raised by a human keeper in relatively happy circumstances in the Berlin zoo, until his keeper, Matthias, is taken away... Happy or sad, each bear writes a story, enjoying both celebrity and “the intimacy of being alone with my pen.”

*The Last Animal* Abby Geni 2013-09-16 *The Last Animal* by Abby Geni is that rare literary find — a remarkable series of stories unified around one theme: people who use the interface between the human and the natural world to contend with their modern challenges of love, loss, and family life. These are vibrant, weighty stories that herald the arrival of a young writer of surprising feeling and depth. "Terror Birds" tracks the dissolution of a marriage set against an ostrich farm in the sweltering Arizona desert; "Dharma at the Gate" features the tempest of young love as a teenaged girl must choose between man's best friend, her damaged boyfriend, and a beckoning future; "Captivity" follows an octopus handler at an aquarium still haunted by the disappearance of her brother years ago; "The Girls of Apache Bryn Mawr" details a Greek chorus of Jewish girls at a summer camp whose favorite counselor goes missing under suspicious circumstances; "In the Spirit Room" centers on a scientist suffering the heartbreaking loss of a parent from Alzheimer's while living in the natural history museum where they both worked; in "Fire Blight" a father grieving over his wife's recent miscarriage finds an outlet for comfort in their backyard garden and makes a surprising discovery on how to cherish living things; and in the title story, a retired woman traces the steps of the husband who left her thirty years ago, burning the letters he had sent along the way, while the luminous and exotic wildlife of the Pacific Ocean opens up to receive her. Unflinching, exciting, ambitious and heartfelt, *The Last Animal* takes readers through a menagerie of settings and landscapes as it underscores the connection between all living things.

Quickly, the once-charmed family unravels. In distress and confusion, Fern and Edgar are each tempted away on separate adventures: she on a road trip with a stranger, he on an ill-advised sailing voyage with another woman. **No One is Here Except All of Us** Ramona Ausubel 2012-02-02 From the award-winning author of *Sons and Daughters of Ease and Plenty* and the new story collection, *Awayland*. In 1939, the families in a remote Jewish village in Romania feel the war close in on them. Their tribe has moved and escaped for thousands of years- across oceans, deserts, and mountains-but now, it seems, there is nowhere else to go. Danger is imminent in every direction, yet the territory of imagination and belief is limitless. At the suggestion of an eleven-year-old girl and a mysterious stranger who has washed up on the riverbank, the villagers decide to reinvent the world: deny any relationship with the known and start over from scratch. Destiny is unwritten. Time and history are forgotten. Jobs, husbands, a child, are reassigned. And for years, there is boundless hope. But the real world continues to unfold alongside the imagined one, eventually overtaking it, and soon our narrator-the girl, grown into a young mother-must flee her village, move from one world to the next, to find her husband and save her children, and propel them toward a real and hopeful future. A beguiling, imaginative, inspiring story about the bigness of being alive as an individual, as a member of a tribe, and as a participant in history, *No One Is Here Except All Of Us* explores how we use storytelling to survive and shape our own truths. It marks the arrival of a major new literary talent.

*Ramona Blue* Julie Murphy 2017-05-09 The fourth novel from Julie Murphy, the #1 New York Times bestselling author of *Dumplin'*—now a Netflix feature film starring Danielle Macdonald and Jennifer Aniston, with a soundtrack by Dolly Parton! For fans of Rainbow Rowell and Morgan Matson, Julie Murphy has created another fearless heroine, Ramona Blue, in a gorgeously evocative novel about family, friendship, and how sometimes love can be more fluid than you first think. Ramona was only five years old when Hurricane Katrina changed her life forever. Since then, it's been Ramona and her family against the world. Standing over six feet tall with unmistakable blue hair, Ramona is sure of three things: she likes girls, she's fiercely devoted to her family, and she knows she's destined for something bigger than the trailer she calls home in Eulogy, Mississippi. But juggling multiple jobs, her flaky mom, and her well-meaning but ineffectual dad forces her to be the adult of the family. Now, with her sister, Hattie, pregnant, responsibility weighs more heavily than ever. The return of her childhood friend Freddie brings a welcome distraction. Ramona's friendship with the former competitive swimmer picks up exactly where it left off, and soon he's talked her into joining him for laps at the pool. But as Ramona falls in love with swimming, her feelings for Freddie begin to shift too, which is the last thing she expected. With her growing affection for Freddie making her question her sexual identity, Ramona begins to wonder if perhaps she likes girls and guys or if this new attraction is just a fluke. Either way, Ramona will discover that, for her, life and love are more fluid than they seem.

