Isis Orb

Piers Anthony 2016-10-18 A quest to fulfill a lifelong wish leads to magic, adventure—and puns—as the New York Times–bestselling author revisits the enchanted land of Xanth. In Xanth, everyone has a talent. But that doesn't mean everyone loves his talent, and no one understands that better than Hapless. Endowed with the ability to conjure any instrument he wants, Hapless could be an extraordinary musician if only he could play a tune that didn't fall ear-piercingly flat. His one desire is to find an instrument he can play—and maybe a girlfriend or three. But like music, women have never been his forte. When the Good Magician hears about Hapless's desperate desire, he sends the young man on a quest to find the elusive Isis Orb, a magical talisman that could fulfill his wish. But the mysterious Egyptian goddess for whom the orb is named guards the enchanted object and won't let anyone see it—let alone use it. Setting out to achieve the impossible, Hapless meets an eclectic mix of creatures that join him on his journey. Like the musically challenged Hapless, they all have wishes they hope the Isis Orb will grant. But the only way they can control the orb is to capture the five totems from the regions of Xanth: Fire, Earth, Air, Water, and the Void. Together, this motley crew will heroically fight dragons, a six-headed griffin, and even a beautiful, seductive water gorgon who tries to rain on Hapless's parade. With its thrilling exploits and endless humor, the newest addition to Piers Anthony's beloved Xanth series is sure to keep readers enthralled. Isis Orb is the 40th book in the Xanth series, but you may enjoy reading the series in any order.

So what was he doing here with seven assorted females looking to rain on Smash's parade. With its thrilling exploits and endless humor, the newest addition to Piers Anthony's beloved Xanth series is sure to keep readers enthralled. **Castle Roopha** Piers Anthony 2002-03-26 Once upon a past... Millie had been a ghost for 800 years. But now, restored by the magic of Xanth, she was again a maddeningly desirable woman. She could have had any man she wanted... except the one she did want, Jonathan the zombie. To grant Millie her desire, and to prove his right to rule Xanth in the future, young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life. But the potion could be found only in the past... so, through a magic tapestry, to the past he went, taking over the body of a barbarian warrior. The first person he encountered there was Jumper, a giant spider—a nightmare monster, but a staunch friend and much-needed ally in peril-haunted, ancient Xanth. Then Dor met Millie—800 years younger, but just as lovely. And he realized that, in his new body, he was no longer twelve years old...  

**Zombie Lover** Piers Anthony 1999-10-15 Brimia, a beautiful young Black girl, unfortunately attracts the attention of King Xeth, ruler of Xanth's zombies, who wants to make her his queen.

**Split Infinity** Piers Anthony 2012-02-14 On the technological, decadent world of Proton, someone was trying to destroy Stile, serf and master Gamesman. His only escape lay through a mysterious "curtain" revealed by a loving robot. Beyond the curtain lay Phaze—a world totally ruled by magic. There, his first encounter was with an amulet that turned into a demon determined to choke him to death. And there, he soon learned, his alternate self had already been murdered by sorcery, and he was due to be the next victim. "Know thyself!" the infallible Oracle told him. But first he must save himself as he shuttled between worlds. On Proton, his fate depended on winning the great Games. On Phaze, he could survive only by mastering magic. And if he used any magic at all, the werewolf and the unicorn who were his only friends were determined to kill him at once!  

**Blue Adept** Piers Anthony 2009-06-03 In this brilliant continuation of the epic adventure that began in Split Infinity, Piers Anthony again proves himself a master of both fantasy and science fiction. For Stile, life was a matter of shuttling madly between two worlds, with the problems growing greater on each. On the science world of Proton, he was a serf, trying to prove his right to exist by competing in the Great Games. On Phaze, where only magic worked, he was the Blue Adept, trying to master the powers of sorcery. And on both worlds, someone was trying to assassinate him. Aside from winning increasingly difficult contests with no time to prepare, all he had to do was win the love of the Lady Blue, fight a dragon, discover the ultimate weapon—and, of course, seek the paranoid Adept or the all-powerful Woman who was trying to kill him! And now, just when things were growing impossible, he had to fight a mortal duel with the unicorn Herd Leader, against whom his magic powers were useless!  

**Firefly** Piers Anthony 1992 The inhabitants of a remote estate in Florida's savannah country fall under the spell of a horrible predator who inflames and perverts their sexual desires, leading to a series of bizarre and deadly encounters.

