Just as a river continues its course around boulders and obstacles, Angus’s ongoing evolution and path to becoming one of the most significant Thai chefs in North America is an unlikely one. Angus grew up in Taiwan, moved to Canada when he was young, and trained at the French Culinary Institute. He fell in love with Thai cuisine when studying at Nahm under renowned chef and award-winning author, of Thai Food and Thai Street Food, David Thompson. He continues to travel to Thailand to eat, research, and learn. He takes his knowledge home, and finds innovative ways to root a traditional dish to the Pacific Northwest while accentuating each ingredient's flavor, aroma, and texture--all of which you will learn in this cookbook. With its beautiful design, incredible photography, and seasonal menus, Maenam offers a Thai culinary experience like no other.
