The Late Voice

Richard Elliott 2017-05-18 Popular music artists, as performers in the public eye, offer a privileged site for the witnessing and analysis of age and its mediation. The Late Voice undertakes such an analysis by considering issues of time, memory, innocence and experience in modern Anglophone popular song and the use by singers and songwriter of a ‘late voice’. Lateness here refers to five primary issues: chronology (The stage in an artist’s career); the chronology of the voice (how the vocal instrument changes over time); the chronology of the song (which suggests a different repository of life events, memories and recorded sound); retrospective (voces ‘look back’ or anticipate looking back); and the writing of age, experience lateness and loss into song texts. There has been recent growth in research on age and the experience of later stages of life, focusing on physical health, lifestyle and psychology, with work in the latter field intersecting with the field of memory studies. The Late Voice seeks to connect age, experience and lateness with particular performers and performance traditions via the identification and analysis of a late voice in singers and songwriters of mid-late twentieth century popular music.

Miranda Klaver 2011-05-20 In the Dutch late modern society, the presence of thriving new evangelical and Pentecostal churches is remarkable against the backdrop of the widespread decline of "traditional," mainstream churches. Using an ethnographic approach, this book examines the experiences of newcomers to contemporary evangelicalism through the lens of two churches: an evangelical seeker church and a neo-Pentecostal, charismatic church. While both churches share an emphasis on conversion, there are substantial differences in their approach to and understanding of the Holy Spirit. By comparing the conversion experiences of newcomers with strategies of conversion employed by each church, this book sheds new light on the profound differences in orientation found within Dutch evangelicalism. Drawing upon theories of the body and embodiment, this qualitative, in-depth study departs from the notion that religion is limited to the mind, involving cognitively affirmed beliefs; conversely, it offers a semiotic approach to understanding religion that takes into account the importance of affects, emotions and desires in processes of conversion. This book also engages in an analytical comparison of the design and use of worship space, worship music and distinct language ideologies used by the two churches to stimulate conversion. It argues that the ways in which newcomers learn conversion, through the Alpha course, baptism and church participation, are anchored in embodied processes and, as such, imply a religious pedagogy of the senses. This study thus marks the need for a more sensorial and embodied approach to understand contemporary forms of Christianity in Dutch society. Miranda Klaver (1962) completed her PhD at the Department of Social and Cultural Anthropology (Faculty of Social Science) of the VU University Amsterdam. She obtained her Masters degrees in Cultural Anthropology and Theology. The Anglic Avenges Isak Dinesen 2001-11-29 Lucan has been orphaned and Zosine has been deserted, and London is a hostile place for two young girls without a home. Bound together by poverty, grief and their shared years at school, they set out to make a future for themselves in new surroundings. They are adopted by the austere, puritanical Reverend Pennymallow and his wife, and in their large, gloomy house they become immersed in study. But, after a chain of disturbing events, it does not take long before they realize that the cleric and his wife are not all they seem to be — In the Shadow of the Holocaust

To Have and to Hold Mary Johnston 2016-09-26 To Have and to Hold (1899) is a novel by American author Mary Johnston. It was the bestselling novel in the United States in the following year (1900). To Have and to Hold is the story of an English soldier, Ralph Percy, turned Virginian explorer! In colonial Jamestown. Ralph buys a wife for himself — a girl named Jocelyn Leigh — little knowing that she is the escaping ward of King James I, fleeing a forced marriage to Lord Carnal. Jocelyn hardly loves Ralph — indeed, she seems to abhor him. Carnal, Jocelyn’s husband-to-be, eventually comes to Jamestown, unaware that Ralph Percy and Jocelyn Leigh are man and wife. Lord Carnal attempts to kidnap Jocelyn several times and eventually follows Ralph, Jocelyn and their two companions — (Ishmael Sparrow, the Separatist minister, and Diccon, Ralph’s servant — as they escape from the King’s orders to arrest Ralph and carry Jocelyn back to England. The boat they are in, however, crashes on a desert island, but they are accosted by pirates, who, after a short struggle, agree to take Ralph as their captain, after he pretends to be the pirate ”Kirby”. The pirates gleefully play on with Ralph’s masquerade, until he refuses to allow them to rape and pillage those aboard Spanish ships. The play is up when the pirates see an English ship off the coast of Florida. Ralph refuses to fire upon it, knowing it carries the new Virginian governor, Sir Francis Wyatt, but the pirates open fire, and Ishmael Sparrow, before the English ship can be destroyed, purposefully crashes the ship into a reef. The pirates are all killed, but the Englishman (and woman) are rescued by the Governor’s ship.

