Black meets Lord of the Flies in this riveting new thriller from the co-author of the Virals series. It's been happening since Min was eight. Every two years, on her birthday, a strange man finds her and murders her in cold blood. But hours later, she wakes up in a clearing just outside her tiny Idaho hometown—alone, unharmed, and with all evidence of the horrifying crime erased. Across the valley, Noah just wants to be like everyone else. But he's not. Nightmares of murder and death plague him, though he does his best to hide the signs. But when the world around him begins to spiral toward panic and destruction, Noah discovers that people have been lying to him his whole life. Everything changes in an eye blink. For the planet has a bigger problem. The Anvil, an enormous asteroid threatening all life on Earth, leaves little room for two troubled teens. Yet on her sixteenth birthday, as she cowers in her bedroom, hoping not to die for the fifth time, Min has had enough. She vows to discover what is happening in Fire

Lake and uncovers a lifetime of lies: a vast conspiracy involving the sixty-four students of her sophomore class, one that may be even more sinister than the murders.

**The Lost Girls of Rome** Donato Carrisi

2013-11-19 A grieving young widow, seeking answers to her husband's death, becomes entangled in an investigation steeped in the darkest mysteries of Rome. Sandra Vega, a forensic analyst with the Roman police department, mourns deeply for a marriage that ended too soon. A few months ago, in the dead of night, her husband, an up-and-coming journalist, plunged to his death at the top of a high-rise construction site. The police ruled it an

accident. Sanda is convinced it was anything but. Launching her own inquiries, Sanda finds herself on a dangerous trail, working the same case that she is convinced led to her husband's murder. An investigation which is deeply entwined with a series of disappearances that has swept the city, and brings Sandra ever closer to a centuries-old secret society that will do anything to stay in the shadows.

*Bones of the Lost* Kathy Reichs 2014-07-01 "The latest from Kathy Reichs finds Tempe Brennan investigating the connections between a long-dead business man, the smuggling of mummified dogs from Peru, and the death of a teenage girl killed in a hit and run. When she discovers a human trafficking enterprise at the center of it all, the scope of the case extends from South America to Afghanistan. And Tempe's soon-to-be ex might have connections that run to the very heart of the trafficking ring"--

[Altar of Bones](#) Philip Carter 2011-03-08 A deathbed confession ignites a globe-spanning

race for answers in this page-turning thriller described as *The Da Vinci Code* meets *The Bourne Identity*. "They didn't have to kill him...He never drank from the altar of bones." Cryptic dying words from a murdered homeless woman in present-day San Francisco unlock a long-buried secret that alters history. Now, a pair of ruthless assassins are sent to cut the few living "loose ends." And a young, resourceful woman on the run encounters a determined man with his own connected past and vengeful agenda. Forced to partner for survival and answers, a fast-paced and deadly game of cat and mouse ensues, whisking the duo from the winding streets of Paris to the faded palaces of Budapest to the frozen lakes of Mongolia...where destiny, passion, and further betrayal await them. Jam-packed with pulse-pounding action and featuring a high-profile assassination, a doomed Hollywood legend, and guardians of an ancient religious icon housing a secret others will kill to possess, *The Altar of Bones* is certain

to leave readers stunned and breathless.

*Code* Kathy Reichs 2013-03-12 Tory and the rest of the Virals are put to the ultimate test when they find a geocache containing an ornate puzzle box. Shelton decodes the cipher inside, only to find more tantalizing clues left by "The Gamemaster." A second, greater geocache is within reach—if the Virals are up to the challenge. But the hunt takes a dark turn when Tory locates the other box—it contains a fake bomb, along with a sinister proposal from The Gamemaster. Now, the real game has begun: another bomb is out there—a real one—and the clock is ticking.

*Death du Jour* Kathy Reichs 2020-03-31 When a recent skeleton among ancient bones raises questions—and danger—forensic anthropologist Temperance Brennan is the only one who can solve the case in this “triumphant second appearance” (Publishers Weekly) from #1 New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an

archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She’s the expert they might have called in, but lucky for the police she’s already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of a wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in

the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's books are expert and smart with a taut energy, and this is her best plot and writing yet.

