

the score you need - the first time around. Losing points on the (0354/5354)Core Knowledge and Applications exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our Special Education (0354/5354) study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; Special Education (0354/5354) questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.
