Skyla Messenger is a halfbreed angel who can read minds, one too many love interests, and an entire faction of angels who are out to kill her—living on Paragon Island can be deadly. My name is Skyla Messenger and I'm a dead girl walking. Not only is an entire faction of angels out to kill me, but I'm falling fast and hard for a handsome devil who happens to share my ability to read minds. And this island I've just moved to is a total love spell. If I thought the first half of my life was a bumpy ride, I'd better buckle up because I'm about to go over the hill and off the rails.
