Middle School Bites: Out for Blood Steven Banks 2021-08-31 Tom the Vam-Wolf-Zom is back--and so is the werewolf that bit him--in this monstrously funny series about a boy who's dying to fit in. Eleven-year-old Tom was bit by a vampire, a werewolf, and a zombie right before the first day of middle school. It was a weird and crazy day. And he didn't even get excused from sixth grade! Now he's being hunted down by the werewolf that bit him. Should Tom jump in a wolf pack? On the one hand, he could give up school and homework forever. (He really doesn't want to do his history report.) On the other hand, he'd miss his band, his friends, and Annie, his maybe-possibly-someday girlfriend. He might even miss his big sister, Emma. Then the vampire that bit him returns with a warning: the werewolf is dangerous. Perhaps Tom should stick with sixth grade--even if it's mostly talent show disappointments, detention, and chicken-turkey-salami-roast beef sandwiches.

Created by an Emmy-nominated writer for SpongeBob, The Adventures of Jimmy Neutron, and CatDog, this hilarious series is illustrated with clever, cartoon-style art on every spread. our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school’s star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.
