Period 8 Chris Crutcher
2013-03-26 In this terrifying and provocative novel by the bestselling and award-winning author of Deadline and Staying Fat for Sarah Byrnes, a teenage boy tries to uncover what happened to a girl who has vanished from his high school. Was she abducted, or did she run for her life? Paul "The Bomb" Baum tells the truth. No matter what. It was something he learned at Sunday school. But telling the truth can cause problems, and not just minor ones. And as Paulie discovers, finding the truth can be even more problematic. Period 8 is supposed to be that one period in high school where the truth can shine, a safe haven. Only what Paulie and Hannah (his ex-girlfriend, unfortunately) and his other classmates don't know is that the ultimate liar is in their midst. Terrifying, thought-provoking, and original, this novel combines all the qualities of a great psychological thriller with the controversy, ethics, athletics, humor, and raw emotion of a classic Crutcher story.

Motel of the Mysteries David Macaulay 1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of then on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

**Whale Talk** Chris Crutcher 2009-09-22 “A truly exceptional book.”—Washington Post

There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway. Bestselling author Chris Crutcher’s controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in Whale Talk. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide.”—Washington Post

T.J. Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he’s had enough. He recruits
some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly

But they are drawn together in the struggle to overcome the obstacles that life in Harlem throws at them. The two friends must face down bullies, an abusive uncle, and the idea that they'll be stuck in the same place forever. Maria Russo, writing in the New York Times, included Darius & Twig on her list of "great kids' books with diverse characters." She commented: "The late Myers, one of the greats and a champion of diversity in children’s books well before the cause got mainstream attention, is at his elegant, heartfelt best in this 2013 novel. **The Natural** Bernard Malamud 2003-07-07 Introduction by Kevin Baker The Natural, Bernard Malamud's first novel, published in 1952, is also the first—and some would say still the best—novel ever written about baseball. In it Malamud, usually appreciated for his unerrring portrayals of postwar Jewish life, took on very different material—the story of a superbly gifted "natural" at play in the fields of the old daylight baseball era—and invested it with the hardscrabble poetry, at once grand and altogether believable, that runs through all his best work. Four decades later, Alfred Kazin's comment still holds true: "Malamud has done something which—now that he has done it!—looks as if we have been waiting for it all our lives. He has really raised the whole passion and craziness and fanaticism of baseball as a popular spectacle to its ordained place in mythology."

**Losers Bracket** Chris Crutcher 2018-04-03 When a family argument turns into an urgent hunt for a missing child, seventeen-year-old Annie Boots must do everything in her power to bring her nephew home safely. Chris Crutcher, the acclaimed and bestselling author of Staying Fat for Sarah Byrnes, shares a provocative story about family, loss, and loyalty that is perfect for fans of Jason Reynolds and Laurie Halse Anderson. The Bulletin of the Center for Children's Books called Losers Bracket “Genuine and affecting.” When it comes to family, Annie is in the losers bracket. While her foster parents are great (mostly), her birth family would not have been her first pick. And no matter how many times Annie tries to write them out of her life, she always gets sucked back into their drama. Love is like that. But when a family argument breaks out at Annie’s swim meet and her nephew goes missing, Annie might be the only one who can get him back. With help from her
friends, her foster brother, and her social service worker, Annie puts the pieces of the puzzle together, determined to find her nephew and finally get him into a safe home. Award-winning author Chris Crutcher’s books are strikingly authentic and unflinchingly honest. Losers Bracket is by turns gripping, heartbreaking, hopeful, and devastating, and hits the sweet spot for fans of Andrew Smith and Marieke Nijkamp.

Hinton, now available as an eBook for the first time. With an absent mother and a domineering step-father, Travis uses his tough-guy exterior to hide his true passion: writing. After a violent confrontation with his step-father, Travis is sent to live on his uncle’s horse ranch - exile to a born-and-bred city kid. Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the un-tamable horse in her stable: the Star Runner. When a friend from the city visits with stories of other kids from the neighborhood facing jail time, Travis is more determined than ever that he needs to escape the life of juvenile delinquency he seems destined for. When the offer of a book deal comes through, Travis is hopeful that this is his chance to escape, if only his step-father will stop standing in the way of his dreams. From the author of THE OUTSIDERS, S.E. Hinton once again writes about what it feels like to be unaccepted, and the power in being true to yourself. “Hinton continues to grow more reflective in her books, but her great understanding, not of what teenagers are but of what they can hope to be, is undiminished.”—Kirkus Reviews An ALA Best Books for Young Adults An ALA Quick Pick

**Read Between the Lines** Jo Knowles 2015-03-10 Does anyone ever see us for who we really are? Jo Knowles’s revelatory novel of interlocking stories peers behind the scrim as it follows nine teens and one teacher through a seemingly ordinary day. Thanks to a bully in gym class, unpopular Nate suffers a broken finger—the middle one, splinted to flip off the world. It won’t be the last time a middle finger is raised on this day. Dreamer Claire envisions herself sitting in an artsy café, filling a journal, but fate has other plans. One cheerleader dates a closeted basketball star; another questions just how, as a “big girl,” she fits in. A group of boys scam drivers for beer money without remorse—or so it seems. Over the course of a single day, these voices and others speak loud and clear about the complex dance that is life in a small town. They resonate in a gritty and unflinching portrayal of a day like any other, with ordinary traumas, heartbreak, and revenge. But on any given day, the line where presentation and perception meet is a tenuous one, so hard to discern. Unless, of course, one looks a little closer—and reads between the lines.

**King of the Mild Frontier** Chris Crutcher 2009-09-22

ALA Best Fiction for Young Adults * New York Public Library Books for the Teen Age A riveting, scorching—and hilarious—autobiography by the award-winning author of Staying Fat for Sarah Byrnes and Deadline. From trying to impress a member of the girls’ softball team (with disastrous dental results) to enduring the humiliation of his high school athletic club initiation (olives and oysters play unforgettable roles), Chris Crutcher’s memoir of the tricky road to adulthood is candid, disarming, laugh-out-loud funny, relevant, and never less than riveting. He vividly describes a temper that was always waiting to trip him up even as it sustained him through some of the most memorable mishaps any child has survived. And how did this guy (he lifted his brother’s homework through the entire tenth grade) ever become a writer, not to mention the author of fourteen critically acclaimed books for young people? The frontier may be mild, but the book is not. Fans of Tara Westover’s Educated, Jack Gantos’s Hole in My Life, and Walter Dean Myers’s Bad Boy will laugh, will cry, and will remember. “Funny, bittersweet and brutally honest. Readers will clasp this hard-to-put-down book to their hearts even as they laugh.
sympathetically.”—Publishers Weekly (starred review)