*Bones of the Lost* Kathy Reichs 2017-06-13  
Everyone's favorite forensic anthropologist, Tempe Brennan, is back! In this #1 New York Times bestseller, the death of a teenager triggers an investigation into an international human trafficking ring. The body of a teenage girl is found after a hit and run in North Carolina, and Temperance Brennan fears the worst. The girl's body shows signs of foul play and her purse contains the ID card of a prominent local businessman, John-Henry Story, who died in a horrific fire months earlier. Was the girl an illegal immigrant turning tricks? Are the deaths related? The investigation becomes more complex as Tempe examines a bundle of Peruvian dog mummies that had been confiscated by U.S. Customs. Dominick Rockett,

a Desert Storm veteran, is accused of smuggling the objects into the country, but is there some larger connection between the illegal trafficking of the antiquities and the trafficking of humans? As the case grows increasingly complicated, Tempe must also grapple with turmoil at home. Katy, Tempe's daughter, impulsively enlists in the Army after the loss of her boyfriend, and Pete, Katy's father, is getting increasingly frustrated by Tempe's reluctance to finalize their divorce. Meanwhile, Tempe finds herself at the center of a conspiracy in Charlotte that extends as far as South America and Afghanistan. Kathy Reichs has reached new heights in suspenseful storytelling, and is at her brilliant best in this thrilling novel.

**Swamp Bones: A Novella** Kathy Reichs

2014-08-12 Forensic anthropologist Temperance Brennan returns in a chilling eBook original novella from #1 New York Times bestselling author Kathy Reichs. In the prequel to Reichs's upcoming thriller *Bones Never Lie*, Tempe takes a much-needed vacation—but murder follows wherever she goes. Although a trip to Florida is supposed to be about rest and relaxation, there's no such thing as a day off for Dr. Temperance Brennan. She has come to visit her friend, a dedicated ornithologist who's researching the threat that intrusive Burmese pythons pose to indigenous bird species in the Everglades. While sorting through the stomach of an eighteen-foot specimen, they make a disturbing discovery: bones that are unmistakably human. And when Tempe spots the telltale signs of murder by a very different kind of predator, she's drawn into a case with its roots in the darkest depths of the swamp. Features a preview of the highly

anticipated new Temperance Brennan novel, *Bones Never Lie!* Praise for the novels of Kathy Reichs "[Reichs is] a genius at building suspense."—New York Daily News "Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic."—Entertainment Weekly "Tempe Brennan is the lab lady most likely to dethrone Patricia Cornwell's Kay Scarpetta."—USA Today "Every minute in the morgue with Tempe is golden."—The New York Times Book Review "Reichs always delivers a pulse-pounding story."—Publishers Weekly [Seizure](#) Kathy Reichs 2011-10-18 Lost treasure. Perilous adventures. Deadly foes. Tory and her friends are just starting to get a handle on their super-heightened wolf-like capabilities—contracted during a medical experiment gone horribly wrong—when they find out funding is being pulled from the institute where their parents work. The pack now faces its greatest fear—separation. So when Tory stumbles across ancient lore hinting at a lost

pirate treasure, the Virals devise a risky plan that pits them against fiendish traps, headless corpses, and deep underground tunnels. But they're not the only ones looking, and the competition could be lethal. They'll need to work as one mystery-solving canine force if they to hope to uncover the lost fortune, save the institute, and stick together!

**A Conspiracy of Bones** Kathy Reichs  
2020-03-17 #1 New York Times bestselling author Kathy Reichs returns with an “edgy, eerie, irresistible” (Sandra Brown) novel with “plenty of twists” (The New York Times Book Review) featuring forensic anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It’s sweltering in Charlotte, North Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and

what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she’s anxious to know who the dead man is, and why the images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man’s identity, she must go rogue, working mostly outside the system. That’s because Tempe’s new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator

Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. "A complete success" (Booklist, starred review), "this is Kathy Reichs as you've never read her before" (David Baldacci).

**This Side of Night** J. Todd Scott 2019-07-16 The vicious Mexican cartel war boils over into the Big Bend in the explosive new novel from the author of *The Far Empty* and *High White Sun*. In the Mexican borderlands, a busload of student protesters is gunned down in broad daylight, a violent act blamed on the Nemesio cartel. But its aging leader, Fox Uno, sees the attack for what it is: another salvo in the long-running battle for control of Nemesio itself; perhaps by a rival cartel, or maybe someone closer to home...

