To The Rescue Heidi S. Swinton 2010-01-01 This is a funny and interesting book to read. Mrs. Swinton covered the typical events in a biography, from Thomas S. Monson’s ancestry through his childhood and then into his life as a general authority. However, she lived so similarly that the book was hard to put down. It is filled with autobiographical stories, some short, some lengthy, that mirror the reader’s path and hope. A choice line reveals itself after Thomas S. Monson’s call to the apostleship, he went home and mowed the lawn. A majestic chapter deals with Elder Monson’s years of service with the East Germans. A progressive thread is the passing of senior apostles, interfaced with the fact that Tom Monson was seventeen years younger than the next junior apostle, Gordon B. Hinckley. Many details in the book reveal that Thomas S. Monson was a humble man, led by the Lord to perform acts of greatness, and yet his favorite breakfast is Wheaties. Elder Monson served in the highest councils of the LDS Church for thirty-six years, gaining tremendous experience and perspective, before being sustained as president.

El Filibusterismo Jose Rizal 1968 Jose Rizal has a good claim to being the first Asian nationalist. An extremely talented Malay born a hundred years ago in the Philippines, Rizal was one of the first students to be educated in the country in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, The Lost Eden (Noli Me Tangere) and El Filibusterismo) as the gospel of their nationalism. The Subversive, first published in 1891, is strikingly timely today. New nations emerging in Asia and Africa are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish rulers in Rizal’s day. The Subversive poses questions of colonialism which are still being asked today: does a “civilizing mission” justify subjection of a people? Colony aim at assimilation or independence? If should it be by peaceful evolution or force of arms? Despite the serendipity of its theme however, The Subversive is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Gaerreiro, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of The Lost Eden is also available in the Norton Library.
