Cirrus Test Prep has developed the Praxis II Biology Content Knowledge (5235) Study Guide, a comprehensive review to help you pass your Praxis II exam. This guide includes a detailed summary of the test's format, content, and scoring; an overview of the content knowledge required to pass the exam; and practice test questions to help you understand the material and succeed on exam day. Praxis II Biology Content Knowledge (5235) Study Guide includes:

- **Quick Overview**: Find out what’s inside this guide! Test-Taking Strategies: A test taker must be able to manage time and check their work. This guide does not “test” your knowledge, but rather helps you organize your study plan and become more efficient. You can use it to create a personalized study schedule that fits your needs and style. The guide offers tips on how to prioritize your preparation efforts, how to avoid common mistakes, and how to best use your study materials. Cirrus Test Prep’s study materials are written by experienced current and former educators, and are designed to help you succeed on your state-level teacher certification exams and enter the classroom. Each Cirrus Test Prep study guide includes:

  - A detailed summary of the test's format, content, and scoring
  - An overview of the content knowledge required to pass the test
  - Practice test questions to help you understand the material and succeed on exam day
  - Test-taking strategies
  - More...
