Christianish What If Were Not Really Following Jesus At All Mark Steele

As recognized, adventure as well as experience virtually lesson, amusement, as with ease as accord can be gotten by just checking out a ebook Christianish What If Were Not Really Following Jesus At All Mark Steele in addition to it is not directly done, you could say you will even more regarding this life, in this area the world.

We have the funds for you this proper as without difficulty as simple habit to get those all. We offer Christianish What If Were Not Really Following Jesus At All Mark Steele and numerous books collections from fictions to scientific research in any way. in the middle of them is this Christianish What If Were Not Really Following Jesus At All Mark Steele that can be your partner.

Post-Traumatic Church Syndrome Reba Riley 2016-03-15 “A woman about to turn 30 and dealing with health challenges finds that she wants to reconnect with faith, just not with the religion she was raised in. She decides to visit 30 different faith traditions before she turns 30, and finds that her journey encompasses more than just visiting different houses of worship”--

Apprenticeship with Jesus Gary W. Moon 2009-09-01 Ask a crowd of Christians whether they believe in Jesus as Lord and Savior, and all hands will go up. Ask the same crowd whether they live like Jesus, and most of those same hands will come down. Why is this? Why is it so hard to bridge the gap between belief and real life? Respected author, professor, and psychologist Gary W. Moon thinks it has to do with our hyper-intellectual but non-experiential method of living the Christian life. In this winsome book Moon provides a thirty-day apprenticeship with Jesus, whereby readers will actively practice being with Jesus day in and day out. Each day’s reading uses compelling stories and scripture to illustrate a point and closes with a suggested apprenticeship activity.

Unfriend Yourself Kyle Tennant 2012-01-01 No Facebook. No Twitter. No social media. Just time to detox, discern, and decide. Take a three-day social media fast with Unfriend Yourself, and learn to examine your use of social media from a Christian perspective. This book will guide you in evaluating your fast by asking challenging questions such as: What happens when I broadcast myself on the Internet? Do I see a difference between my interactions on social media and my interactions face-to-face? Do I rule my media, or do my media rule me? While reading Unfriend Yourself, you will learn to think critically, biblically, and practically about social media. Whether you choose to leave the social media scene, engage in it less, or engage in it more after your social media fast, your perspective on social media will never be the same. “Without throwing the baby out with the bathwater, Kyle challenges the Christian to a God-honoring approach to social media involvement. Well researched and thought through, Unfriend Yourself avoids the emotional arguments and instead presents a provocative ‘must read’ for any students, young adults, and generations beyond who want to be responsible in approaching social media from a biblical worldview.” -- Dr. Bob MacRae, Professor of Youth Ministry at Moody Bible Institute

The Emancipation of Robert Sadler Robert Sadler 2012-01-01 Powerful True Story of a Twentieth-Century Plantation Slave Over fifty years after the Emancipation Proclamation, Robert Sadler was sold into slavery at the age of five--by his own father. This is the no-holds-barred tale of those dark days, his quest for freedom, and the determination to serve others born out of his experience. It is a story of good triumphing over evil, of God’s grace, and of an extraordinary life of ministry. An updated edition of a classic title.

Relationship Goals Michael Todd 2020 A candid, inspiring guide to finding lasting love by getting real about your relationship goals--based on the viral sermon series about dating, marriage, and sex. Realer than the most real conversation you’ve ever heard in church on the topic, Michael Todd’s honest, heartfelt, and
powerful teaching on relationships has already impacted millions. Michael believes that relationships are the epicenter of human thriving. All too often, though, we lack the tools or vision to build our relationships on the wisdom and power of God. In other words, it’s good to have a goal, but you can’t get there without proper aim. By charting a course that candidly examines our most common pitfalls, and by unpacking explosive truths from God’s Word, Michael’s debut book will transform a trendy hashtag into a future where your most cherished relationships thrive in relational life, hope, and abundance. Now those are real relationship goals.

**Touching Wonder** John Blase 2012-11-12 This bold retelling of Luke 1-2, based on Eugene Peterson’s Message translation, reads like a novel and invites readers to experience the Nativity with fresh wonder. To Eugene Peterson’s The Message Bible translation, John Blase adds his own storytelling voice, exploring the familiar events from multiple first-person viewpoints. What emerges is the intimate story of unlikely people—a frightened teenaged girl, a worried carpenter, a collection of senior citizens, a disillusioned young shepherd—meeting up with the divine as they bumble and stumble toward the realization that the little one just born is the One. This retold story of Word made flesh invites readers to react appropriately—with eyes opened wide in wonder, jaws dropped in amazement, and hearts rejoicing. The beautiful design and Amanda Jolman’s lively line drawings make this book a fitting gift as well as a Christmas tradition that families will treasure for years to come.