Across the Rio Grande, Sheriff Chris Cherry and his deputies America Reynosa and Danny Ford find themselves caught in Fox Uno's escalating war with the recent discovery of five dead men at the river's edge. But when El Paso DEA agent Joe Garrison's own Nemesio investigation leads him into the heart of the Big Bend, he's not ready to accept the cartel leader's retreat or defeat. Not only does he suspect a high-profile drug task force in a neighboring county is corrupt, he can't shake lingering doubts about the loyalty and motives of the young deputy, Ame Reynosa. And he won't let Sheriff Cherry ignore them either. In this pitiless land it's kill or be killed, where everyone will make one final bloody stand to decide the fate of Nemesio, the law in the Big Bend, and most of all, the future of America Reynosa.

**Deadly Decisions** Kathy Reichs 2020-04-28 When innocent blood is spilled, forensic anthropologist Temperance Brennan deciphers the shattering truth it holds in this exciting

thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-spatter patterns and ground-penetrating radar to bone-sample analysis, *Deadly Decisions* triumphantly combines the authenticity of a world-class forensic professional with the narrative power of a brilliant crime-writing star.

**The Bone Collection** Kathy Reichs 2016-11-01  
A collection of pulse-pounding tales featuring forensic anthropologist Temperance Brennan—including the untold story of her first case! This ebook edition contains a special preview of Kathy Reichs's upcoming novel *Two*

*Nights*. The #1 New York Times bestselling author behind the hit Fox series *Bones*, Kathy Reichs is renowned for chilling suspense and fascinating forensic detail. The *Bone Collection* presents her trademark artistry in this collection of thrilling short fiction. In *First Bones*, a prequel to Reichs's first novel, *Déjà Dead*, she at last reveals the tale of how Tempe became a forensic anthropologist. In this never-before-published story, Tempe recalls the case that lured her from a promising career in academia into the grim but addictive world of criminal investigation. (It all began with a visit from a pair of detectives—and a John Doe recovered from an arson scene in a trailer.) The collection is rounded out with three more stories that take Tempe from the low country of the Florida Everglades, where she makes a grisly discovery in the stomach of an eighteen-foot Burmese python, to the heights of Mount Everest, where a frozen corpse is unearthed. No matter where she goes, Tempe's cases make for the most gripping

She’s the real deal.”—David Baldacci “Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher or Alex Cross.”—James Patterson “Every minute in the morgue with Tempe is golden.”—The New York Times Book Review

*Virals* Kathy Reichs 2010-11-02 Adventure is in Tory Brennan's blood. After all, she’s the grandniece of world-famous forensic anthropologist Temperance Brennan. Always up for a challenge, Tory and her science-geek friends spend their time exploring the marshlands of Loggerhead Island, home to the very off-limits Loggerhead Island Research Institute, where something strange is going on. After rescuing a stray wolfdog pup from a top-secret lab, Tory and her friends are exposed to a rare strain of canine parvovirus, changing them--

and their DNA--forever. Now they are more than friends. They are a pack. They are Virals. And they're dangerous to the core. But are they unstoppable enough to catch a cold-blooded murderer?

**Bones Are Forever** Kathy Reichs 2017-04-11 THE NEW YORK TIMES BESTSELLER and #1 GLOBE AND MAIL BESTSELLER Producer of the FOX television hit *Bones* KATHY REICHS exposes the high-stakes, high-danger world of diamond mining as Dr. Temperance Brennan tracks a murder suspect deep into the Northwest Territories. Beneath a diamond's perfect surface lies a story of violence and greed. Just like bones. . . . In a run-down Montreal apartment, Tempe finds the heartbreaking evidence of three innocent lives ended. The landlord says Alma Rogers lives there—is she the same woman who checked into a city hospital as Amy Roberts, then fled before doctors could treat her uncontrolled bleeding? Is she Alva Rodriguez, sought by a man who appeared at the crime

scene? Heading up an investigation crackling with the sexual tension of past intimacies, Tempe leads homicide detective Andrew Ryan and police sergeant Ollie Hasty along the woman's trail and into the farthest reaches of mining country—an unforgiving place where the grim industry of unearthing diamonds exacts a price in blood. And where the truths the unlikely trio uncovers are more sinister than they could have imagined.