**Man from Mundania** Piers Anthony 2018-12-18 For a bored, young princess of Xanth, there's nothing more exciting than a Quest. Especially when all you do is sit around Castle Roopha. But when Ivy uses the Heaven Cent, it takes her not to the top of Mount Rushmore, where the winged monsters gather, not to the sea where the merfolk swim—but to Mundania, a world much like our own (that is, boring). It is here that she meets a young college student so dull that he doesn't even believe in magic, or princesses, or Xanth! Does he have a lot to learn? Man from Mundania, the thrilling climax to the trilogy started in Vale of the Vole and continued in Heaven Cent. Forever. But the Good Magician Humfrey was convinced that Bink did indeed have magic. In fact, both Beauregard the genie and the magic wall chart insisted that Bink had magic. **Roc and a Hard Place** Piers Anthony 2019-10-15 “Puns and playfulness reign supreme” as a demonless learns that big birds of a feather don’t flock together in the New York Times—bestselling Xanth series (The Toronto Star). Seeking a solution to a perplexing personal problem, the delectable Demoness Metria asks for help from the wise Magician Humfrey. But before he will help her, she must perform a perilous mission: Rove the length and breadth of Xanth in search of a suitable jury for the trial of Rozanne Roc, a notably noble and virtuous bird charged with a most improbable offense. Exciting, exhilarating, and brimming with hilarious jinks, Roc and a Hard Place is Xanth at its most enchanting. “[A] lighthearted series... many outlandish characters, adventures, jokes and plays on words.” —Publishers Weekly

**Centaur Aide** Piers Anthony 2002-03-26 The magic of Xanth was useless in Mundania—until Dor tried honestly! Dor was having troubles growing up to be the next Magician-King of the magic Land of Xanth. He wanted no part of running the Kingdom. But now the Good King Trent was leaving on a trade mission to non-magical Mundania, home of such weird beasts as horses and bears, so Dor had to take over as King for a week. A week passes. No Trent. Then three weeks. King Trent still hasn’t returned. Surely, something terrible had happened; he was apparently held captive in some foul dungeon, unable to escape. Dor was left with the burden of ruling—and with Irene, who was entirely too willing to be his Queen! His only hope was to enter Mundania and free King Trent. But how could it be done without the powers of magic? Nevertheless, he started forth bravely—together with Irene, a golem, a centaur, and a young ogre—heading for the far south of Xanth. The entrance to Mundania, of course, lay to the north.

**A Tryst of Fates** Piers Anthony 2021-10-05 You’re better wed than dead—even in Xanth—in the hilariously punny new adventure in the fantasy series soon to be adapted for film and television! Squid may only be a tween alien cuttlefish, but her feelings for Chaos, her Demon boyfriend, are real, which is why she’s more than ready to let someone else take over as the protagonist of this story. Being a main character is exhausting—and it’s drastically cutting down her flirting time with Chaos. But their alternate future is dependent upon their completion of one final mission... Seven years from now, in another reality frame, things are not so picture perfect. Squid’s dream of happily ever after turns into happily never after when Chaos’s human host is murdered the night before their wedding. So before they become newly dead instead of newly wed, Squid and Chaos must travel through time in order to meet their maker... Praise for Piers Anthony “Piers Anthony is one of those authors who can perform magic with the ordinary... [He] is a craftsman.” —A Reader’s Guide to Science Fiction “Anthony’s unfailing sparkle, verve and wordplay spin everyday trials of Mundane life into storytelling gold.” —Publishers Weekly

Three Complete Xanth Novels Piers Anthony 1995-02-01 Combining the three volumes from the popular Xanth series, a collector's edition includes A Spell for Chameleon, The Source of Magic, and Castle Roogna.

Five Portraits Piers Anthony 2014-10-21 The magical land of Xanth is in peril in this follow-up to Board Stiff by New York Times–bestselling author Piers Anthony. “It occurs to me that you folk are no ordinary group,” the troll said. “We’re on a special mission to eliminate the last of the anti-pun virus. We are a bit unusual.” A astrid Basilisk-Cockatrice is the daughter of anonymous parents who whiled away a dull minute by generating her on a warm compost pile, then went their own deadly ways, never to see her or each other again. She found herself a soul, but her gaze is fatal and her touch is toxic. That’s not so strange in the Land of Xanth, where everyone has a unique magical talent, and charms, curses, and enchanted puzzles lie around every corner. Now, Astrid and her companions are finishing the cleanup of a virus that ravaged the puns of Xanth, and new Quests are already popping up. For instance, Astrid is attempting to fulfill her mission in life, if only she can figure out what that is.

And then there’s the missing Question from the Good Magician’s Book of Answers. Not to mention the small matter of a Demon Wager regarding the impending destruction of Xanth. But it’s nothing Astrid and her motley crew of lovely maidens and strapping men can handle . . . they hope. Piers Anthony delivers another tale set in the bestselling world of Xanth, filled with magic, surprises, adventure, and a few puns. Here’s what the author has to say about his new book: “Five Portraits is a kind of sequel to Board Stiff in that it picks up where the other leaves off, with the same characters. Apart from that, it’s one of my favorites within the series. There’s something about Astrid Basilisk that appeals to me: a very pretty girl whose very glance is deadly, yet she’s a nice person whose selfless effort to save five difficult children from future Xanth is thoroughly worthy. I also like the theme of the power of unlikely friendship. Not just Xanth, but Mundania, too, would be better if there were more such friendships.”

