Castle Roogna Piers Anthony 1987 Traveling eight centuries into the past for a magic elixir to help his friend Millie find love, the young sorcerer Dor takes up the body of a barbarian warrior and befriends a giant spider Centaur Aisle Piers Anthony 2002-03-26 The magic of Xanth was useless in Mundania—until Dor tried honestly! Dor was having troubles growing up to be the next Magician-King of the magic Land of Xanth. He wanted no part of running the Kingdom. But now the Good King Trent was leaving on a trade mission to non-magical Mundania, home of such weird beasts as horses and bears, so Dor had to take over as King for a week. A week passes. No Trent. Then three weeks. King Trent still hasn't returned. Surely, something terrible had happened: he was apparently held captive in some foul dungeon, unable to escape. Dor was left with the burden of ruling—and with Irene, who was entirely too willing to be his Queen! His only hope was to enter Mundania and free King Trent. But how could it be done without the powers of magic? Nevertheless, he started forth bravely—together with Irene, a golem, a centaur, and a young ogre—heading for the far south of Xanth. The entrance to Mundania, of course, lay to the north.

Faun & Games Piers Anthony 2019-10-15 "The future sure won't have what it used to be" when Piers Anthony reveals a world within the world of Xanth—and its infinite possibilities (Kirkus Reviews). The miraculous and mirth-filled land of Xanth holds many marvels. But now an extraordinary new aspect of this remarkable realm unfolds as young Forrest Faun’s quest takes him to a tiny planet hidden in the heart of Xanth. There, with a delightful “day mare” as his constant companion, Forrest will find more marvels then he ever dreamed of. Packed with magic, mystery, and merrymaking, Faun & Games is the freshest and most exciting Xanth adventure in a month of Pundays! "With plenty of the spy characters and cheerful wordplay for which Anthony’s works are known, this new Xanth tale should, like its predecessors, manage to wiggle its way onto the bestseller lists." —Publishers Weekly

Pet Peeve Piers Anthony 2004-10-03 Unlikey Goblin hero Goody is instructed by the Good Magician Humfrey to find a suitable home for a foul-tempered bird, a quest that inadvertently triggers an invasion by an army of seemingly indestructible killer robots and forces Goody to enlist the aid of a host of supernatural denizens. Reprint.

Juxtaposition Piers Anthony 2012-02-14 In this brilliantly satisfying conclusion to the epic adventure begun in Split Infinity and continued in Blue Adept, Piers Anthony again proves himself a consummate master of both science fiction and fantasy. Stile had problems—two whole worlds of problems, in fact. On Proton, a world of future science, his murder was averted only by the help of a lovely robot, who sent him through an alternate world ruled by magic. There he found he was the double of the sorcerer, the Blue Adept, who had been mysteriously murdered. And the assassin was after Stile! To survive, Stile had to master magic, fight a dragon, win the friendship of a lady unicorn, locate his enemy among the paranoid Adeptus, and return out of Phaze to win the Great Games on Proton. After that, he was ready to face the real problems! The infallible Oracle was suddenly involved in the conspiracy against him. The two worlds were out of balance and heading for disaster. Stile was somehow supposed to take over the job of saving them or go down to total destruction with all he loved, he had to act and act quickly—with no idea of what he was supposed to do.

Split Infinity Piers Anthony 2012-02-14 On the technological, decadent world of Proton, someone was trying to destroy Stile, serf and master Gamesman. His only escape lay through a mysterious “curtain” revealed by a loving robot. Beyond the curtain lay Phaze—a world totally ruled by magic. There, his first encounter was with an amulet that turned into a demon determined to choke him to death. And there, he soon learned, his alternate self had already been murdered by sorcery, and he was due to be the next victim. “Know thyself!” the infallible Oracle told him. But first he must save himself as he shuttled between worlds. On Proton, his fate depended on winning the great Games. On Phaze, he could survive only by mastering magic. And if he used any magic at all, the werewolf and the unicorn who were his only friends were determined to kill him at once!

