2010-06-24 SOON TO BE A MAJOR TV SERIES A terrifying apocalyptic thriller from the one of the brightest stars of the genre...

'Chillingly plausible' DAILY TELEGRAPH It seems to be a very normal Monday morning. But in the space of only a few days, the world's oil supplies have been severed and at a horrifying pace things begin to unravel everywhere. And this is no natural disaster: someone is behind this. Jenny is stuck in Manchester, fighting desperately against the rising chaos to get back to London, where her children are marooned as events begin to spiral out of control: riots, raging fires, looting, rape and murder. In the space of a week, London is transformed into a lawless and anarchic vision of hell. Jenny's estranged husband, oil engineer Andy Sutherland, is stranded in Iraq with a company of British soldiers, desperate to find a way home to his family, trapped as transport links and the very infrastructure of daily life...
begin to collapse around him. And against all this, a mysterious man is tracking Andy's family. He'll silence anyone who might be able to reveal the identities of those behind this global disaster. It seems that the same people who now have a stranglehold on the future of civilisation have flexed their muscles before, at other significant tipping points in history, and they are prepared to do anything to keep their secret - and their power - safe.

A Thousand Suns Alex Scarrow 2021-06-14

It's early April of 1945 and the dog-days of World War II. The Nazi regime is being slowly throttled by the oncoming Russian and Allied armies and Hitler rages uselessly in his Berlin bunker. But the high command have one more throw of the dice to make. An audacious plan is hatched to save the Fatherland and beat off the oncoming apocalypse. All it will take is a hodge-podge squadron of escort fighters, a captured U. S. bomber, and one suicidally brave pilot to fly it over the Atlantic into the beating heart of America. Half a century later, a rusting plane is discovered, sunk with its crew, off the coast of New York. A relic from a bygone age. Chris Roland, a brilliant young photographer, is sent to take photos of this time capsule. But it is only when he discovers that the fragments of Nazi uniforms on the decaying corpses that he realizes that he has come across a secret so terrible that even 50 years later it could still kill him.

**The Dragon Sword** Griff Hosker 2021-03-10 This story is set at the end of the tenth century and charts the journey of a young warrior, whose father, Bersi, is killed during a raid on Wessex. Sven Bersisson has to grow up quickly and to follow in his father's footsteps. Sweyn Skull Taker, his uncle, becomes his foster father and they raid Wessex and Frankia where the young warrior becomes a man. King Sweyn Forkbeard, the King of Denmark, uses their clan to help in his dream of defeating the Norwegians and then taking the throne of England. Sven becomes part of those plans but when he takes possession of a fabled Dragon Sword, his life changes and he becomes greater than his father could ever have dreamed.

**U.S.S. Seawolf** Patrick Robinson 2009-10-13 Armed with stolen U.S. military technology, the Chinese are producing a frightening new breed of weaponry, led by the ICBM submarine Xia III--a vessel that just might be able to launch a nuclear warhead across the Pacific Ocean and take out an American West Coast city. National Security Adviser Admiral Arnold Morgan can't let that happen, and he dispatches the most stealthy hunter-killer submarine in the U.S. fleet, the 9,000-ton ultrasecret Seawolf, deep into the dark, forbidden waters of the South China Sea. But then the unthinkable happens: Seawolf, collides with a Chinese destroyer and falls into enemy hands. A team of
cunning Navy SEALs--the biggest Special Forces assault group assembled since Vietnam--is sent in to free the captive Seawolf, crew and bring them home. The American Eagle confronts the Chinese Dragon with the balance of world power on the line. Failure is not an option...

**False God of Rome** Robert Fabbri 2014-06-01
Vespasian's mission will lead to violence, mayhem, and theft—and in the end, to a betrayal so great it will echo through the ages Vespasian is serving as a military officer on the outskirts of the Roman Empire, suppressing local troubles and defending the Roman way. But political events in Rome—Tiberius's increasingly insane debauchery, the escalating grain crisis—draw him back to the city. When Caligula becomes Emperor, Vespasian believes that things will improve. Instead, he watches the young emperor deteriorate from Rome's shining star to a blood-crazed, incestuous, all-powerful madman. Lavish building projects, endless games, public displays of his relationship with his sister, Drusilla, and a terrified senate are as nothing to Caligula's most ambitious plan: to bridge the bay of Neapolis and ride over it wearing Alexander's breastplate. And it falls to Vespasian to travel to Alexandria and steal it from Alexander's mausoleum.