**Bones in Her Pocket** Kathy Reichs 2013-07-16

A new story featuring forensic anthropologist Temperance Brennan—available only in ebook—from #1 New York Times bestselling author and FOX TV's *Bones* producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina's Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe's surprise, the decomposed body indicates the person was a

female young adult. The profile fits the description of a missing graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship's body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC-Charlotte and the Carolina Raptor Center. Did Blankenship's passion lead her into danger? Alongside Detective "Skinny" Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship's death. But Tempe's own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs's new novel, *Bones of the Lost*—is an exhilarating new installment in the Temperance Brennan series.

*First Bones* Kathy Reichs 2020-05-01 An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying the bones of the ancient dead. But a strange opportunity presents itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...

**Cold, Cold Bones** Kathy Reichs 2022-07-05  
"Reichs has written her masterpiece—smart,

scary, complicated, and engrossing." —Michael Connelly "This page-turning series never lets the reader down." —Harlan Coben "The crowning achievement of a master storyteller" —Nelson DeMille #1 New York Times bestselling thriller writer Kathy Reichs's twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no

pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine “Skinny” Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe’s Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present.

Spider Bones Kathy Reichs 2014-10-14 A complex and riveting tale of deceit and murder unfolds in this repackaged of the thirteenth thrilling novel in Reichs’s “cleverly plotted and

expertly maintained series" (The New York Times Book Review). John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery’s grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military’s Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery’s

dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu’s flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?

**Swipe** Kathy Reichs 2013-12-16 Having Temperance Brennan for a great-aunt comes with a few perks—including an invite to the famous forensic anthropologist’s book signing at Comic-Con. But while Tory and the Virals are taking in the legendary convention in all its nerdy glory, a priceless Terminator robot is stolen from the crowded exhibition hall. When the bot-napper threatens to destroy it unless a hefty ransom is paid, Tory leaps at the chance to help her aunt Tempe with the investigation. Subtle clues lead the Virals into all the weirdness that Comic-Con has to offer—strange costumes, ferocious mock battles, and fanboy geekdom beyond their wildest dreams—but the

Terminator seems to have vanished without a trace, and the clock is ticking. Can the Virals identify the thief and locate the missing robot before it’s too late? In this gripping eSpecial, Tory and the Virals prove once again that no crime is unsolvable when the pack is on the prowl.

**Bones on Ice: A Novella** Kathy Reichs 2015-06-30 Featuring a preview of the highly anticipated new thriller Speaking in Bones, this eBook original novella showcases #1 New York Times bestselling author Kathy Reichs at the peak of her powers. In Bones on Ice, forensic anthropologist Temperance Brennan gets wrapped up in the ultimate cold case: a death on Mount Everest. It is called the “death zone”: the point on Everest, nearly five miles high, above which a climber cannot be rescued. More than 250 souls have lost their lives there. Most of the bodies remain, abandoned, frozen in place. When an earthquake leads to a miraculous recovery, Dr. Temperance Brennan is hired to

identify the frozen mummified human corpse. The victim is the daughter of a wealthy Charlotte couple who never got the chance to say goodbye. But far from offering solace and closure, Tempe's findings only provoke more questions. What happened on Mount Everest? Was the young woman's death an accident? Why aren't the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? **Cold Wind** Paige Shelton 2020-12-08 Second in a new series set in Alaska from beloved cozy author Paige Shelton, *Cold Wind* will chill your bones. Beth Rivers is still in Alaska. The unidentified man who kidnapped her in her home of St. Louis hasn't been found yet, so she's not ready to go back. But as October comes to a close, Benedict is feeling more and more like her new home. Beth has been working on herself: She's managed to get back to writing, and she's enjoying these beautiful months between summer and winter in Alaska. Then, everything in Benedict changes after a mudslide exposes a world that had been hidden for years. Two mud-covered, silent girls appear, and a secret

trapper's house is found in the woods. The biggest surprise, though, is a dead and frozen woman's body in the trapper's shed. No one knows who she is, but the man who runs the mercantile, Randy, seems to be in the middle of all the mysteries. Unable to escape her journalistic roots, Beth is determined to answer the questions that keep arising: Are the mysterious girls and the frozen body connected? Can Randy possibly be involved? And—most importantly—can she solve this mystery before the cold wind sweeping over the town and the townspeople descends for good?

