Dark Light S. L. Jennings 2013-04-14 LOVE, SEX, MAGIC. Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, both love and good sex were virtually a myth. And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and instantly become what she was destined to be? Lucky for Gabbs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabbs is in way too deep to even try to turn away from him now. Dark Light, Book 1 of the Dark Light Series, is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-biting addiction for the man she can't deny, no matter the cost. *Contains strong adult content.*

From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore—Praise for the Celestra Series... “This series has been incredible from the very first book. There is non-stop action throughout and its got tension-filled romance as well. Usually when there is a love triangle, I choose a side and stay there, but with this series I can’t decide whose team I’m on. One book, it’s hands down team Gage. Then in the next book I’m feeling bad for Logan. Now, even Marshall is growing on me!! Country Kisses (3 AM Kisses 8) Addison Moore 2016-05-03 “Can be a standalone!” I fell hard for Cade the moment I met up with those bedroom eyes of his, but it’s not my heart I’m interested in gifiting him. Cade James is my best friend’s brother, well bred and well bed. To him I’m just another playingthing, but I can’t blame him for that. I’m not much to look at, and there’s not a man on the planet that would be willing to make me his own. But Cade is pulling me deeper, asking questions, wanting to know what makes me tick—wanting to know who gave me the scar that takes up the landscape over half my face. Cade wants far more than what I’m willing to give him. If I let him in, let him into the most sacred chamber of my heart, I might end up with a wound far greater than the one that left that scar. The wound Cade James has put the power to inflict could never have been inflicted—and bested—by anything.
