Besh Big Easy: 101 Home-Cooked New Orleans Recipes, is a fresh and delightful new look at his signature food. Besh Big Easy will feature all new recipes and easy dishes, published in a refreshing new flexibound format and accessible to cooks everywhere. Much has changed since Besh wrote his bestselling My New Orleans in 2009. His restaurant empire has grown from two to twelve acclaimed eateries, from the highly praised Restaurant August to the just opened farm-to-table taqueria, Johnny Sanchez. John's television career has blossomed as well. He's become known to millions as host of two national public television cooking shows based on his books and of Hungry Investors on Spike TV. Besh Big Easy is dedicated to accessibility in home cooking and Orleans cuisine. "There's no reason a good jambalaya needs two dozen ingredients," John says. Warnings Unheeded Andy Brown 2016-11-05 The true story of two mass-casualty incidents that occurred within days of each other at a US Air Force base. Using the words of the people who experienced the tragedies, the book provides in-depth look at the before, during and after of a preventable active-shooter incident and an avoidable fatal plane crash. The base psychiatrist knew the airman was dangerous. “This is the kind of patient who … one day … he’s going to come back and kill you.” Aircrews knew the rogue pilot was dangerous. “We predicted the worst air-show disaster in history when we found out that he was gonna fly.” Written by Andy Brown, the man who ended the killing spree, the result of more than seven years of research. Brown “masterfully weaves” the two stories together in a powerful narrative. He also reveals the preparations he made that enabled him to end a pistol-versus-rifle gunfight with a 70 yard shot from his handgun. Part true crime, part law-enforcement biography memoir and part military history. Warnings Unheeded is presented in an objective style that shows what can happen when authorities become complacent, when the precursors of violence are ignored and the lessons from history are forgotten.

Millionaire by Thirty Douglas R. Andrew 2008-04-30 Most people know that there are 70 million Baby Boomers in America today....but what is less known is that there are approximately 100 million people in America between the ages of 16 and 30. This generation has just entered, or will soon be entering the work force. And they have no idea how to invest, save, or handle their money. Young people today come out of school having had little or no formal education on the basics of money management. Many have large debts from student loans looming over their heads. And many feel confused and powerless when their pricey educations don't translate into high paying jobs. They feel that their $30,000-$40,000 salary is too meager to bother with investing, and they constantly fear that there will be "too much month left at the end of their money." Douglas R. Andrew has shown the parents of this generation a different pathway to financial freedom. Now Doug and his sons, Emron and Aaron - both of whom are in their mid-20s - show the under-30 crowd how they can break from traditional 401k investment plans and instead can find
a better way by investing in real estate, budgeting effectively, avoiding unnecessary taxes and using life insurance to create tax-free income. With the principles outlined in Millionaire by Thirty, recent graduates will be earning enough interest on their savings to meet their basic living expenses by the time they're 30. And by the time they're 35, their investments will be earning more money than they are, guaranteeing them a happy, wealthy future.

**Don't Quit in the Dip** Shaun Nepstad 2020-08-18 Heal from yesterday's pain and find hope for tomorrow with this inspirational guide -- and learn how God's faithfulness is working for your good, even when times are tough. If we are truly blessed to be a blessing, then we can take the lessons we learn in hardships and turn them around to help others navigate through their seasons of struggle. Hope and healing are the two words God has given us. Hope for tomorrow and healing from yesterday. Shaun Nepstad believes God wants to use our stories to bring hope and healing to others. When it comes to life, we've all asked, "Is there more?" We want to believe there's more to life than what we're currently experiencing. But the problem is, so much in life promises more but doesn't deliver. There's actually only One who can deliver the "more" we need, and that is Jesus. He delivers more than what we ask for or can even imagine. Consistently. Without fail. No matter what our situation looks like. Don't Quit in the Dip inspires us to keep fighting. To keep believing. And to keep helping us experience God's full blessing.
