The Science of Summit

That leaves us but one question: What do we do about it? Fifteen years ago, we founded Summit Public Schools to be a place where all means all — a place intentionally designed to serve and embrace every individual child in a richly diverse community. We did so with an awareness of the forces pulling against our mission: poverty,

Ingresso libero

Although paper is soft, his paper works are challenging, social and

poetic. He succeeded in dematerializing paper by shaking people's perceptions of materials and challenging the values of paper. In the digital information society where material, immaterial, concept, technology, and knowledge are widely open and delicately intertwined as
