to police officers, you might want to know that the questions on your test will be based on the information that has already been presented by a teacher. That means they see time and again what works and what doesn’t work. The TSI Manual 2020-2021 is the most comprehensive manual used by first responders in the United States and Canada for transportation incidents involving dangerous goods or hazardous materials.

TSI Manual 2022-2023

For the TSI Guide 2021-2022 Pre Test Prep’s study guide for the TSI is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only the most valuable information that you need to pass your test. That means they are concise and to the point, providing you with the tools and more practice questions than any person could be expected to work through. This guide is packed with practice tests and questions feel just like you’re sitting for your own TSI test. Pre Test Prep’s study guide for the TSI includes the following:

- A comprehensive review that goes into detail to cover all of the content likely to be tested on your TSI test.
- Quick overview, practice test questions, and test-taking strategies. It has everything you need to practice questions.
- A full-length practice test based on the exam questions provided by the College Board.
- Test tip: practice test questions.
