
Welcome to the world of minerals! This book is designed to help you find out the properties of minerals, where they can be found, and how they are used, along with fun facts! It includes a 24-inch, full-color pull-out poster! Minerals are a gift of God's grace. Every day we touch them, seeing the diamond in an engagement ring or a copper chain with a cross on it. Minerals are found in our video game titles like Minecraft and World of Warcraft. Making them even more of a part of our daily experience are the natural, rare, and valuable minerals that make our world such a beautiful place.

A Great Big Book: An Illustrated Companion