Isle of View Piers Anthony 1990-10-01 Perplexed Prince Dolph, Xanth’s precocious shapeshifter, should be in love but isn’t. Nonetheless, he must choose between two fiancées - Nada the uninterested and Electra the uninteresting - or all three of them will suffer the most dire of consequences. Luckily a convenient catastrophe has popped up to distract Dolph from his dilemma - the foal-napping of young Che Centaur by goblins. And the only one who knows where Che is is a nice but remarkably naive elflike girl named Jenny from the World of Two Moons. If anyone can save the missing cubs...she sure can’t!

Roc and a Hard Place Piers Anthony 2019-10-15 “Puns and playfulness reign supreme” as a demoness learns that big birds of a feather don’t flock together in the New York Times–bestselling Xanth series (The Toronto Star). Seeking a solution to a perplexing personal problem, the delectable Demoness Metria asks for help from the wise Magician Humfrey. But before he will help her, she must perform a perilous mission: Rove the length and breadth of Xanth in search of a suitable jury for the trial of Roxanne Roc, a notably noble and virtuous bird charged with a most improbable offense. Exciting, exhilarating, and brimming with hilarious high jinks, Roc and a Hard Place is Xanth at its most enchanting. "[A] lighthearted series...many outlandish characters, adventures, jokes and plays on words." —Publishers Weekly

Zombie Lover Piers Anthony 1999-10-15 Brianna, a beautiful young Black girl, unfortunately attracts the attention of King Xether, ruler of Xanth's zombies, who wants to make her his queen

Bloodhype Alan Dean Foster 2002-03-26 Could even the remarkable Flixn stop the deadly drug that was sweeping the galaxy? It caused instant addiction, followed by an excruciating slow death, and there was no known antidote. It was a killer. Supposedly the drug had been totally eradicated from the humanx galaxy years before. At least that's what everyone thought. But somehow, mysteriously, that dreadful substance was back in circulation on Repler and threatening to wreak havoc throughout the known galaxy. Someone somewhere was secretly manufacturing Bloodhype, but nobody seemed to know where or who!

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of Battle Hymn of the Tiger Mother). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

A Spell for Chameleon Piers Anthony 2002-03-26 BEST NOVEL OF THE YEAR, BRITISH FANTASY SOCIETY • Discover the magical beginning of Piers Anthony’s enthralling Xanth series Xanth was the enchanted land where magic ruled—where every citizen had a special spell only he could
cast. It was a land of centaurs and dragons and basilisks. For Bink of North Village, however, Xanth was no fairy tale. He alone had no magic. And unless he got some—and got some fast!—he would be exiled. Forever. But the Good Magician Humfrey was convinced that Bink did indeed have magic. In fact, both Beauregard the genie and the magic wall chart insisted that Bink had magic. Magic as powerful as any possessed by the King or by Good Magician Humfrey—or even by the Evil Magician Trent. Be that as it may, no one could fathom the nature of Bink’s very special magic. Bink was in despair. This was even worse than having no magic at all... and he would still be exiled! Thus begins Piers Anthony’s enthralling Xanth series... .

Three Complete Xanth Novels Piers Anthony 1995-02-01 Combining the three volumes from the popular Xanth series, a collector’s edition includes A Spell for Chameleon, The Source of Magic, and Castle Roogna.

Heaven Cent Piers Anthony 2011-04-01 In the mind of Xanth’s precious stewards shifting the proverbial ground, Heaven Cent continues the saga of Rapunzel, whose powers are both inadvertent and terrible. This novella is a love story, and a mystery, for it concerns a magical fate and a magic box called the Gap Dragon.

Orb is the 40th book in the Xanth series, but you may enjoy reading the series in any order.

