children and adults who experience them. It also provides essential information on Dabrowski's Theory of Positive Disintegration. Learn practical methods for nurturing sensitivity, intensity, perfectionism.

The Gifted School
Bruce Holsinger 2020-06-30 INSTANT NATIONAL BESTSELLER
"Wise and addictive... The Gifted School is the juiciest novel I've read in ages... a suspenseful, laugh-out-loud page-turner and an incisive inspection of privilege, race and class." –J. Courtney Sullivan, author of Friends and Strangers, in The New York Times

Smart and juicy, a compulsively readable novel about a previously happy group of friends and parents that is nearly destroyed by their own competitiveness when an exclusive school for gifted children opens in the community, from the author of The Displacements

This deliciously sharp novel captures the relentless ambitions and fears that animate parents and their children in modern America, exploring the conflicts between achievement and potential, talent and privilege. Set in the fictional town of Crystal, Colorado, The Gifted School is a keenly entertaining novel that observes the drama within a community of friends and parents as good intentions and high ambitions collide in a pile-up with long-held secrets and lies. Seen through the lens of four families who've been a part of one another's lives since their kids were born over a decade ago, the story reveals not only the lengths that some adults are willing to go to get ahead, but the effect on the group's children, sibling relationships, marriages, and careers, as simmering resentments come to a boil and long-buried, explosive secrets surface and detonate. It's a humorous, keenly observed, timely take on ambitious parents, skillful kids, and the pursuit of prestige, no matter the cost.

Ungifted
Gordon Korman 2014-02
Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay on his feet and fit in with the kids there. And who knows, maybe his real gift will come to light . . .

When Gifted Kids Don't Have All the Answers
Judy Galbraith 2015-04-15
Gifted kids are so much more than test scores and grades. Still, it's sometimes difficult to see past the potential to the child who may be anxious, lonely, confused, or unsure of what the future might bring. This book, now fully revised with updated information and new survey quotes, offers practical suggestions for addressing the social and emotional needs of gifted students. The authors present ways to advocate for gifted education; help gifted underachievers, perfectionists, and twice-exceptional students; and provide all gifted kids with a safe, supportive learning environment. Complete with engaging stories, strategies, activities, and resources, this is for anyone committed to helping gifted students thrive. Includes online digital content.

The Gifted Teen Survival Guide
Judy Galbraith 2011-08-19
Based on new surveys of nearly 1,500 gifted teens, this book is the ultimate guide to thriving in a world that doesn't always support or understand high ability. Full of surprising facts, survey results, step-by-step strategies, inspiring teen quotes, and insightful expert essays, the guide gives readers the tools they need to appreciate their giftedness as an asset and use it to make the most of who they are. The fourth edition has been revised for a new generation of high-end learners and includes information on twice-exceptionality, emotional and social intelligence, creativity, teen brain development, managing life online, testing and standards, homeschooling, International Baccalaureate programs, college alternatives, STEM careers, cyberbullying, and other hot topics.
