Angry Management

Chris Crutcher 2010-09-07

Chris Crutcher fits these three stories with raw emotion. They are about insecurity, anger, and prejudice. But they are also about love, freedom, and power. About surviving. And hope. Every kid in this group wants to fly. Every kid in this group has too much ballast. Mr. Nak’s Angry Management group is a place for misfits. A place for stories. And, man, does this crew have stories. There’s Angus Bethune and Sarah Byrnes, who can hide from everyone but each other. Together, they will embark on a road trip full of haunting endings and glimmering beginnings. And Montana West, who doesn’t step down from a challenge. Not even when the challenge comes from her adoptive dad, who’s leading the school board to censor the article she wrote for the school paper. And straightlaced Matt Miller, who had never been friends with outspoken genius Marcus James. Until one tragic week—a week they’d do anything to change—brings them closer than Matt could have ever imagined.

Losers Bracket

When a family argument turns into an urgent hunt for a missing child, seventeen-year-old Annie Boots must do everything in her power to bring her nephew home safely. Chris Crutcher, the acclaimed and bestselling author of Staying Fat for Sarah Byrnes, shares a provocative story about family, loss, and loyalty that is perfect for fans of Jason Reynolds and Laurie Halse Anderson. The Bulletin of the Center for Children’s Books called Losers Bracket “Genuine and affecting.” When it comes to family, Annie is in the losers bracket. While her foster parents are great (mostly), her birth family would not have been her first pick. And no matter how many times Annie tries to write them out of her life, she always gets sucked back into their drama. Love is like that. But when a family argument breaks out at Annie’s swim meet and her nephew goes missing, Annie might be the only one who can get him back. With help from her friends, her foster brother, and her social service worker, Annie puts the pieces of the puzzle together, determined to find her nephew and finally get him into a safe home. Award-winning author Chris Crutcher’s books are strikingly authentic and unflinchingly honest. Losers Bracket is by turns gripping, heartbreakingly hopeful, and devastating, and hits the sweet spot for fans of Andrew Smith and Marieke Nijkamp.