Skeleto Key Piers Anthony 2021-02-09 There’s no dancing around a demonic threat in the fantasy world of Xanth in the New York Times-bestselling series. Squid, the alien cuttlefish, is getting an upgrade: a boost to her shape-changing talent so she can lead a mission against a foreign Demon who’s stirring up trouble in Xanth. At Squid’s side are her rescued siblings and one very special child—Larry, a girl in a boy’s body, who will act as a secret host for their adoptive mother, the Demoness Fornax. Aboard the Fire Boat, they form a plan to disguise themselves as a traveling dance troupe. Each child is paired up with a native Xanthian. But it’s the friendship that blossoms between Squid and Larry that will power their quest, and they’ll have to do some fancy footwork to avoid the trials and tribulations that await them.

Chthon Piers Anthony 2014-07-01 A Nebula and Hugo Award Finalist: The first novel by the New York Times-bestselling author of the Xanth series. Chthon was Piers Anthony’s first published novel in 1967, written over the course of seven years. He started it when he was in the US Army, so it has a long prison sequence that is reminiscent of that experience, being dark and grim. It features Aton Five, a space man who commits the crime of falling in love with the dangerous, alluring Minionette and is therefore condemned to death in the subterranean prison of Chthon. It uses flashbacks to show how he came to know the Minionette, and flash-forwards to show how he dealt with her after his escape from prison. The author regards this as perhaps the most intricately structured novel the science fantasy genre has seen.

Swell Foop Piers Anthony 2018-12-18 Someone—or some thing—has kidnapped the dreaded Demon Earth. If he isn’t found, the very fabric of our world will unravel, removing the Earth’s gravitational field, and, incidentally, that of the magical land of Xanth as well! To combat this dastardly deed, six bold adventurers must locate the mysterious object known as the Swell Foop, and wield it in a deadly cosmic contest against an awesome enemy. The twenty-fifth exhilarating episode in Piers Anthony’s fabulous saga of Xanth, Swell Foop blends laughter and romance, wonder and danger, in one of the most intricate and intriguing tales in the history of the series. Swell Foop, the twenty-fifth volume in Piers Anthony’s bestselling Xanth fantasy adventures, is one of the most intricate and intriguing tales in the history of the series. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Geis of the Gargoyle Piers Anthony 2019-09-24 A gargoyly finds himself caught between a rock and a hard place in this Xanth adventure that “should delight Anthony’s many fans” (Publishers Weekly). As a gargoyly, Gary must find a philter for the water, while taking on any gargoyle’s stony composure. So Gary does what any good Xanthian would do: he seeks the help of the Good Magician. But payment for his service is high. Gary must find a philter for the water, while taking on a known troublemaker, along for the ride. It won’t be easy, especially when they’re all transported back to the dawn of time. And if they can’t figure out what’s going on in the past, there may be no future for Xanth—come hell or high water . . . “Ephemeral amusement for pun-struck Xanthonauts.” — Kirkus Reviews

Ogre, Ogre Piers Anthony 2002-03-26 When a nymph rides a Night Mare, Ogre beware! Smash knew all about ogres. After all, despite his having a human mother, Smash was an ogre himself. Ogres were not only huge and horribly ugly, as Smash was; they were also so stupid they couldn’t hardly speak, and they spent most of their time fighting, destroying, and
the ghosts of their universe—and the most horrifying ghost of all. This is a novel that will long linger in the reader’s mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept the judgment of his own God, despite the frightening reality. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution! Visual Guide to Xanth Piers Anthony 1989-11-01 Bursting with exquisitely detailed maps, charts, and illustrations, here’s an indispensable addition to the amazing Anthony Xanthian anthology that no true “Xanthophile” will want to be without.

