"A Seth Library of the Righteous and Forsaken Children of the Church: Saint Augustine on the Major Issues of the Gospel, the Same Good Pulpit Speech 1688

Handwritten notes of the great scholar, Anthony of Egypt, are included in this edition of his major work. A Seth Library is a collection of the best and most influential works of the greatest minds in history.

In this edition, we see how Anthony of Egypt's teachings are still relevant today, as they were in his time. This is a must-read for anyone interested in the history of religion and the study of spirituality.

On August William Lane Craig 2010-03-01 Renowned scholar William Lane Craig offers a realistic, rich running defense for the Christian faith. This concise guide is filled with illustrations, anecdotes, and historical examples to demonstrate the viability of the supernatural claims of Christianity. Craig also provides answers to the most common objections of the non-believer, including the origin of life, design, and miracles.

In this book, Craig shows that the Christian faith is the best explanation for the world we live in. He presents a compelling argument for the existence of God and the truth of the Bible.

If you're looking for a clear, comprehensive, and evidence-based approach to defending Christian beliefs, this book is for you.

Soul Searching is a fascinating look at the religious and spiritual lives of American teenagers. The authors present findings from a large-scale survey of nearly 1,000 teenagers, and they explore the factors that shape their beliefs and practices.

This book is a must-read for anyone interested in the future of religion in America, and it provides valuable insights for parents, educators, and faith leaders.

The Story: Reading the Bible as One Story (2009) by Henri J.M. Nouwen

In this book, Nouwen invites readers to read the Bible as one continuous story, from the creation of the world to the restoration of all things. He shows how this view of Scripture can deepen our understanding of the Christian faith and our relationship with God.

This book is a great resource for anyone looking to explore the Bible in a new way, and it provides a fresh perspective on the overall narrative of the Bible.

The Birthright Project: How the Bible Has Shaped America (2015) by Benjamin D. Cline

In this book, Cline explores the influence of the Bible on American culture and politics. He examines how the Bible has been used to justify various social and political movements, and he offers insights into the ongoing debate over the role of religion in public life.

This book is a valuable resource for anyone interested in the intersection of religion and politics, and it provides a deeper understanding of the role of the Bible in American culture.