Demons Don’t Dream Piers Anthony 2019-09-24 “Series fans will find themselves right at home” as a computer game draws two players into the illusion-, pun-, and dragon-filled land of Xanth (Kirkus Reviews). Sixteen-year-old Dug has yet to be impressed by a computer game, but that’s before he gets hooked by Companions of Xanth—and the beguilingly beautiful princess-serpent he’s chosen to guide him. Nada Naga has her work cut out for her keeping Dug’s eyes on the magical prize . . . and off of her human form. Kim is no stranger to Xanth, which is why she chooses her favorite companion, Jenny Elf, to accompany her through its marvels—and dangers. Though Kim’s hyper-enthusiasm is infectious, she doesn’t really believe that Xanth is real, and it’s up to Jenny to prove it. What the two players don’t know is that there’s more at stake than winning; the very existence of Xanth hangs in the balance. Demons may run the game, but there are voids to avoid, loan sharks to outswim, and Com Pewter—the most evil machine of all—to outwit. Not to mention that a companion may be just as willing to sabotage Dug and Kim as help them succeed . . . “The legions of Xanth readers can rest assured that [Demons Don’t Dream] contains plenty of the punningly named animals, vegetables, people and things (such as the Ice Queen [Clone and the Censor-Ship] that have become the series’ raison d’etre.” —Publishers Weekly

Geis of the Gargoyles Piers Anthony 1995-10-15 Seeking a spell that will restore the polluted river Swan Knee to a state of purity, guardian Gary Gargoyle finds himself face-to-face with the Good Magician Humphrey.

Happy Thyme Piers Anthony 2019-09-24 It’s harpy hour in the New York Times–bestselling series, as a one-of-a-kind Xanth woman searches for her happy ever after. Though Gloha loves every inch of Xanth—from Lake Ogrec-Choobee to the Ever Glades—being the only harpy-goblin in existence has her feeling a bit lonely. Now that she’s old enough to enter into the Adult Conspiracy, she has to face reality: There are no males of her kind to mate with. Her only chance at love is to seek the help of the Good Magician, but all he has to give her is a referral . . .

Sent to find the Good Magician’s second son, Trent, Gloha embarks on a journey that will take her to the most magical and mad parts of Xanth. Along the way, she’ll acquire friends and foes—including demons and nymphs, a winged centaur filly, a skeleton searching for a soul, and an invisible giant. But with the help of Trent, Gloha just might discover that her quest for the ideal partner may be the biggest fantasy of all. “Amusing . . . Fans of the author’s trademark humor will relish this latest jaunt through the wacky world of Xanth; new readers too will enjoy the fun.” —Publishers Weekly

On a Pale Horse Piers Anthony 2012-02-14 In this first novel of the Incarnations of Immortality, Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death. This is a novel that will long linger in the reader’s mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept his unwelcome task, despite the rules that seemed woefully unfair. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution!

Golem in the Gears Piers Anthony 2002-03-26 A golem to the rescue! Grundy Golem was the size of an inconsequence, and nobody had any respect for him—including Grundy! To prove himself, he volunteered to ride the Monster Under the Bed to the Ivory Tower to find little Ivy’s long-lost dragon, Stanley Steamer. After many adventures, he reached the Tower, to learn that the evil Sea Hag kept lovely Rapanzel imprisoned there, her body destined to be used to maintain the witch’s immortality. Grundy managed to free the damsel, and they fled together. As the descendant of Jordan the Barbarian and Bluebell Elf, Rapanzel could become any size, even that of any Golem’s dreamgirl. But Grundy knew she was surely fated for someone better than he. Besides, the Sea Hag still pursued them to destroy him and get her back. And he still hadn’t found Stanley Steamer.

Two to the Fifth Piers Anthony 2009-09-29 The future of Xanth is in frightful peril. A powerful magical bird named Ragna Roc has embarked on a campaign to become absolute ruler of that mystical realm. Those who swear loyalty to him are spared. The rest have simply disappeared. So powerful are Ragna’s sorceries that even the Good Magician Humfrey dares not confront him directly. Instead he enlists Cyrus the Cyborg, a handsome half-human playwright with little knowledge of the world, in a stealthy subterfuge. Cyrus must assemble a troupe of traveling players to attract Ragna’s interest. And hidden in disguise among the bevy of beautiful young actresses are the young princesses, Melody, Harmony, and Rhythm, whose magics might just be a match for the evil bird. But Ragna has planted a spy in the midst of the troupe, one who knows their deepest secrets, including the true nature of Cyrus’s forbidden love for one of the young princesses. Only a mysterious child called Kadence, and a cryptic clue — “Two to the Fifth” — may give the companions the edge they need to defeat Ragna’s dictatorial dreams. Brimming with passion and merriment, drama and deception, Piers Anthony’s thirty-second Xanth fantasy, Two to the Fifth, is a pun-packed performance sure to provoke applause and ovations from the series’ myriad fans.