**Game On** Emmitt Smith 2011-08-25 Emmitt Smith, the NFL’s all-time leading rusher of the Dallas Cowboys, Dancing with the Stars champion, and successful real-estate investor, outlines the principles that helped him become a winner on and off the football field. In this book he encourages you to live your God-given dream, now. Emmitt reveals that it’s not only vision and talent that propel us toward our dreams, but also a combination of determination, persistence, humility, courage, and faith. Game On is more than self-help. The book gives readers practical tools to empower them to pursue their God-given purpose with all their mind, heart, and soul.

**Angels Are for Real** Judith MacNutt 2012-02-01 Leading Expert Demystifies Angels and How They Interact with People Angels have a vital role in the Kingdom of God—and in the lives of believers. Yet many Christians treat the existence of angels lightly or fail to consider them at all. In Angels Are Real Judith MacNutt pulls back the curtain on this intriguing topic, recounting inspiring, true-life stories and miraculous interactions, revealing what the Bible says about these heavenly beings, and offering insight into the spiritual realm. She draws on solid scriptural support to explore ‘what angels look like’ ‘what they do’ ‘why they are important in believers’ lives’ ‘the heavenly hierarchy’ ‘what fallen angels are’ and more. Angels Are Real is an accessible, comprehensive, encouraging guide for Christians. When believers grasp the importance of angels to God—and themselves—they will better understand God’s power and his extraordinary love.

**Exploring the Story** Adam Barr 2011-04-19 Many people today encounter strange events, names, customs and/or people when they pick up their Bible to read. The world of the Bible can seem very distant to modern readers, even if they are reading a contemporary translation. To help readers gain a better understanding of the world of the Bible, Zondervan has developed a one-volume, handy-size reference resource that will take readers from Genesis to Revelation and provide helpful insights along the way through the use of full-color photos, maps, timelines, character descriptions, special articles on important biblical topics and background information about the nations, and places and customs that they will encounter in their reading of the Bible. What sets this reference resource apart from others is that it is designed to serve as a companion to The Story, a Bible that allows the events, poems, and teachings to the Bible to read like a novel. This reference resource is arranged according to the chapters as found in The Story with each section containing vital information for understanding the biblical text. The Story Reference Companion is a must-have reference volume for teachers and participants engaged in Bible study, especially those reading through The Story.

**The Household of Sir Thos. More, Libellus a M. More inceptus [really written by A. Manning]. By the author of Mary Powell** Anne Manning 1860

Gracism David A. Anderson 2009-11-11 “The parts that we think are less honorable we treat with special honor.” I CORINTHIANS 12:23.... When people deal with color, class or culture in a negative way, that’s racism. But the answer is not to ignore differences as if they don’t matter. Instead, we can focus on diversity in a positive way, as an opportunity to show God’s favor to others. That’s gracism. David Anderson, pastor of one of the most vibrant multicultural churches in America, responds to prejudice and injustice with the principle of gracism-radical inclusion for the marginalized and excluded. Building on the apostle Paul’s exhortations in 1 Corinthians 12 to honor the weaker member, Anderson presents a biblical model for showing special grace to others on the basis of color, class or culture. He offers seven sayings of the gracist with practical examples for building bridges and including others. A Christian alternative to secular models of affirmative action or colorblindness, gracism is an opportunity to extend God’s grace to people of all backgrounds.

**Honestly** Johnnie Moore 2011-09-01 Johnnie Moore, vice president and campus pastor of Liberty University, inspires readers with an enthusiastic challenge to live out fully what they say they believe as Christians. In his uniquely
confessional tone, Johnnie takes readers on a journey of belief from the hilltop home of the Dalai Lama to a mass grave of more than 250,000 people in Rwanda. He dares to address the doubts and challenges that have turned many well-intentioned Christians into hypocrites. Like a good pastor, Moore helps heal the wounds he opens, and he leaves his reader with one curious question, “What could happen if the world’s Christians actually began to live what they say they believe?”

Almost Christian Kenda Creasy Dean 2010-07-16 Based on the National Study of Youth and Religion—the same invaluable data as its predecessor, Soul Searching: The Religious and Spiritual Lives of American Teenagers—Kenda Creasy Dean’s compelling new book, Almost Christian, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In Soul Searching, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a “Moralistic Therapeutic Deism”—a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional Christianity. But far from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain—religion, easy to use, easy to forget, offering little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God’s love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives. Persuasively and accessibly written, Almost Christian is a wake up call no one concerned about the future of Christianity in America can afford to ignore.

