**Plague Land** Alex Scarrow 2017-12-05 Leon and his younger sister, Grace, have recently moved to London from New York and are struggling to settle into their new school when rumors of an unidentified plague in Africa begin to fill the news. Within a week, the virus hits London. The siblings witness people turning to liquid before their eyes, and they run for their lives. A month after touching Earth's atmosphere, the virus has wiped out most of the population. Desperate to stay alive, Leon and Grace are reluctantly taken in by a tight-knit group of survivors. But as they struggle to win their trust, the siblings realize that the virus isn't their only enemy, and survival is just the first step...

*U.S.S. Seawolf* Patrick Robinson 2009-10-13 Armed with stolen U.S. military technology, the Chinese are producing a frightening new breed of weaponry, led by the ICBM submarine Xia III--a vessel that just might be able to launch a nuclear warhead across the Pacific Ocean and take out an American West Coast city. National Security Adviser Admiral Arnold Morgan can't let that happen, and he dispatches the most stealthy hunter-killer submarine in the U.S. fleet, the 9,000-ton ultrasecret Seawolf, deep into the dark, forbidden waters of the South China Sea. But then the unthinkable happens: Seawolf, collides with a Chinese destroyer and falls into enemy hands. A team of cunning Navy SEALs--the biggest Special Forces assault group assembled since Vietnam--is sent in to free the captive Seawolf, crew and bring them home. The American Eagle confronts the Chinese Dragon with the balance of world power on the line. Failure is not an option...

**On Target** Mark Greaney 2014-09-02 Killing is Court Gentry's business. Now, his business is about to get personal in the second Gray Man novel from #1 New York Times bestselling author Mark Greaney. Four years ago, Court Gentry was betrayed by his handlers in the CIA. To survive, he had to eliminate his own brothers in arms. Now, as a master assassin known as the Gray Man, he makes his living killing other people. But when an old comrade he thought dead returns to haunt him, his own life is put in the crosshairs. The man wants Court to complete a mission, with one crucial catch to his orders: Instead of a difficult assassination, the job will entail a near impossible kidnapping--and Court must return his quarry to the very CIA team that turned on him. With his unforgiving employers on one side, his blackmailing former friends on the other, and a doomed mission ahead, Court Gentry would kill to get out of this one alive...

**John Dies at the End** David Wong 2009-09-29 "[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." --Joe Garden, Features Editor, The Onion "[Pargin] is like a mash-up of Douglas Adams and Stephen King... 'page-turner' is an understatement." --Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story." --David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." --Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

**TimeRiders: Gates of Rome** Alex Scarrow 2012-02-02 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. **2033-The Century After** Georg Woodman, Dr.MSc. & PhD 2017-10-18 What if things went differently in the 1930s and '40s, giving victory to Germany and Japan? In that scenario, what would the world be like a century later? This story of altered history begins in 2033, when Alois Adolf Hitler III, the grandson of Adolph

Hitler, is reminiscing on the balcony of the Reichskanzlei (chancellery), on how his grandfather accomplished victory in World War II and about everything that has happened since. Read how history was rewritten and how the third generation of The Third Reich is doing. This stunning story connects history with reality and fiction, showing a possible future that could have happened. In reality: "Nazi Germany made increasingly aggressive territorial demands, threatening war if they were not met. It seized Austria and Czechoslovakia in 1938 and 1939. Hitler made a pact with Joseph Stalin and invaded Poland in September 1939, launching World War II in Europe. "In alliance with Italy and smaller Axis powers, Germany conquered most of Europe by 1940 and threatened Great Britain." In fiction: What changed to allow Hitler to win the war? Find out in 2033 - The Century After. "As our wheel-of-history shows, it could have spun in another direction just as easily."

**TimeRiders: The Pirate Kings** Alex Scarrow 2013-02-07 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. **A Thousand Suns** Alex Scarrow 2021-06-14 It's early April of 1945 and the dog-days of World War II. The Nazi regime is being slowly throttled by the oncoming Russian and Allied armies and Hitler rages uselessly in his Berlin bunker. But the high command have one more throw of the dice to make. An audacious plan is hatched to save the Fatherland and beat off the oncoming apocalypse. All it will take is a hodge-podge squadron of escort fighters, a captured U. S. bomber, and one suicidally brave pilot to fly it over the Atlantic into the beating heart of America. Half a century later, a rusting plane is discovered, sunk with its crew, off the coast of New York a relic from a bygone age. Chris Roland, a brilliant young photographer, is sent to take photos of this time capsule. But it is only when he discovers that the fragments of Nazi uniforms on the decaying corpses that he realizes that he has come across a secret so terrible that even 50 years later it could still kill him

*Afterlight* Alex Scarrow 2011 The world lies devastated after the massive oil crisis that was described in LAST LIGHT. Human society has more or less entirely broken down and millions lie dead of starvation or disease. There are only one or two beacon communities that have managed to fashion a new way of living. Jenny Sutherland runs one of these groups. Based on a series of decaying offshore oil rigs - for safety - a few hundred people have rebuilt a semblance of normality in this otherwise dead world. But as Jenny and her people explore their surroundings once again, they start to realise not every survivor has the same vision of a better future than their catastrophic past. There are people out there who would take everything they have. War is coming, and the stakes are truly massive...