Tathea Anne Perry 2013-03-26 Exiled from her palace by a bloody coup, and impressed through no fault of her own, Tathea is determined to return home in search of enlightenment—and righteous vengeance. The empress Tathea is awakened by the sounds of insurrection. The army, the aristocracy, and the royal guard have all turned against her husband, and stained the palace with his blood. Were she an ordinary ruler, she might follow him to the grave, but Tathea is a child of the wild lands. She comes from the desert, so to the desert she flees. Across the kingdom she travels, searching for shelter, friendship, and an explanation for the tragedy that destroyed her old life. As she fights to stay alive, she finds a book whose message might tip the scales in the battle between good and evil, changing the world forever. If her life is to have meaning, Tathea will have to spread the word. Tathea is the first book in the Tathea series, but you may enjoy reading the series in any order.

A Tryst of Fate Piers Anthony 2021-10-05 You’re better wed than dead—even in Xanth—in the hilariously punny new adventure in the fantasy series soon to be adapted for film and television! Squid may only be a tween alien cuttlefish, but her feelings for Chaos, her Demon boyfriend, are real, which is why she’s more than ready to let someone else take over as the protagonist of this story. Being a main character is exhausting—and it’s drastically cutting down her flirting time with Chaos. But her alternate future is dependent upon their conclusion of one final mission. . . . Seven years from now, in another reality frame, things are not so picture perfect. Squid’s dream of happily ever after turns into happily never after when Chaos’ human host is murdered the night before their wedding. So before they become newly dead instead of newly wed, Squid and Chaos must travel through time in order to meet their maker . . . Praise for Piers Anthony “Piers Anthony is one of those authors who can perform magic with the ordinary. . . . [He] is a craftsman.” —A Reader’s Guide to Science Fiction “Anthony’s unflagging sparkle, verve and wordplay spin everyday trials of Mundane life into storytelling gold.” —Publishers Weekly Bearing an Hourglass Piers Anthony 2012-02-14 Like On a Pale Horse, this second, complete—in-itself novel of the Incarnations of Immortality is a rich, imaginative, and fascinating read. Add to that Piers Anthony’s richly drawn characters and his adept plot twists and it adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position in the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnates of Immortality—Death, Fate, War, and Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become ensnared in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the Hourglass, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to return.

Ghost Piers Anthony 1987-12 Earth is an energy-starved madhouse where spaces are hated as power “wasters”. But starship captain Shetland’s life is dedicated to finding new energy sources—a search that takes him into deepest space and time where he and his crew discover the ghosts of their universe—and the most horrifying ghost of all.

The Continuing Xanth Saga Piers Anthony 1997 Three exciting, adventure-filled Xanth novels—Night Mare, Centaur Asile, and Ogre, Ogre—appear in one fun-filled volume packed with all of the dazzling action of contemporary science fiction and fantasy.

Harpy Thyme Piers Anthony 2019-09-24 It’s harpy hour in the New York Times bestselling series, as a one-of-a-kind Xanth woman searches for her happy ever after. Though Glofa loves every inch of Xanth—from Lake Ogre-Chobee to the Ever Glades—being the only harpy-goblin cross in existence has her feeling a bit lonely. Now that she’s old enough to enter into the Adult Conspiracy, she has to face reality: There are no males of her kind to mate with. Her only chance at love is to seek the help of the Good Magician, but all he has to give her is a referral. . . . Sent to find the Good Magician’s second son, Trent, Glofa embarks on a journey that will take her to the most magical and mad parts of Xanth. Along the way, she’ll acquire friends and foes—including demons and nymphs, a winged chimney, and a churl—and for a skull, a soul, and a bit of evil. But with the help of Trent, Glofa just might discover that her quest for the ideal partner may be the biggest fantasy of all. “Amusing . . . Fans of the author’s trademark humor will relish this latest jaunt through the wacky world of Xanth; new readers too will enjoy the fun.” —Publishers Weekly