Seeing Through the Fog Ed Dobson 2012-10-01 An exploration of identity and faith, Seeing Through the Fog invites readers to a vibrant life, an expectant life, having gratitude for each sunrise, birthday, and moment of knowing God more. It is about holding hope when circumstances hold pain. With stories, wisdom and unique content distinct from the popular film series about Ed, Seeing Through the Fog will encourage readers in their own difficulties and give them hope for their future.

Hunga Dunga Phil Polizatto 2008-11 A “story about that brief but unforgettable time in our history when flower children were sure peace and love would guide the planet.” — Back cover

The World and the Word Eugene H. Merrill 2011 Three esteemed Old Testament professors introduce students to the first eighty percent of the Bible—freshly illuminating the text as a rich source of theology and doctrine packed with practical principles for modern times.

Sistergirl Devotions Carol M. Mackey 2010-05-01 Using Scripture, conventional wisdom and stories from the African-American community, a recognized African-American author speaks to the unique needs of African-American women who place a high value on working life. Original.

Kids’ Travel Guide to the Armor of God Group Children’s Ministry Resources 2004 The Kids’ Travel Guide series takes children from kindergarten through 5th grade on life-impacting explorations that engage them with activities, stories, prayer, and much more. Each of the seven themed Kids’ Travel Guides includes 13 imaginative, interactive Bible lessons. Lead your Sunday school or midweek program on a travel adventure packed with fun activities, creative options, and take-home pages that kids tuck into their very own travel journals. The world is a scary place, but God is greater than it all! Kids’ Travel Guide to the Armor of God is the newest edition of the Kids’ Travel Guide series taking your kids on a 13-week Scripture-based exploration of the armor of God. Lead them to have a faith so bold they’ll be able to stand firm in the midst of terrifying or unclear situations. Children will explore how to be strong in the decisions they make and in relationships with others. It’s an exciting travel experience with pit-stops on prayer, self-discovery, and spiritual commitment. Additional Features include: Tour Guide Tips: Ideas teachers can use to adapt the lesson for different ages. Items to Pack: Supplies and props for the journey. Scenic Routes: to give you more creative options for kids. Fun Facts: Jokes and interesting tidbits related to the lesson. Reproducible Handouts: Games, and journal “souvenirs”.

Post-Traumatic Church Syndrome

The Seven Rules of Wall Street: Crash-Tested Investment Strategies That Beat the Market
Sam Stovall 2009-03-08 “Sell in May, and then go away.” It’s an old saying, but this Wall Street adage is as relevant today as when it was first uttered. It worked once again during the market decline that began in 2008. In The Seven Rules of Wall Street, Sam Stovall, master investment strategist and expert on stock market history, presents seven familiar sayings that not only convey enduring truths but also serve as superb investment strategies. In this engaging guide, Stovall subjects his chosen sayings to the facts of history and to his own personal experience. When it comes to building a portfolio, for instance, should you “let your winners ride, but cut your losers short”? Absolutely. “On average,” Stovall writes, “the ‘winners’ beat the market by a near two-to-one margin. The winners also beat the losers most years: seven out of every ten years.” Other Wall Street one-liners that emerge as timeless truisms include: As goes January, so goes the year Don’t get mad—get even Don’t fight the Fed There’s always a bull market someplace To support his conclusions, Stovall complements his sharp insight with the results of detailed back-testing, as well as tables and charts drawing on decades of stock market data. A fun and lively read, The Seven Rules of Wall Street provides an abundance of wisdom in remarkably few words—proving that investing books can be as entertaining as they are educating.

The Politically Incorrect Guide to Immigration

Called
Susan Robb 2019-02-05 Throughout the Bible, God interrupts the lives of ordinary men and women, calling and empowering them to lives of service they never could have imagined on their own! Discover how to hear and respond to the unique call God is placing on your life through the stories of ordinary people found in the Bible. Called will examine the lives of the Abraham, Samuel, Esther and Mary Magdalene, Jonah, and the beloved disciple. The same God that called these unlikely characters calls you, too, to bring hope and transformation to the world. Additional components are available for purchase separately to create a six-week group study include a DVD featuring Susan Robb and a comprehensive Leader Guide.

God Built
Steve Farrar 2010-01-01 Our world is in desperate need of bold, passionate men of integrity. Yet such men aren’t born; they’re built, shaped, and formed by God. Best-selling author Steve Farrar will guide you through the story of Joseph, a humble shepherd who overcame tremendous odds to become an influential leader. It’s here you will discover the process that creates true men of God, where He works providentially, strangely, and slowly. Uncover the biblical pattern for growth, gain insights into common frustrations and difficulties, and become equipped for the journey ahead.