**The Names of the Dead** Stewart O'Nan 1996 After his wife leaves him, Larry Markham tries to win her back while confronting several other difficult personal problems, a situation that becomes complicated when he is stalked by an assassin. 25,000 first printing. \$25,000 ad/promo. Tour.

**Last Light** Alex Scarrow 2010-06-24 SOON TO BE A MAJOR TV SERIES A terrifying apocalyptic thriller from the one of the brightest stars of the genre... 'Chillingly plausible' DAILY TELEGRAPH It seems to be a very normal Monday morning. But in the space of only a few days, the world's oil supplies have been severed and at a horrifying pace things begin to unravel everywhere. And this is no natural disaster: someone is behind this. Jenny is stuck in Manchester, fighting desperately against the rising chaos to get back to London, where her children are marooned as events begin to spiral out of control: riots, raging fires, looting, rape and murder. In the space of a week, London is transformed into a lawless and anarchic vision of hell. Jenny's estranged husband, oil engineer Andy Sutherland, is stranded in Iraq with a company of British soldiers, desperate to find a way home to his family, trapped as transport links and the very infrastructure of daily life begin to collapse around him. And against all this, a mysterious man is tracking Andy's family. He'll silence anyone who might be able to reveal the identities of those behind this global disaster. It seems that the same people who now have a stranglehold on the future of civilisation have flexed their muscles before, at other significant tipping points in history, and they are prepared to do anything to keep their secret - and their power - safe.

*The Clouds Beneath the Sun* Mackenzie Ford 2012-03-06 Kenya, 1961. When Natalie Nelson's plane lands at a remote airstrip in the Serengeti, she knows she's run just about as far as she can from home. Trained as an archeologist, she accepted an invitation to join a famous excavating team in order to escape England and the painful memories of her past. But before she can get her bearings, the dig is surrounded by controversy involving the local Maasai people, and Natalie is swept up in a passionate affair that threatens to spark even more violence and turmoil. The startling beauty of Africa, the tension of looming social upheaval, and the dizzying highs of a doomed love affair are all captured brilliantly in this extraordinary and utterly unforgettable novel.

**Cauldron** Larry Bond 1994 The author of Red Phoenix and Vortex outdoes himself--with an epic adventure straight out of tomorrow's headlines. **Approaches to Learning, Testing and Researching L2 Vocabulary** Stuart Webb 2020-08-06 This volume brings together a collection of chapters focused on the learning, testing, and researching of L2 vocabulary by leading international researchers including Paul Nation, Batia Laufer, Frank Boers, Elke Peters, Ana Pellicer-Sánchez, Anna Siyanova-Chanturia, and Stuart Webb. Questions that are examined include: Is it useful to read a book to learn vocabulary? Which types of input encountered outside of the classroom contribute most to vocabulary knowledge? What are the most useful words to learn to understand the academic spoken language in mathematics, biology, and engineering lectures? Does writing words contribute to vocabulary learning? What should a test measuring the skill of guessing from context consist of? Should loan words be included in vocabulary tests? How should we evaluate vocabulary learning that occurs through watching captioned video? How has eye-tracking been used in vocabulary research? Together, the chapters in this volume highlight innovation in vocabulary studies and many directions for researching, testing, and learning words. **The Candle Man** Alex Scarrow 2012-04-26 1912. Locked in an eerily quiet dining room on the Titanic, a mysterious man tells a young girl his life story as the ship begins to sink. It all starts in Whitechapel, London in 1888... In the small hours of the night in a darkened Whitechapel alley, young Mary Kelly stumbles upon a man who has been seriously injured and is almost unconscious in the gutter. Mary - down on her luck and desperate to survive - steals his bag and runs off into the night. Two days later, an American gentleman wakes in a hospital bed with no memory of who he is or how he got there. He has suffered a serious head injury, and with no one to help him remember who he is he starts to wonder how he will ever find his way home. One terrible truth links these two lost souls in the dark world of Victorian London - a truth that could ruin the name of the most influential man in the land... Back in 1912, as the Titanic begins its final shuddering descent to the bottom of the frozen, black Atlantic, one man is about to reveal the truth behind a series of murders that have hung like a dark fog over London for more than two decades...the identity of Jack the Ripper.

