A Scottish ex-con is drawn into a violent whirlwind of family drama in this crime novel by the award-winning author of Kiss Her Goodbye. Has Pearce finally found his match? A time-served Edinburgh hard man, Pearce is still reeling from the recent loss of his mother in a stabbing incident in a post office robbery. He's invited by the dysfunctional Baxter family to protect their pregnant 16-year-old daughter from Wallace, her 26-year-old husband, a man with a penchant for killing family pets. Having found out that the baby's not his, Wallace has sworn vengeance. Pearce declines the job: he's no babysitter. But when Wallace kills Pearce's dog, he goes too far. Now it's personal. It's time to find out who the real hard man is. Stone Bruises Simon Beckett 2014-01-30 'Somebody!' I half-sob and then, more quietly, 'Please.' The words seem absorbed by the afternoon heat, lost amongst the trees. In their aftermath, the silence descends again. I know then that I'm not going anywhere... Sean is on the run. We don't know why and we don't know from whom, but we do know he's abandoned his battered, blood-stained car in the middle of an isolated part of rural France at the height of a sweltering summer. Desperate to avoid the police, he takes to the parched fields and country lanes but his leg is caught in a vicious animal trap. Near unconscious from pain and loss of blood, he is freed and taken in by two women - daughters of the owner of a rundown local farm with its ramshackle barn, blighted vineyard and the brooding lake. And it's then that Sean's problems really start... This nail-shredder of a thriller - like the fiction of Nicci French or Gillian Flynn - holds you from the beginning, tightening its grip as the story unfurls and shocks you with its final twist.

Dead Men's Bones James Oswald 2016-09-13

The murder/suicide of a prominent Scottish politician and his family brings Edinburgh-based Detective Inspector Tony McLean out to the countryside to investigate. The powers that be want a quick report and then to have the whole thing buried, but McLean believes there's more to the case than meets the eye. The more lies he uncovers, the more McLean comes to realize there is a connection between the influential politician and another case he's working--the body of a man, stark naked and covered from head to toe in fresh tattoos, found in a river to the south of Edinburgh. But investigating the link between the two could have detrimental implications for his career, not to mention his life. As McLean faces the pressure to wrap up the case, he comes face to face with an ancient evil that will put everyone he cares about at risk in Dead Men's Bones, the fourth installment of James Oswald's internationally bestselling series.

Natural Causes James Oswald 2013-10-08 Edinburgh Detective Inspector Tony McLean is dragged into an array of sickening crimes that have been occurring for six decades, but connected by a macabre and brutal ritual killing in the first entry of the Detective Inspector MacLean mystery series. A young girl's mutilated body is discovered in a room that has lain sealed for the last sixty years. Her remains are carefully arranged in what seems to have been a macabre ritual. For newly appointed Edinburgh Detective Inspector Tony McLean, this baffling cold case ought to be a low priority, but he is haunted by the young victim and her grisly death. Meanwhile, the city is horrified by a series of bloody killings—deaths for which there appears to be neither rhyme nor reason, and which leave Edinburgh’s police at a loss. McLean is convinced that these deaths are somehow connected to the terrible ceremonial killing of the girl, all those years ago. It is an irrational theory. One that will lead McLean closer to the heart of a terrifying and ancient evil.

No More Dying Then

Ruth Rendell 2009-10-07 What kind of a person would kidnap two children? That is the question that haunts Wexford when a five-year-old boy and a twelve-year-old girl disappear from the village of Kingsmarkham. When a child’s body turns up at an abandoned country home one search turns into a murder investigation and the other turns into a race against time. Filled with pathos and terror, passion, bitterness, and loss, No More Dying Then is Rendell at her most chillingly astute. With her Inspector Wexford novels, Ruth Rendell, winner of the Mystery Writers of America Grand Master Award, has added layers of depth, realism and unease to the classic English mystery. For the canny, tireless, and unfappable policeman is an unblinking observer of human nature, whose study has taught him that under certain circumstances the most unlikely people are capable of the most appalling crimes.
