The Bose Acoustimass 5 Series III Speaker System

Web2. Selecting the locations for your Acoustimass® system components 1. You can place the Acoustimass module almost anywhere in your listening room, in either a vertical or horizontal position (Figure 2). It can be hidden under a bed or table or even behind a sofa, as long as you remember not to block the round opening in the end of the unit.

Bose® - Acoustimass® 6 Series V Home Theater Speaker System - Black

WebThe Acoustimass 10 has 2 speakers per cube. I heard (rumor) that the Acoustimass 6 sounds better listening to music. If you are going to use it for mostly listening to music, buy the A6. If mostly for TV/Movies (and the room is HUGE), buy the A10. My A6 fills a 20 X 16 room with TV/Movie sound easily, and I am not using my two rear speakers.