**The Berlin Conspiracy** Tom Gabbay 2010-10-05 Jack Teller is through with the CIA—until the Berlin station is contacted by a Colonel in the East German Stasi just days before President John F. Kennedy's scheduled visit to the Wall. The Stasi officer has an important message—and he will speak to no one but Jack. The informant claims a treacherous plot is brewing to assassinate the American president in Germany—a conspiracy originating at the highest levels of the U.S. government. Only Jack Teller believes the threat is real, and it has left him alienated and alone in a divided city that holds too many dark secrets. And if he forgets the two essential truths of the espionage game—that lies are currency and nothing is what it seems—he won't live to prevent a global catastrophe.

**The Lisbon Crossing** Tom Gabbay 2009-10-13 Summer 1940. With Europe in the iron grip of Hitler's war machine, stuntman Jack Teller arrives in neutral Lisbon on the arm of international screen legend Lili Sterne. The German-born actress has given Jack the job of finding her childhood friend, Eva Lange, who escaped Berlin one step ahead of the Nazi terror. But he's not the first to come looking for Eva. The man who preceded him—top Hollywood detective Eddie Grimes—ended up dead . . . on the night he found Eva. Following leads that take him from the glittering nightclubs of the Estoril coast—where he rubs elbows with the likes of Edward, Duke of Windsor, and his scheming wife, Wallis Simpson—into Lisbon's dank and seedy backstreets, Jack searches for answers among the deceptions and lies of the dangerous city. A shattering discovery along the way takes him to the perilous boulevards of occupied Paris and propels him into the heart of a nightmare, where his actions could change the course of the war.

**A Cowboy to Remember** Rebekah Weatherspoon 2020-02-25 An Oprah Magazine Best Romance Novel of 2020 In this brand-new series from award-winning author Rebekah Weatherspoon, a charming cowboy and his sleeping beauty find their modern-day happily ever after . . . With a headline spot on a hit morning show and truly mouth-watering culinary skills, chef Evie Buchanan is perched on the edge of stardom. But at an industry party, a fall lands Evie in the hospital—with no memory of who she is. Scrambling to help, Evie's assistant contacts the only “family” Evie has left, close friends who run the luxury dude ranch in California where Evie grew up. Evie has no recollection of them—until former rodeo champion Zach Pleasant walks into her hospital room, and she realizes his handsome face has been haunting her dreams . . . Zach hasn't seen Evie in years—not since their families conducted a campaign to make sure their childhood friendship never turned into anything more. When the young cowboy refused to admit the feelings between them were real, Evie left California, making it clear she never wanted to see Zach again. Now he refuses to make the same mistake twice. Starting fresh is a risk when they have a history she can't recall, but Zach can't bear to let go of her now. Can he awaken the sleeping beauty inside her who might still love him?

**Fatherland** Robert Harris 1993 Twenty years after Germany's victory in World War II, while the entire country prepares for the U.S. president's visit, Berlin Detective Xavier March attempts to solve the murder of a high-ranking Nazi commander. Reprint.

**TimeRiders** Alex Scarrow 2010-08-05 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2029. But all three have been given a second chance - to work for an agency that no-one knows exists. Its purpose - to prevent time travel destroying history . . . When Maddy mistakenly opens a time window where and when she shouldn't have,

Liam is marooned sixty-five million years ago in the hunting ground of a deadly - and until now - undiscovered species of predator. Can Liam make contact with Maddy and Sal before he's torn to pieces by dinosaurs - and without endangering history so much that the world is overtaken by a terrifying new reality? *Plague World* Alex Scarrow 2018-07-26 It has a plan . . . Leon is stuck in England. Grace is on her way to New Zealand and Freya to the 'New United States' in Cuba. The virus has assimilated all of humanity except for these three communities and now it is prepared to talk with them. How they each choose to respond to the virus, will ultimately decide their fate in *Plague World*, the apocalyptic finale to the Remade trilogy from bestselling author of the TimeRiders series, Alex Scarrow.

**TimeRiders: The Eternal War** Alex Scarrow 2013-05-21 Continuing the heart-pounding, time-bending action of the TimeRiders series, *The Eternal War* brings readers back to a pivotal time period in American history: the Civil War. Only this alternate history is one where a young Abraham Lincoln has somehow followed Liam into the present from 1831, and the entire course of American history has changed. If the TimeRiders can't return Lincoln to the past, the country could be trapped in a dangerous state of never-ending civil war. Can Maddy persuade two colonels on either side of no man's land to cease fire long enough to save the future?