**The Operative** Andrew Britton 2012-12-01 An ex-CIA agent hunts down a terrorist conspiracy in a thriller by the New York Times bestselling author who “may well give Tom Clancy a run for the money” (St. Louis Post-Dispatch). After more than a decade on the front lines of the war on terror, Ryan Kealey is finally putting danger behind him. But his calm is shattered by a merciless attack during a charity gala in downtown Baltimore. Among the dozens of casualties is the
wife of CIA Deputy Director John Harper. With normal channels of investigation obstructed, Harper turns to Kealey, the one man with the resources, expertise—and freedom from government interference—to pursue the awful truth. Following a string of secrets and violence, Kealey blazes a trail from the innermost chambers of government to the dimmest reaches of the human psyche, forced to match wits with a new nemesis aided by new allies, each with a unique agenda. Slowly, Kealey unspools an unimaginable conspiracy that suggests America may truly be its own worst enemy.

The Exile Andrew Britton 2011-01-28 For the President of the United States, the daily horror of life in West Darfur's killing fields just hit heartbreakingly close to home. His niece, Lily, has been targeted and savagely murdered by a corps of fearsome government-backed militiamen. With the situation too explosive for diplomatic or military solutions, yet with the President and the public thirsting for revenge, America is out of options. Except one: Ryan Kealey, ex-Special Forces, former CIA, and unrivaled counterterrorism expert. Kealey has been central to the war on terror for over a decade. But after the Agency hung him out to dry—and let his lover die—he turned his back. Until now. For the government has revealed its trump card, the one thing Kealey will risk everything for. Soon, from the lawless streets of Sudan to the highest levels of the American government, Kealey unearths secrets and betrayals that shock even his war-tempered sensibilities—and ignite a conflagration with unknowable global consequences. Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of Battle Hymn of the Tiger Mother). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the
latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

**The Candle Man** Alex Scarrow 2012-04-26 1912.

Locked in an eerily quiet dining room on the Titanic, a mysterious man tells a young girl his life story as the ship begins to sink. It all starts in Whitechapel, London in 1888... In the small hours of the night in a darkened Whitechapel alley, young Mary Kelly stumbles upon a man who has been seriously injured and is almost unconscious in the gutter. Mary - down on her luck and desperate to survive - steals his bag and runs off into the night. Two days later, an American gentleman wakes in a hospital bed with no memory of who he is or how he got there. He has suffered a serious head injury, and with no one to help him remember who he is he starts to wonder how he will ever find his way home. One terrible truth links these two lost souls in the dark world of Victorian London - a truth that could ruin the name of the most influential man in the land...

Back in 1912, as the Titanic begins its final shuddering descent to the bottom of the frozen, black Atlantic, one man is about to reveal the truth behind a series of murders that have hung like a dark fog over London for more than two decades...the identity of Jack the Ripper.

Vivian Miller. High-powered CIA analyst, happily married to a man she adores, mother of four beautiful children. Until the moment she makes a
shocking discovery that makes her question everything she believes. She thought she knew her husband inside and out. But now she wonders if it was all a lie. How far will she go to learn the truth? And does she really . . . . . . NEED TO KNOW? Film rights sold to Universal Pictures for Charlize Theron • Rights sold in more than 20 markets “Shaping up to be one of the year’s biggest new thrillers.”—Entertainment Weekly “So timely . . . Think of the perfect mix of Homeland and The Americans. . . . Need to Know needs to be read by all who relish spy novels. The Eagle Has Landed

Jack Higgins 1998

THE EAGLE HAS LANDED is probably the greatest World War II story ever written. Operation Eagle was to be the most daring enemy mission of the entire war. Himmler planned to kidnap Churchill on British soil in November 1943. But in that remote corner of Norfolk, an elite unit is also put together to begin the countdown to the invasion. A brilliant adventure in which the reader’s sympathies are enlisted as much for the German heroes as for the English defenders.