**Someone Knows** Lisa Scottoline 2019-04-09  
Bestselling and award-winning author Lisa Scottoline reaches new heights with this riveting novel about how a single decision can undo a family, how our past can derail our present, and how not guilty doesn't always mean innocent. Allie Garvey is heading home to the funeral of a childhood friend. Allie is not only grief-stricken, she's full of dread. Because going home means

seeing the other two people with whom she shares an unbearable secret. Twenty years earlier, a horrific incident shattered the lives of five teenagers, including Allie. Drinking and partying in the woods, they played a dangerous prank that went tragically wrong, turning deadly. The teenagers kept what happened a secret, believing that getting caught would be the worst thing that could happen. But time has taught Allie otherwise. Not getting caught was far worse. Allie has been haunted for two decades by what she and the others did, and by the fact that she never told a soul. The dark secret has eaten away at her, distancing her from everyone she loves, including her husband. Because she wasn't punished by the law, Allie has punished herself, and it's a life sentence. Now, Allie stands on the precipice of losing everything. She's ready for a reckoning, determined to learn how the prank went so horribly wrong. She digs to unearth the truth, but reaches a shocking conclusion that she

never saw coming--and neither will the reader. A deeply emotional examination of family, marriage, and the true nature of justice, *Someone Knows* is Lisa Scottoline's most powerful novel to date. Startling, page-turning, and with an ending that's impossible to forget, this is a tour de force by a beloved author at the top of her game.

**The Bone Code** Kathy Reichs 2021-07-06 #1  
New York Times bestselling author Kathy Reichs's twentieth "brilliant" (Louise Penny) thriller featuring forensic anthropologist Temperance Brennan, whose examinations of unidentified bodies ignite a terrifying series of events. "This is A-game Reichs, with crisp prose, sharp dialogue, and plenty of suspense" (Booklist). On the way to hurricane-ravaged Isle of Palms, a barrier island off the South Carolina coast, Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic and bound with

electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec fifteen years earlier. With a growing sense of foreboding, she travels to Montreal to gather evidence. Meanwhile, health authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads. So focused is Tempe on identifying the container victims that, initially, she doesn't register how their murders and the pestilence may be related. But she does recognize one unsettling fact. Someone is protecting a dark secret—and willing to do anything to keep it hidden. An absorbing look at the sinister uses to which genetics can be put and featuring a cascade of ever-more-shocking revelations, *The Bone Code* is "a murder mystery story that races across America at the speed of fright" (James Patterson).

*Fatal Voyage* Kathy Reichs 2002-06-25 After a fatal airline crash in the mountains of North Carolina, Dr. Temperance Brennan heads to the

site to help identify the victims, but the discovery of body parts that do not belong to any registered passenger leads the investigation into a dangerous confrontation.

*Monday Mourning* Kathy Reichs 2014-08-26

"Temperance Brennan, forensic anthropologist for both North Carolina and Quebec, has come from Charlotte to Montreal during the bleak days of December to testify as an expert witness at a murder trial. She should be going over her notes, but instead she's digging in the basement of a pizza parlor. Not fun. Freezing cold. Crawling rats. And now, the skeletonized remains of three young women. How did they get there? When did they die? Homicide detective Luc Claudel, never Tempe's greatest fan, believes the bones are historic. Not his case, not his concern. The pizza parlor owner found nineteenth-century buttons in the cellar with the skeletons. Claudel takes them as an indicator of the bones' antiquity. But something doesn't make sense. Tempe examines the bones in her

lab and establishes approximate age with Carbon 14. Further study of tooth enamel tells her where the women were born. If she's right, Claudel has three recent murders on his hands. Definitely his case. Detective Andrew Ryan, meanwhile, is acting mysteriously. What are those private phone calls he takes in the other room, and why does he suddenly disappear just when Tempe is beginning to hope he might be a permanent part of her life? Looks like more lonely nights for Tempe and Birdie, her cat. As Tempe searches for answers in both her personal and professional lives, she finds herself drawn deep into a web of evil from which there may be no escape. Women have disappeared, never to return....Tempe may be next."--

