*Hydrogen Energy California Project: Sections 1-4.2* California Energy Commission 2013 "This project is for an integrated gasification combined cycle (IGCC) power generating facility called Hydrogen Energy California (HECA) in Kern County, California.... The project, as proposed, would gasify blends of petroleum coke (25 %) and coal (75%) to produce hydrogen to fuel a combustion turbine operating in combined cycle mode. The gasification component would produce 180 million standard cubic feet per day (MMSCFD) of hydrogen to feed a 400 megawatt

(MW) gross, 288 MW net combined cycle plant providing California with dispatchable baseload power to the grid. The gasification component would also capture approximately 130 MMSCFD of carbon dioxide (or approximately 90 percent at steady-state operation) which would be transported and used for enhanced oil recovery and sequestration (storage) in the Elk Hills Oil Field Unit. The HECA project would also produce approximately 1 million tons of fertilizer for domestic use" -- California Energy Commission web site, Docket 08-AFC-8A.

2022-10-28 The Construction Simulator offers all simulation fans many opportunities to succeed in construction with over 70 vehicles and equipment on two large maps. The possibilities range from simple roadwork and repairing pipelines, building swimming pools and city redevelopment to constructing large bridges and hotel buildings. The player leads his own company to success and has to keep an eye on his finances as well as his fleet of vehicles and the required building materials. This official guide is intended to assist with this and be a companion when questions arise. The

guide contains: Everything about settings and the controls. Game mechanics explained. Participating in online games and setting them up yourself. The individual menus described and explained. Great overview of all vehicles and machines in the game. Both maps with special places and points of interest explained. Maps of all collectibles and speed cameras. Tips on driving offenses. Keeping track on finances. Overview of achievements.
