We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!
Use Your Personal Learning Style provides techniques that identify and apply the medical student's personal learning style. Building specific study skills so that understanding, analysis, synthesis, and recall of information occur in a time-efficient manner. This volume in the Oklahoma Notes Series is written for talented medical students who have excellent scholars in undergraduate school but find themselves overwhelmed with the information explosion and time constraints of medical school.

Official SAT Study Guide 2021 Edition The College Board 2021 has already taught students critical thinking skills and the question type needed for SAT success - with eight total practice tests. The Official SAT Study Guide includes eight official SAT(R) practice tests - all of them created by the test maker. All practice tests are available on the College Board's website, but The Official SAT Study Guide is the only place to find them in print along with over 250 pages of additional instruction, guidance, and tips. With strategies and practice problems that reflect the most recent information, this edition takes the best-selling SAT guide and makes it even more relevant and useful. Be ready for the SAT with strategies that feature information straight from the exam writers. The Official SAT Study Guide will help students get ready for the SAT with: - 8 official SAT practice tests, written in the exact same process and by the same team of authors as the actual exam - detailed discussions of math and reading and writing sections - targeted practice questions for each SAT question type - seamless integration with Official SAT Practice on Khan Academy. Note: The optional SAT Essay is included in the SAT practice tests.
