CLASSICS: Alexie Brown The Soul of the Indian Charles A. Eastman 1911 An effort by a Native American to explain the content and attraction of Indian spirituality, concluding that Christianity and civilization are ultimately incommensurable concepts.

Bury My Heart at Wounded Knee Tracy Krayen Wynn 1984 Unproduced script based on the book by Dee Brown.

Trail of Tears John Ehle 1986-08-08 A six-generation North Carolina, highly-acclaimed author John Ehle grew up on former Cherokee hunting grounds. His experience as an accomplished novelist, combined with extensive, meticulous research, culminates in this moving tragedy rich with historical detail. The Cherokee are a powerful and distinct people, but they are caught in the crossfire of the American Revolution, struggling for survival amidst the shifting landscape of the frontier.

Surviving Wounded Knee Dee Brown 2009 Documents, personal narratives, and illustrations record the experiences of Native Americans during the nineteenth century.

Wounded Knee Massacre Captivating the Events of 1890 The Wounded Knee Massacre is often glossed over in general history texts as a generalized massacre. But such a generalization underestimates the real impact and significance of the events that happened on that fateful day, making it one of the most tragic events in Native American history.

Descendants of Wounded Knee Alan Hafer 2014 "One of the seven branches of the Lakota, the Oglals were the wealthiest and most native Native Americans. Led by a gush such as Red Cloud and Crazy Horse, these are the people that brought America to the table and signed the Treaty of 1868 and destroyed Custer at the Little Big Horn eight years later. … Descendants of Wounded Knee is an unparalleled account of life on the Pine Ridge. Told around the 1999 unmarked murder of Wally Black Elk and Ronnie Heart, Descendants tells how the US Army fought the destruction of a people and a way of life that had existed for thousands of years.”--Publisher’s description.

Bury My Heart at Wounded Knee Dee Brown 2009 Documents, personal narratives, and illustrations record the experiences of Native Americans during the nineteenth century.

Bury My Heart at Wounded Knee Dee Brown 1993-11-15 The white man’s conquest of the Indians of the American West, emphasizing the causes, events, and effects of the major Indian Wars leading to the symbolic end of Indian freedom at Wounded Knee.

Bury My Heart at Wounded Knee Dee Brown 1993-01-31 A true classic of American history, Bury My Heart at Wounded Knee is Dee Brown’s eloquent, meticulously documented account of the systematic destruction of Native American culture in the American West.

Surviving Wounded Knee David W. Grus 2016 On December 29, 1999, the U.S. Seventeenth Cavalry killed more than two hundred and fifty Native Americans, including men, women, and children, at the Wounded Knee Massacre.

than three decades, this is an essential addition to our understanding of how the West was really won.

yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than a century, this illiterate mountain man understood and respected the Western tribes better than any other American, including the Navajos, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the center of this epic saga is the story of the Army of the West, which marched across the western frontier. In this nonfiction account, Dee Brown focuses on the battles, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcelfully written and meticulously researched, Bury My Heart at Wounded Knee inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown, including rare photos from the author’s personal collection.

Bury My Heart at Wounded Knee: Dee Brown 1976-11-28 There are two kinds of people on this planet: those who saw the movie and those who haven’t. No, it’s not the Western—although it’s great. It’s the nonfiction book about the American conquest of the West. A riveting account of events leading up to the Battle of the Hundred Slain—the devastating 1866 conflict culminating in the Sioux massacre at Wounded Knee. "Shattering, appalling, compelling... One wonders, reading this searing, heartbreaking book, who, indeed, were the savages" (The Washington Post). The Fetterman Massacre: A riveting account of events leading up to the Battle of the Hundred Slain—the devastating 1866 conflict at Wyoming’s Ft. Phil Kearney that pitted Lakota, Arapaho, and Northern Cheyenne warriors—including Oglala chief Red Cloud, against the United States cavalry under the command of Captain William Fetterman. Based on a riveting book of the same name, this story of the frontier’s defining conflicts. Creek Mary’s Blood: This New York Times bestseller illuminates the true story of Mary McNaught—born in 1700 to a Creek chief—and five generations of her family. The sweeping narrative spans the Revolutionary War, the Trail of Tears, and the Civil War—in which Mary’s descendants fought on both sides of the conflict. Rich in detail and human drama, Creek Mary’s Blood offers "a robust, unbiased crash-course in Native American history that rolls from East to West with dark, inexorable energy" (Kirkus Reviews). Dee Brown 1992-01-01 Documented account of the décimation of Native Americans in the last half of the 19th century, told from the Indian viewpoint.

Blood and Thunder: Hampton Sides 2007-10-09 NATIONAL BESTSELLER • From the author of Ghost Soldiers comes a magnificent history of the American conquest of the West—"a story full of authority and color, truth and prophecy" (The New York Times Book Review). In the summer of 1846, the Army of the West marched through Santa Fe, on route to invade and occupy the Western territories claimed by Mexico. Fueled by the new "Manifest Destiny," this land grab would lead to a decades-long battle between the United States and the Navajo, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the center of this sweeping tale is Kit Carson, the tracker, scout, and soldier whose adventures made him a legend. Sides shows us how this illiterate mountain man understood and respected the Western tribes better than any other American, yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than three decades, this is an essential addition to our understanding of how the West was really won.