**TimeRiders: The Eternal War** Alex Scarrow
2013-05-21 Continuing the heart-pounding, time-bending action of the TimeRiders series, The Eternal War brings readers back to a pivotal time period in American history: the Civil War. Only this alternate history is one where a young Abraham Lincoln has somehow followed Liam into the present from 1831, and the entire course of American history has changed. If the TimeRiders can't return Lincoln to the past, the country could be trapped in a dangerous state of never-ending civil war. Can Maddy persuade two colonels on either side of no man's land to cease fire long enough to save the future?

**2033-The Century After**
Georg Woodman, Dr.MSc. & PhD 2017-10-18 What if things went differently in the 1930s and ‘40s, giving victory to Germany and Japan? In that scenario, what would the world be like a century later? This story of altered history begins in 2033, when Alois Adolf Hitler III, the grandson of Adolph Hitler, is reminiscing on the balcony of the Reichskanzlei (chancellery), on how his grandfather accomplished victory in World War II and about everything that has happened since. Read how history was rewritten and how the third generation of The Third Reich is doing. This stunning story connects history with reality and fiction, showing a possible future that could have happened. In reality: “Nazi Germany made increasingly aggressive territorial demands, threatening war if they were not met. It seized Austria and Czechoslovakia in 1938 and 1939. Hitler made a pact with Joseph
Stalin and invaded Poland in September 1939, launching World War II in Europe. “In alliance with Italy and smaller Axis powers, Germany conquered most of Europe by 1940 and threatened Great Britain.” In fiction: What changed to allow Hitler to win the war? Find out in 2033 – The Century After. “As our wheel-of-history shows, it could have spun in another direction just as easily.”

**Tier One Wild** Dalton Fury 2012-10-16 New York Times bestselling author and former Delta Force commander Dalton Fury (Black Site and Kill Bin Laden) is back with an explosive new thriller:

Former disgraced Delta Force commander Kolt "Racer" Raynor has earned his way back into The Unit after redeeming himself during an explosive operation at a black site in Pakistan. But he is about to face his deadliest challenge yet. The most wanted man in the world, American al Qaeda commander Daoud al Amriki, and his handpicked team of terrorist operatives, have acquired stores of Russian-built, shoulder-fired surface-to-air missiles (SAM's) from ex-Libyan spies in Cairo. Their mission: infiltrate the United States and take down American aircraft. The country's best are tasked with stopping them. But when a SEAL Team Six mission to take down al Amriki goes wrong, Major Raynor and his Delta Force team find themselves front and center as Amriki and his terrorists work their way closer to America. And time is running out.

Dramatic and revealing, Tier...
One Wild takes readers on an international thrill ride from the black ops nerve center of JSOC to the bloody streets of Cairo in a story only a former Delta Force commander could tell.

Plague World Alex Scarrow 2018-07-31 It happened within a week. Survival was just the start of it. It has a plan... Leon is stuck in England. Grace is on her way to New Zealand and Freya to the 'New United States' in Cuba. The virus has assimilated all of humanity except for these three communities and now it is prepared to talk with them. How they each choose to respond to the virus, will ultimately decide their fate in Plague World, the apocalyptic finale to the Remade trilogy from bestselling author of the TimeRiders series, Alex Scarrow.

Afterlight Alex Scarrow 2011 The world lies devastated after the massive oil crisis that was described in LAST LIGHT. Human society has more or less entirely broken down and millions lie dead of starvation or disease. There are only one or two beacon communities that have managed to fashion a new way of living. Jenny Sutherland runs one of these groups. Based on a series of decaying offshore oil rigs - for safety - a few hundred people have rebuilt a semblance of normality in this otherwise dead world. But as Jenny and her people explore their surroundings once again, they start to realise not every survivor has the same vision of a better future than their catastrophic past. There are people out there who would take everything they have. War is coming, and the stakes are truly massive...