**Plague Land: Reborn** Alex Scarrow 2018-09-04 THEY THOUGHT IT WAS DEAD. THEY WERE WRONG. Two years ago, a virus hit London, killing thousands of people and driving the rest into hiding. But Leon has somehow survived, making it through two harsh winters. Now he's living on the fragile hope that the freezing snow and ice of the English climate wiped out the virus for good. Word even reaches Leon of a rescue boat on its way. But all is not as safe as it seems. The virus has been busy... Praise for *Plague Land*: "Will immediately engross and terrify readers." —VOYA "A thrilling family survival story, a clinical study of a fictional pathogen, body horror, and an action-packed dystopian narrative." —Booklist "Terror, anxiety, and anticipation will flow rapidly through the veins of readers as they piece together clues...in this fast-paced horror." —The Bulletin of the Center for Children's Books "A high-impact horrific thriller that will keep readers on the edge of their seat and begging for the next installment." —School Library Journal

**October Skies** Alex Scarrow 2010-06-24 The stunning new thriller from one of the fastest-growing stars of the genre. 2008: deep in the mountain forests of Wyoming, Julian Cooke stumbles across the rotting remains of a wooden wagon. He's discovered what's left of the Preston Group, a convoy of settlers that vanished in the winter of 1856. It's clear that something horrific happened here all those years ago, but Cooke can only find a few tantalising clues. 1856: as early snows descend, the eclectic group of settlers that form the Preston wagon train are forced to dig in. Miles from any kind of civilisation, they see the group of Native Americans also trapped nearby as their greatest threat. But they soon realise what true danger is. When a woman is found murdered, one of the Indian party struggles wounded back to camp, whispering of unspeakable evil as he dies. United by fear, the settlers and the Indians must protect themselves against whatever is lurking in the woods. But as suspicion and panic grow, perhaps their own terror will be just as dangerous. Or maybe, whatever's out there is worse than anything they can imagine. Back in the present day, as Cooke unravels the mystery, he must question if the horror he is uncovering was in fact only the start of something much worse...

**Crash Dive** John McKinna 1999 Hired to retrieve the bodies from a fatal helicopter crash in the Gulf of Mexico, deep-sea salvage expert Ben Gannon becomes enmeshed in a deadly conspiracy when he realizes that the victims of the "accident" include a senator who espoused American oil independence. Original.

**The Eagle Has Landed** Jack Higgins 1998 THE EAGLE HAS LANDED is probably the greatest World War II story ever written. Operation Eagle was to be the most daring enemy mission of the entire war. Himmler planned to kidnap Churchill on British soil in November 1943. But in that remote corner of Norfolk, an elite unit is also put together to begin the countdown to the invasion. A brilliant adventure in which the reader's sympathies are enlisted as much for the German heroes as for the English defenders.

**City of Shadows** Alex Scarrow 2012 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. But all three have been given a second chance - to work for an agency that no one knows exists. Its purpose: to prevent time travel destroying history . . . Hunted by cyborg assassins from the future, the TimeRiders must abandon New York and go on the run. They escape to Victorian London and the streets where Jack the Ripper roams. But, before they can establish their new base, they make their most shattering discovery yet - and it will change everything . . . \*\* Book six in the bestselling TimeRiders series by Alex Scarrow. \*\* Victorian London's Jack the Ripper get a time-travel makeover! \*\* Perfect for fans of Doctor Who and Sherlock Holmes. \*\* TimeRiders (Book 1) won the Red House Book Award older readers category, and was Penguin UK's first ever number one on the iBookstore. \*\* www.time-riders.co.uk

**TimeRiders** Alex Scarrow 2010-08-31 Maddy should have died in a plane crash. Liam should have died at sea when the Titanic sank. Sal should have died in a tragic fire. But a mysterious man whisked them away to safety. Maddy, Liam, and Sal quickly learn that time travel is no longer just a hope for the future; it is a dangerous reality. And they weren't just rescued from their terrible fates. . . they were recruited for the agency of TimeRiders created to protect the world from those seeking to alter the course of history for personal gain. By reliving the highly documented events in New York City on 9/11, they can closely monitor history for any deviations-large or small. When just such a change is detected, they are alerted that a threat is at hand unleashing the evil of the Nazis to wreak havoc with Earth's present and future. Can Maddy, Liam, and Sal fulfill their destinies as keepers of time to save the world from utter destruction? An exhilarating adventure that shifts readers back in time to Nazi Germany and then forward into an ever-changing present. Look out for the other books in this series: *Day of the Predator* and *The Doomsday Code!*