[A Guide to Being Born](#) Ramona Ausubel 2014-05-06 Reminiscent of Aimee Bender and Karen Russell, from the author of the new collection, *Awayland*—an enthralling book of stories that uses the world of the imagination to explore the heart of the human condition. Major literary talent Ramona Ausubel, author of *Sons and Daughters of Ease and Plenty*, combines the otherworldly wisdom of her much-loved debut novel, *No One Is Here Except All of Us*, with the precision of the short-story form. *A Guide to Being Born* is organized around the stages of life—love, conception, gestation, birth—and the transformations that happen as people experience deeply altering life events, falling in love, becoming parents, looking toward the end of life. In each of these eleven stories Ausubel's stunning imagination and humor are moving, entertaining, and provocative, leading readers to see the familiar world in a new way. In “Atria” a pregnant teenager believes she will give birth to any number of strange animals rather than a human baby; in “Catch and Release” a girl discovers the ghost of a Civil War hero living in the woods behind her house; and in “Tributaries” people grow a new arm each time they fall in love. Funny, surprising, and delightfully strange—all the stories have a strong emotional core; Ausubel's primary concern is always love, in all its manifestations.

**Shutter** Ramona Emerson 2022-08-02 This blood-chilling debut set in New Mexico's Navajo Nation is equal parts gripping crime thriller, supernatural horror, and poignant portrayal of coming of age on the reservation. Rita Todacheene is a forensic photographer working for the Albuquerque police force. Her excellent photography skills have cracked many cases—she is almost supernaturally good at capturing details. In fact, Rita has been hiding a secret: she sees the ghosts of crime victims who point her toward the clues that other investigators overlook. As a lone portal back to the living for traumatized spirits, Rita is terrorized by nagging ghosts who won't let her sleep and who sabotage her personal life. Her taboo and psychologically harrowing ability was what drove her away from the

Navajo reservation, where she was raised by her grandmother. It has isolated her from friends and gotten her in trouble with the law. And now it might be what gets her killed. When Rita is sent to photograph the scene of a supposed suicide on a highway overpass, the furious, discombobulated ghost of the victim—who insists she was murdered—latches onto Rita, forcing her on a quest for revenge against her killers, and Rita finds herself in the crosshairs of one of Albuquerque's most dangerous cartels. Written in sparkling, gruesome prose, *Shutter* is an explosive debut from one of crime fiction's most powerful new voices.

*Ramona on Corona And...* Pamela Goldman 2021-06-28 I didn't want to spend the pandemic with just my husband (much as I love him). And I didn't want to give in to fear or sit around lamenting the loss of control over normal life. So I began writing, and I couldn't stop. When Katie Couric accepted my first essay on tips for getting through the corona crisis for her newsletter, *Wake-Up Call*, RAMONA ON CORONA was born. Katie gave me free rein to draw from my musings to create a weekly humor series, including how to wash a zucchini in a pandemic, stay married to a hoarder husband (paper goods, aisle 7 in our basement), FaceTime your plumber who can walk you through a major leak. RAMONA grew into a weekly column and now she is a book of 46 essays that I hope will resonate with you, make you laugh and touch your heart. I hope the memories enshrined here and the lessons learned will help bring meaning to what we all went through.

*The Milk Bowl of Feathers: Essential Surrealist Writings* Mary Ann Caws 2018-09-25 An exciting new collection of the essential writings of surrealism, the European avant-garde movement of the mind's deepest powers Originating in 1916 with the avant-garde Dada movement at the famous Café Voltaire in Zurich, surrealism aimed to unleash the powers of the creative act without thinking. Max Ernst, André Breton, Tristan Tzara, Paul Éluard, Philippe Soupault, and Louis Aragon created a movement that spread wildly to all corners of the globe, inspiring not only poetry but also artists like Joan Miro and René Magritte and cinematic works by Antonin Artaud, Luis Bunuel, and Salvador Dalí. As the editor, Mary Ann Caws, says, “Essential to surrealist behavior is a constant state of openness, of readiness for whatever occurs, whatever marvelous object we might come across, manifesting itself against the already thought, the already lived.” Here are the gems of this major, mind-bending aesthetic, political, and humane movement: writers as diverse as Aragon, Breton, Dalí, René Char, Robert Desnos, Mina Loy, Paul Magritte, Alice Paalen, Gisele Prassinis, Man Ray, Kay Sage, and Elsa von Freytag-Loringhoven are included here, providing a grand picture of this revolutionary movement that shocked the world.

**Awayland** Ramona Ausubel 2019-03-05 An inventive story collection that spans the globe as it explores love, childhood, and parenthood with an electric mix of humor and emotion. Acclaimed for the grace, wit, and magic of her novels, Ramona Ausubel introduces us to a geography both fantastic and familiar in eleven new stories, some of them previously published in *The New Yorker* and *The Paris Review*. Elegantly structured, these stories span the globe and beyond, from small-town America and sunny Caribbean islands to the Arctic Ocean and the very gates of Heaven itself. And though some of the stories are steeped in mythology, they remain grounded in universal experiences: loss of identity, leaving home, parenthood, joy, and longing. Crisscrossing the pages of *Awayland* are travelers and expats, shadows and ghosts. A girl watches as her homesick mother slowly dissolves into literal mist. The mayor of a small Midwestern town offers a strange prize, for stranger reasons, to the parents of any baby born on Lenin's birthday. A chef bound for Mars begins an even more treacherous journey much closer to home. And a lonely heart searches for love online--never mind that he's a Cyclops. With her signature tenderness, Ramona Ausubel applies a mapmaker's eye to landscapes both real and imagined, all the while providing a keen guide to the wild, uncharted terrain of the human heart.
