The two friends must face down bullies, an abusive uncle, and the idea that they'll be stuck in the same place forever. Maria Russo, writing in the New York Times, included Darius & Twig on her list of "great kids' books with diverse characters." Losers Bracket Chris Crutcher
2018-04-03 When a family argument turns into an urgent hunt for a missing child, seventeen-year-old Annie Boots must do everything in her power to bring her nephew home safely. Chris Crutcher, the acclaimed and bestselling author of *Staying Fat for Sarah Byrnes*, shares a provocative story about family, loss, and loyalty that is perfect for fans of Jason Reynolds and Laurie Halse Anderson. The Bulletin of the Center for Children's Books called *Losers Bracket* "Genuine and affecting." When it comes to family, Annie is in the losers bracket. While her foster parents are great (mostly), her birth family would not have been her first pick. And no matter how many times Annie

tries to write them out of her life, she always gets sucked back into their drama. Love is like that. But when a family argument breaks out at Annie's swim meet and her nephew goes missing, Annie might be the only one who can get him back. With help from her friends, her foster brother, and her social service worker, Annie puts the pieces of the puzzle together, determined to find her nephew and finally get him into a safe home. Award-winning author Chris Crutcher's books are strikingly authentic and unflinchingly honest. *Losers Bracket* is by turns gripping, heartbreaking, hopeful, and devastating, and hits the sweet spot for fans of Andrew Smith and Marieke Nijkamp.

Next, he decides to become the best 127-pound football player Trout High has ever seen; to give his close-minded civics teacher a daily migraine; and to help the local drunk clean up his act. And then there's Dallas Suzuki. Amazingly perfect, fascinating Dallas Suzuki, who may or may not give Ben the time of day. Really, she's first on the list. Whale Talk Chris Crutcher 2009-09-22 "A truly exceptional book."—Washington Post There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway. Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in *Whale Talk*. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—Washington Post T.J.

Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly An American Library Association Best Book for Young Adults New York Public Library

Rules for Becoming a Legend

His father had been a basketball great himself, but his dreams of stardom were traded in for a hasty marriage and parenthood. Born into a house haunted by wasted talent, alcoholism, and death, will Jimmy fall victim to the Kirkus Curse or break it once and for all? This spirit-igniting debut announces Lane as an extraordinary young writer to watch.

Running Loose Chris Crutcher 2009-09-22 Louie Banks has it made. He's got a starting spot on the football team, good

friends, and a smart, beautiful girlfriend who loves him as much as he loves her. Early in the fall, he sees all his ideas of fair play go up in smoke; by spring, what he cares about most has been destroyed. How can Louie keep going when he's lost everything?

Parentology Dalton Conley
2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously

reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time. *Angry Management* Chris Crutcher 2010-09-07 Chris Crutcher fills these three stories

with raw emotion. They are about insecurity, anger, and prejudice. But they are also about love, freedom, and power. About surviving. And hope. Every kid in this group wants to fly. Every kid in this group has too much ballast. Mr. Nak's Angry Management group is a place for misfits. A place for stories. And, man, does this crew have stories. There's Angus Bethune and Sarah Byrnes, who can hide from everyone but each other. Together, they will embark on a road trip full of haunting endings and glimmering beginnings. And Montana West, who doesn't step down from a challenge. Not even when the challenge comes from her adoptive dad, who's leading the school board to censor the article she wrote for the school paper. And straightlaced Matt Miller, who had never been friends with outspoken genius Marcus James. Until one tragic week—a week they'd do anything to change—brings them closer than Matt could have ever imagined.

King of the Mild Frontier Chris

Crutcher 2009-09-22 ALA Best Fiction for Young Adults * New York Public Library Books for the Teen Age A riveting, scorching—and hilarious—autobiography by the award-winning author of *Staying Fat for Sarah Byrnes* and *Deadline*. From trying to impress a member of the girls' softball team (with disastrous dental results) to enduring the humiliation of his high school athletic club initiation (olives and oysters play unforgettable roles), Chris Crutcher's memoir of the tricky road to adulthood is candid, disarming, laugh-out-loud funny, relevant, and never less than riveting. He vividly describes a temper that was always waiting to trip him up even as it sustained him through some of the most memorable mishaps any child has survived. And how did this guy (he lifted his brother's homework through the entire tenth grade) ever become a writer, not to mention the author of fourteen critically acclaimed books for young people? The frontier may be mild, but the book is not. Fans

of Tara Westover's *Educated*, Jack Gantos's *Hole in My Life*, and Walter Dean Myers's *Bad Boy* will laugh, will cry, and will remember. "Funny, bittersweet and brutally honest. Readers will clasp this hard-to-put-down book to their hearts even as they laugh

sympathetically."—Publishers Weekly (starred review)

Athletic Shorts Chris Crutcher 2009-09-22 These six powerful short stories chronicle bits of the lives of characters, major and minor, who have walked the rugged terrain of Chris Crutcher's earlier works. They also introduce some new and unforgettable personalities who may well be heard from again in future books. As with all Crutcher's work, these are stories about athletes, and yet they are not sport stories. They are tales of love and death, bigotry and heroism, of real people doing their best even when that best isn't very good. Crutcher's straightforward style and total honesty have earned him an admiring audience and made readers of many nonreaders.

The Natural Bernard Malamud 2003-07-07 Introduction by Kevin Baker
The Natural, Bernard Malamud's first novel, published in 1952, is also the first—and some would say still the best—novel ever written about baseball. In it Malamud, usually appreciated for his unerring portrayals of postwar Jewish life, took on very different material—the story of a superbly gifted "natural" at play in the fields of the old daylight baseball era—and invested it with the hardscrabble poetry, at once grand and altogether believable, that runs through all his best work. Four decades later, Alfred Kazin's comment still holds true: "Malamud has done something which—now

that he has done it!—looks as if we have been waiting for it all our lives. He has really raised the whole passion and craziness and fanaticism of baseball as a popular spectacle to its ordained place in mythology."
