Moral Discernment Richard M. Gula 1997 "What should I do? How do I know that I am doing right?" In the midst of so many changes in church, society, and culture, many of us are bewildered about what's right and about how to discover what we ought to do. This useful and timely book will help adults who are trying to be critical about their faith and moral living to interpret how conscience works in making moral decisions. First off, Gula shows that conscience is not a law unto itself, but must be formed in community by appealing to sources of moral wisdom. Then he gives a fuller treatment of moral discernment, pointing up three spheres of influence on the process of discernment -- social, situational, and personal. The final section moves from the theoretical model of discernment to the practical application of providing moral guidance in the pastoral domain. Each chapter begins and ends with some guide questions to focus reflection and to stimulate discussion.

State of War Ninotchka Rosca 2013-12 An endless festival amidst an endless war is the central image of this novel of the Philippines of the time of Marcos. Three young people seek relief from the suffocating repression and brutality of the Dictatorship by joining an ancient festival in the island of K----. They find instead that the war has followed them and that the festival is but a metaphor for an entire society and culture in conflict. The three find distinct destinies of death, liberation, affirmation and ultimately, salvation. This book is now considered a classic of Philippine literature.

Serving in Silence Margarethe Cammermeyer 2016-09-09 In 1989, during a routine interview for top-secret security clearance, U.S. Army Colonel Margarethe Cammermeyer revealed that she was a lesbian-and began an ordeal that, despite her distinguished twenty-six-year military career, resulted in her discharge from the U.S. Army. Her dismissal garnered intense media coverage. stirred debate all the way to the presidency, and ignited her activism that continues today. In this revealing autobiography, Cammermeyer writes of her decision to challenge the official policy on homosexuals in the military and of her victory in Federal District Court and beyond. But much more than a book about laws and politics, *Serving in Silence* is about coming of age, being a mother, and finding one's center; about "coming out," about the daily horrors of nursing in Vietnam, and about a female soldier's brave life. THE BOOK THAT INSPIRED THE TELEVISION MOVIE Though Dr. Cammermeyer's twenty-six year career as an Army nurse was interrupted by her discharge, she continued to care for veterans at a VA hospital until her retirement. To the Rescue Heidi S. Swinton 2010-01-01 This is a fun and interesting book to read. Mrs. Swinton covered the typical events in a biography, from Thomas S. Monson's ancestry through his childhood and then into his life as

a general authority. However, the life she followed is so remarkable that the book was hard to put down. It is filled with uncountable stories, some short, some lengthy, that give the reader faith and hope. A choice line reveals that immediately after Thomas S. Monson's call to the apostleship, he went home and mowed the lawn. A majestic chapter deals with Elder Monson's years of service with the East Germans. A progressive thread is the passing of senior apostles, interlaced with the fact that Tom Monson was seventeen years younger than the next junior apostle, Gordon B. Hinckley. Many details in the book reveal that Thomas S. Monson was a humble man, led by the Lord to perform acts of greatness, and yet his favorite breakfast is Wheaties. Elder Monson served in the highest councils of the LDS Church for thirty-six years, gaining tremendous experience and perspective, before being sustained as president.

El Filibusterismo José Rizal 1968 José Rizal has a good claim to being the first Asian nationalist. An extremely talented Malay born a hundred years ago in a small town near Manila, educated partly in the Philippines and partly in Europe, Rizal inspired the Filipinos by his writing and example to make the first nationalist revolution in Asia in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, *The Lost Eden* (*Noli Me Tangere*) and *The Subversive* (*El Filibusterismo*) as the gospel of their nationalism. *The Subversive*, first published in 1891, is

strikingly timely today. New nations emerging in Africa and Asia are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish rulers in Rizal's day. *The Subversive* poses questions about colonialism which are still being asked today: does a "civilizing mission" justify subjection of a people? Should a colony aim at assimilation or independence? If independence, should it be by peaceful evolution or force of arms? Despite the seriousness of its theme, however, *The Subversive* is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Guerrero, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of *The Lost Eden* is also available in the Norton Library.

Umrao Jan Ada Mirza Muhammad Hadi Ruswa 2018-12-03

Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.
