*State of War* Ninotchka Rosca 2013-12 An endless festival amidst an endless war is the central image of this novel of the Philippines of the time of Marcos. Three young people seek relief from the suffocating repression and brutality of the Dictatorship by joining an ancient festival in the island of K----. They find instead that the war has followed them and that the festival is but a metaphor for an entire society and culture in conflict. The three find distinct destinies of death, liberation, affirmation and ultimately, salvation. This book is now considered a classic of Philippine literature.

*Moral Discernment* Richard M. Gula 1997 "What should I do? How do I know that I am doing right?" In the midst of so many changes in church, society, and culture, many of us are bewildered about what's right and about how to discover what we ought to do. This useful and timely book will help adults who are trying to be critical about their faith and moral living to interpret how conscience works in making moral decisions.First off, Gula shows that conscience is not a law unto itself, but must be formed in community by appealing to sources of moral wisdom. Then he gives a fuller treatment of moral discernment, pointing up three spheres of influence on the process of discernment -- social, situational, and personal. The final section moves from the theoretical model of discernment to the practical application of providing moral guidance in the pastoral domain. Each chapter begins and ends with some guide questions to focus reflection and to stimulate discussion.

*Love Potion and Other Stories* Alvin B. Yapan 2021

*Philippine Studies* 2007

*Hagkus* Paz Verdades M. Santos 2003

Published by Anvil Publishing, Inc., it was the Carlos Palanca Memorial Awards for Literature grand prize winner for the category Novel in Filipino in 2011.

*Boracay* Karen Berthelsen Cardenas 2008

*The Wentworth Letter* Joseph Joseph Smith 2017-03-25 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About The Wentworth Letter by Joseph Smith The "Wentworth letter" was a letter written in 1842 by Latter Day Saint movement founder Joseph Smith to "Long" John Wentworth, editor and proprietor of the Chicago Democrat. It outlined the history of the Latter Day Saint movement up to that time, and included Mormonism's Articles of Faith. The letter was written in response to Wentworth's inquiry on behalf of one of his friends, George Barstow, who was writing a history of New Hampshire. The letter was first published on March 1, 1842 in the Times and Seasons in Nauvoo, Illinois.

*Anecdotes of the Cynics* 2016-03-03 'It's you who are the dogs...' What makes us happy? For over 800 years the Cynic philosophers of ancient Greece and Rome argued that the answer lay in a simple, self-sufficient life. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

*To the Rescue* Heidi S. Swinton 2010-01-01 This is a fun and interesting book to read. Mrs. Swinton covered the typical events in a biography, from Thomas S. Monson's ancestry through his childhood and then into his life as a general authority. However, the life she followed is so remarkable that the book was hard to put down. It is filled with uncountable stories, some short, some lengthy, that give the reader faith and hope. A choice line reveals that immediately after Thomas S. Monson's call to the apostleship, he went home and mowed the lawn. A majestic chapter deals with Elder Monson's years of service with the East Germans. A progressive thread is the passing of senior apostles, interlaced with the fact that Tom Monson was seventeen years younger than the next junior apostle, Gordon B. Hinckley. Many details in the book reveal that Thomas S. Monson was a humble man, led by the Lord to perform acts of greatness, and yet his favorite breakfast is Wheaties. Elder Monson served in the highest councils of the LDS Church for thirty-six years, gaining tremendous experience and perspective, before being sustained as president.

*The Quiet Ones* 2014

*Teachings of Presidents of the Church: Howard W. Hunter* The Church of Jesus Christ of Latter-day Saints 2016-01-01 The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. These books are designed to be used for personal study and for Sunday instruction. They can also help you prepare family home evening lessons, prepare other lessons or talks, and answer questions about Church doctrine. This book features the teachings of President Howard W. Hunter, who served as President of The Church of Jesus Christ of Latter-day Saints from June 5, 1994, to March 3, 1995.

*Principles of Anatomy and Physiology, 15e WileyPLUS Blackboard Student Package* Gerard J. Tortora 2017-03-22

*Serving in Silence* Margarethe Cammermeyer 2016-09-09 In 1989, during a routine interview for top-secret security clearance, U.S. Army Colonel Margarethe Cammermeyer revealed that she was a lesbian-and began an ordeal that, despite her distinguished twenty-six-year military career, resulted in her discharge from the U.S. Army. Her dismissal garnered intense media coverage. stirred debate all the way to the presidency, and ignited her activism that continues today. In this revealing autobiography, Cammermeyer writes of her decision to challenge the official policy on homosexuals in the military and of her victory in Federal District Court and beyond. But much more than a book about laws and politics, *Serving in Silence* is about coming of age, being a mother, and finding one's center; about "coming out," about the daily horrors of nursing in Vietnam, and about a female soldier's brave life.THE BOOK THAT INSPIRED THE TELEVISION MOVIEThough Dr. Cammermeyer's twenty-six year career as an Army nurse was interrupted by her discharge, she continued to care for veterans at a VA hospital until her retirement. She lives on Whidbey Island, WA with her spouse Diane Divelbess and continues to speak out on civil right issues.VIETNAM VETERANRECIPIENT OF THE BRONZE STARMOTHER OF FOURVA NURSE OF THE YEARDISCHARGED

*Revisiting Usog, Pasma, Kulam* Michael L. Tan 2008 The author explains the social and cultural contexts of usig, pasma, kulam, and other folk illnesses in the Philippines.

*Kangkong 1896* Ceres S. C. Alabado 1997

*The Jupiter Effect* Katrina Tuvera 2006

*El Filibusterismo* José Rizal 1968 José Rizal has a good claim to being the first Asian nationalist. An extremely talented Malay born a hundred years ago in a small town near Manila, educated partly in the Philippines and partly in Europe, Rizal inspired the Filipinos by his writing and example to make the first nationalist revolution in Asia in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, *The Lost Eden* (Noli Me Tangere) and *The Subversive* (El Filibusterismo) as the gospel of their nationalism.The *Subversive*, first published in 1891, is strikingly timely today. New nations emerging in Africa and Asia are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish rulers in Rizal's day. The *Subversive* poses questions about colonialism which are still being asked today: does a "civilizing mission" justify subjection of a people? Should a colony aim at assimilation or independence? If independence, should it be by peaceful evolution or force of arms?Despite the seriousness of its theme, however, *The Subversive* is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Guerrero, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of *The Lost Eden* is also available in the Norton Library.

*The Academic Sermons (The Fathers of the Church, Mediaeval Continuation, Volume 11)* Saint Thomas (Aquinas) 2010 No description available

*The New Bible Cure for Heart Disease* Don Colbert 2011-11-07 In this concise, easy-to-understand book you'll discover the information you need to keep your heart healthy.

*Dentists* Mary Meinking 2020-08 Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

*Parentology* Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom.bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and

happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

**Six Modern Filipino Heroes** 1993