On Target Mark Greaney 2010-09-28 From #1 New York Times bestselling author Mark Greaney comes the second entry in the explosive thriller series featuring the lethal assassin known as the Gray Man. When an old comrade Court
Gentry thought was dead returns to haunt him, his own life is put in the crosshairs. The man wants Court to complete a mission, with one crucial catch to his orders: Instead of a difficult assassination, the job will entail a nearly impossible kidnapping--and Court must return his quarry to the very CIA team that turned on him.

**Approaches to Learning, Testing and Researching L2 Vocabulary** Stuart Webb

2020-08-06 This volume brings together a collection of chapters focused on the learning, testing, and researching of L2 vocabulary by leading international researchers including Paul Nation, Batia Laufer, Frank Boers, Elke Peters, Ana Pellicer-Sánchez, Anna Siyanova-Chanturia, and Stuart Webb. Questions that are examined include: Is it useful to read a book to learn vocabulary? Which types of input encountered outside of the classroom contribute most to vocabulary knowledge? What are the most useful words to learn to understand the academic spoken
language in mathematics, biology, and engineering lectures? Does writing words contribute to vocabulary learning? What should a test measuring the skill of guessing from context consist of? Should loan words be included in vocabulary tests? How should we evaluate vocabulary learning that occurs through watching captioned video? How has eye-tracking been used in vocabulary research?

Together, the chapters in this volume highlight innovation in vocabulary studies and many directions for researching, testing, and learning words. Originally published as special issue of ITL – International Journal of Applied Linguistics 169:1 (2018)

Alex Scarrow 2010-06-24

The stunning new thriller from one of the fastest-growing stars of the genre. 2008: deep in the mountain forests of Wyoming, Julian Cooke stumbles across the rotting remains of a wooden wagon. He's discovered what's left of the Preston Group, a convoy of settlers that vanished in the winter of 1856. It's clear that something horrific happened here all those years ago, but Cooke can only find a few tantalising clues. 1856: as early snows descend, the eclectic group of settlers that form the Preston wagon train are forced to dig in. Miles from any kind of civilisation, they see the group of Native Americans also trapped nearby as their greatest threat. But they soon realise what true danger is. When a woman is found murdered, one of the Indian party struggles wounded back to camp,
whispering of unspeakable evil as he dies. United by fear, the settlers and the Indians must protect themselves against whatever is lurking in the woods. But as suspicion and panic grow, perhaps their own terror will be just as dangerous. Or maybe, whatever's out there is worse than anything they can imagine. Back in the present day, as Cooke unravels the mystery, he must question if the horror he is uncovering was in fact only the start of something much worse...

**Aggressor** Andy McNab 2021-01-26 Former covert operator Nick Stone seems to be living his dream in book eight of the best-selling series - not a care in the world as he steers his camper van around the surfing and parachuting paradise of Australia. But when he sees a news report of the massacre of women and children in a terrorist outrage on the other side of the world, long-suppressed memories are triggered, and Nick knows he must risk everything to repay a longstanding debt of friendship. As events unfold in the teeming streets of modern Istanbul and the bleak, medieval villages of Georgia, Nick finds himself catapulted once more into the murky, clandestine world he thought he’d left behind - a world in the grip of nameless enemies who linger in the shadows, and stalk the corridors of power...

**Sick** Brett Battles 2011 "Daniel Ash wakes after midnight to the cry of his daughter. Just a bad dream, he thinks. She's had them before. Yet he can't help but worry when she cries out again as he pads down the hallway. Stepping through her doorway, he expects to find her sitting up in bed, frightened by a nightmare. But the nightmare is his. It's real. And it's just beginning. Something is burning Ash's daughter alive. Something horrible that is spreading...
beyond the walls of their home, and taking no prisoners. Thirty seconds later, Ash will discover his daughter isn't the only one in his family infected, and as his world spins, coming apart at the seams, a team of armed men in biohazard suits bursts into his house. But these aren't the good guys. They haven't come to save Ash's family. They've come to separate them, to finish what they started."--