**Break No Bones** Kathy Reichs 2015-02-17 Struggling with a lackluster teaching position at

an archeology field school in South Carolina, Tempe Brennan discovers a fresh skeleton among ancient bones and traces leads to a free street clinic where patients are going missing. **Bones Never Lie** Kathy Reichs 2020-03-03 Temperance "Tempe" Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs's phenomenally successful Bones series. Unexpectedly called in to the Charlotte PD's Cold Case Unit, Dr. Temperance Brennan wonders why she's been asked to meet with a homicide cop who's a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and

North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs once again satisfies readers looking for psychological suspense that’s more than skin-deep.

**Grave Secrets** Kathy Reichs 2020-03-03 From New York Times bestselling author Kathy Reichs, *Grave Secrets* is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are “the disappeared,” twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of

experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.

*Bones to Ashes* Kathy Reichs 2016-06-14 In Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood

best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.

**Deadly Stakes** J.A. Jance 2013-02-05 In this "heart-stopping" (Publishers Weekly) page-turner from New York Times bestselling author J.A. Jance, Ali Reynolds finds herself working against the police to clear two innocent names.

Former reporter Ali Reynolds finds herself working against the police to add up the clues that connect one frightened teenager, two dead bodies, and \$300,000...with the body count rising. Hired to investigate the grisly murder of a gold-digging divorcée on behalf of the woman accused of the crime, Ali Reynolds is immediately drawn to the case of the secretive teenager who found the body. A. J. Sanders was in the Camp Verde desert to retrieve a mystery box buried by his absent father—a box that turns out to be filled with hundreds of thousands of dollars' worth of poker chips. When a second body is found in the desert, it seems the three cases are more closely related than anyone could have imagined. Though Ali's friends in the police department grow increasingly irritated by her involvement, Ali must stop a ruthless killer from claiming another victim...before she is lost in this game of deadly stakes.

*Deja Dead* Kathy Reichs 2020-02-25 The first Temperance Brennan novel in the "cleverly

plotted and expertly maintained series” (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Temperance detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger... “A genius at building suspense” (Daily News, New York), Kathy Reichs’s Temperance Brennan books are both “accomplished and chilling” (People) and “ripe with intricate settings and memorable characters” (Milwaukee Journal Sentinel).

**Girl, Forgotten** Karin Slaughter 2022-08-23  
“It’s Slaughter’s prodigious gifts of

characterization that make her stand out among thriller writers.” — Washington Post From the New York Times bestselling author of Pieces of Her, comes an electrifying thriller featuring newly minted US Marshal Andrea Oliver as she investigates a cold case with links to her father’s past. A small town hides a big secret... Who killed Emily Vaughn? A girl with a secret... Longbill Beach, 1982. Emily Vaughn gets ready for the prom. For an athlete, who is smart, pretty and well-liked, this night should be the highlight of her high school career. But Emily has a secret. And by the end of the evening, that secret will be silenced forever. An unsolved murder... Forty years later, Emily’s murder remains a mystery. Her tight-knit group of friends closed ranks; her respected, wealthy family retreated inwards; the small town moved on from her grisly attack. But all that’s about to change. One final chance to uncover a killer... US Marshal Andrea Oliver arrives in Longbill Beach on her first assignment: to protect a judge

receiving death threats. But, in reality, Andrea is there to find justice for Emily. The killer is still out there—and Andrea must discover the truth before she gets silenced, too...

**Speaking in Bones** Kathy Reichs 2020-03-03 In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified in her lab. Information on some of these cold cases is available online, where amateur detectives sometimes take a stab at solving cases. When Tempe gets a call from Hazel “Lucky” Strike, a web sleuth who believes she’s successfully connected a body in Tempe’s lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her

mother’s diagnosis and the shock of Andrew Ryan’s potentially life-change proposal, Tempe has little patience for chasing false leads. But when the bones in the lab match the missing girl’s medical records, Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant interest in the site. Tempe’s suspicions turn to murder by ritual sacrifice—a theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site before the body count climbs higher. A suspenseful addition to Temperance Brennan’s story, *Speaking in Bones* proves that Kathy’s

pulse-pounding Bones series never slows down.