Göteborgs David John Carlsson Irving 1966 Height only five-foot four; a figure of Ghandi-like emaciation barely tipping the scales at one hundred pounds; a head too large for his body; a clubfoot for which he was taunted as both man and boy — all the cards seemed stacked against him. Göteborgs blamed the world at large; he hated the human race, and he boasted of his hatred in his secret diaries. Historian David Irving is the first to make use of the entire 80,000 pages of the Göteborgs diaries — diaries that lay unrecognized for fifty years in the Red Army’s ”Trophy” archives in Moscow. From this extraordinary trove, to which Irving has added six years’ research into the archives of the Western world, he has written the first full-scale biography of Adolf Hitler’s confidant and evil genius, Dr. Joseph Göteborgs. Here for the first time are Göteborgs’s secret, unpublished writings on the Reichstag Fire, the Night of the Long Knives, the Dollfuss murder, the Saar plebiscite, the invasion of Prague, Pearl Harbor, and scores of other turning points in modern history. Dr. Göteborgs faithfully records Hitler’s innmost councils, documenting the hidden methods and strategies of Nazi leadership.

Paul Anka 2013-04-09 A teen idol of the 1950s who virtually invented the singer/songwriter/heartthrob phenomenon that still tops pop music today, Paul Anka rocketed to fame with a slew of hits—from "Dianna" to "Put Your Head on My Shoulder"—that earned him a place touring with the major stars of his era, including Chuck Berry, Jerry Lee Lewis, and Buddy Holly. He wrote Holly’s last hit, and just missed joining the rocker on his final, fatal plane flight. Anka also stepped in front of the camera in the teen beach-party movie era, scoring the movies and romancing their starlets, including Annette Funicello. When the British invasion made his fans swoon for a new style of music—and musician—Anka made sure he wasn’t conquered. A rapper/canny businessman and image/builder who took his career into his own hands—just as he had from the very beginning, swiping his mother’s car at fourteen to drive himself, unburdened, to his first gigs in Quebec—Anka worked the world until he could return home in triumph. A charter member of the Rat Pack, he wrote the theme music for The Tonight Show as well as his friend Frank Sinatra’s anthem "My Way." By the 1970s, a multi-decade string of pop chart-toppers, including "Puppy Love" and "(You’ve) Having My Baby," cemented his status as an icon. My Way is bursting with rich, rollicking stories of the business and the people in Anka’s life. Elizabeth Taylor, Dodi Fayed, Tom Jones, Michael Jackson, Adnan Khashoggi, Little Richard, Brooke Shields, Johnny Roselli, Sammy Davis, Jr., Brigitte Bardot, Barnum & Bailey Circus acrobats, and many more. Anka is forthcoming, funny and sharp as a whip about the business he’s been in for almost six decades. My Way moves from New York to Vegas, from the casino stage to backstages all over the world. It’s the most entertaining autobiography of the year. Dragonweaver J. Pepper 2005-06-09 Illustrated instructions will have you drawing awesome, frightening, and delightful creatures in no time.

The works Progress Administration 2011-08-15 In 1938, under the direction of novelist and historian Lyric Saxó, the Federal Writers’ Project of the Works Progress Administration produced this delightfully detailed portraiture of New Orleans. Containing recipes, photographs and foibles, it is consistently hailed as one of the best books produced about the city. Remarkably, many of the sites and attractions the WPA chronicled in 1938 are still around today.
