Babette's Feast
Isak Dinesen 2011-02-15 'And it happened when Martine or Philippa spoke to Babette that they would get no answers, and themselves enriched with an odd kind of pleasure from the thought of what she would say. Babette, sitting in her lap and her dark eyes wide open, as monumental and fatal as a Pythia upon her tripod. At such moments, they suspected that Babette was deep, and that in the soundings of her being there were passions, there were memories and longings of which they knew nothing at all. Babette's Feast is a sublime celebration of eating, drinking and sensual pleasure. In Isak Dinesen's life-affirming short story, two elderly sisters living in a remote, god-fearing Norwegian community take in a mysterious refugee from Paris one night and are rewarded for their kindness with the most decadent, luxurious feast of a lifetime.'

An Everest of Anecdotes
Judith Thurman
2003-06-24 'Isak Dinesen has a reputation for being sharply funny in her writing, but she is even more so when it comes to talking. This is a book-length series of conversations with Dinesen that were conducted over a period of many years in her living room at Kingston, her home in Africa. Dinesen's conversations are as lively and engaging as her writing, and she revels in the opportunity to recall vignettes from her life and to share the wisdom of her years.