Night Mare Piers Anthony 2002-03-26 The danger to Xanth was so great that only a night mare could offer hope! The Nextwave of barbarian warriors was invading Xanth from the north, ravaging and destroying as they advanced. But Mare Imbrium had her own problems. Ever since she had gained the half soul, the night mare had begun to mishandle her job of delivering bad dreams—now the night Stallion dismissed her, exiling her to the day world with a message for King Trent: Beware the Horseman! She had no idea what that meant. But that was the way with prophetic warnings—nobody could understand them until it was too late. Then she met the Horseman. And she discovered that one who would right a night mare was a master of a bit and spur, and not a man to surrender her. For the night mare, it all began to be a horrible nightmare! Source of Magic Piers Anthony 2002-03-26 A quest for the source of power threatened to doom the land of Xanth As a ruler of a country steeped in enchantment, King Trent was naturally curious about the source of its magic. It made sense to order Bink, the only one of his subjects immune to supernatural harm, to undertake a quest to discover the wellspring of Xanth’s uniqueness. From the beginning, Bink and his companions, Chester the centaur and Crombie, the soldier transformed into a griffin, were harried by an unseen enemy determined to thwart them. Even the power of Good Magician Humfrey, together with Bink’s protective talent, scarcely saved their lives. Then when Humfrey and Crombie turned against him, all seemed lost. But Bink’s ingenuity and luck prevailed, and he reached his goal. The King’s orders had been carried out . . . But the King had not expected Bink’s next act—to destroy utterly the magic of Xanth! Up In a Heaval Piers Anthony 2018-12-18 A Spot of Trouble An innocent piece of Mundane Snail Mail has provoked the dreaded Demon Jupiter to hurl his Red Spot at the magical land of Xanth. As the dire Dot draws closer, the unwelcome gift of saving the enchanted realm falls to Umlaut, an unlikely lad with an unknown past and an uncertain future. With a handful of colorful companions at his side, Umlaut must unravel a high-stakes intergalactic puzzle, uncover the secret of his mysterious past, and learn to understand the urgings of his own heart. It might have been the mostest chance that brought Umlaut to Castle Zombie that morning and launched him on a harrowing adventure. But in the magical land of Xanth, things are seldom left to chance, and adventures lurk around every corner. An unassuming young man with a uncanny knack for attracting lovely young ladies and an uncommon talent for emulating anyone he wished, Umlaut was forced to flee a flock of overly friendly females by disguising himself as a Zombie girl. In his haste to find a hiding place, he found himself face-to-face with a dreadful dragon and feared he would soon meet his end. But in Xanth, things are seldom exactly as they seem, and he soon discovered that the dragon was really
a sinuous female sea serpent named Sesame, with a gift similar to his own, who had become accidentally entrapped in the Castle’s dungeon. When the two happen upon a packet of mail from Earth delivered by mischance to the Zombie King, they inadvertently set in motion a sinister scheme that could spell the end of Xanth. A letter they forward to the Demon Jupiter unexpectedly enrages him, causing him to send his own Red Spot hurtling toward Xanth. Soon everything is up in a heaval, for no one knows how to avert this interplanetary peril. Even the Good Magician Humfrey is baffled, for some strange force has obscured the future. In desperation, he instructs Umlaut and Sesame to deliver the remaining letters to their far-flung recipients, in the faint hope that this may somehow stop the Spot. As they set out on their appointed rounds, Umlaut and Sesame are soon joined by two feline friends, Jenny Elf’s companion, Sammy Cat, and a lovely, prescient creature named Claire Voyant who can sometimes see the future. Beguiled and bedeviled by the delicious Demoness Metria, who uses her shapely assets to distract him from his goal, Umlaut leads his allies on an unforgettable odyssey to the farthest reaches of the enchanted realm, from the submicroscopic Nth Moon of Ida, and the home of all dreams and nightmares, to the unmagical land of Euphoria, where he meets a sweet and sprightly young girl named Surprise who captures his heart. But before Umlaut can complete his quest and return to his beloved, he must unravel the unfathomable puzzle of his own existence, which is somehow inextricably entwined with the fate of Xanth. A satisfyingly suspenseful tale filled with mystery, magic, and merriment, Up in a Heaval is exciting and entertaining fantasy adventure from the pen of a master storyteller.