A River Could Be a Tree
Angela Himsel 2018-11-13 How does a woman who grew up in rural Indiana as a fundamentalist Christian end up a practicing Jew in New York? Angela Himsel was raised in a German-American family, one of eleven children who shared a single bathroom in their rented ramshackle farmhouse in Indiana. The Himsels followed an evangelical branch of Christianity—the Worldwide Church of God—which espoused a doomsday philosophy. Only faith in Jesus, the Bible, significant tithing, and the church’s leader could save them from the evils of American culture—divorce, television, makeup, and even medicine. From the time she was a young girl, Himsel believed that the Bible was the guidebook to being saved, and only strict adherence to the church’s tenets could allow her to escape a certain, gruesome death, receive the Holy Spirit, and live forever in the Kingdom of God. With self-preservation in mind, she decided, at nineteen, to study at The Hebrew University in Jerusalem. But instead of strengthening her faith, Himsel was introduced to a whole new world—one with different people and perspectives. Her eyes were slowly opened to the church’s shortcomings, even dangers, and fueled her natural tendency to question everything she had been taught, including the guiding principles of the church and the words of the Bible itself. Ultimately, the connection to God she so relentlessly pursued was found in the most unexpected place: a mikvah on Manhattan’s Upper West Side. This devout Christian Midwesterner found her own form of salvation—as a practicing Jewish woman. Himsel’s seemingly impossible road from childhood cult to a committed Jewish life is traced in and around the major events of the 1970s and 80s with warmth, humor, and a multitude of religious and philosophical insights. A River Could Be a Tree: A Memoir is a fascinating story of struggle, doubt, and finally, personal fulfillment.

Following (Pastoring for Life: Theological Wisdom for Ministering Well)
Jason Byassee 2021-08-10 “[An] insightful exploration of Christian discipleship in the digital age.”—Publishers Weekly This book offers theological perspectives on the challenges of discipleship in a digital age, showing how new technologies and the rise of social media affect the way we interact with each other, ourselves, and the world. Written by a Gen X digital immigrant and a Millennial digital native, the book explores a faithful response to today’s technology as we celebrate our embodied roles as followers of Christ in a disembodied time.
Loving God When You Don’t Love the Church

Chris Jackson 2007-09-01

Many Christians who experience hurt in the church don’t just leave their own churches; they leave the church altogether. Whether they have been wounded by pastors or people in the pews, these believers have had enough and are jumping ship in massive numbers. Pastor and churchgoer Chris Jackson is honest about his own failings as well as those of the church at large. He identifies with many of the hurts churchgoing Christians have experienced. In Loving God When You Don’t Love the Church, he hopes to provide healing to wounded and disillusioned believers and restore the wonder of a genuine relationship with Jesus and his bride, the church. Jackson’s humility, compassion, and practical advice for healing and restoration will touch those who have left the church and those who love them.

The Most Important Thing Happening

Mark Steele 2013-01-10

Fantastical Stories of Timeless Truths

A boardwalk peddler selling one ounce of God. A gentle mute who unwittingly triggers a tragic chain of events. Two businessmen declaring war over the Very Last Sandwich in the Entire World. The characters in the eleven short stories of The Most Important Thing Happening move through the whimsical, the mysterious, and the introspective toward the hope you or I long for. So allow these stories to unfold before you one at a time. Chew on them. Let them haunt you. Go ahead and make a few fictional friends. Take a look at the world in a new way. You may come out the other side transformed.

The Last Arrow

Erwin Raphael McManus 2017-09-05

Before You Die, Live the Life You Were Born To Live. When you come to the end of your days, you will not measure your life based on success and failures. All of those will eventually blur together into a single memory called “life.” What will give you solace is a life with nothing left undone. One that’s been lived with relentless ambition, a heart on fire, and with no regrets. On the other hand, what will haunt you until your final breath is who you could have been but never became and what you could have done but never did. The Last Arrow is your roadmap to a life that defies odds and alters destinies. Discover the attributes of those who break the gravitational pull of mediocrity as cultural pioneer and thought leader Erwin McManus examines the characteristics of individuals who risked everything for a life they could only imagine. Imagine living the life you were convinced was only a dream. We all begin this life with a quiver full of arrows. Now the choice is yours. Will you cling to your arrows or risk them all, opting to live until you have nothing left to give? Time is short. Pick up The Last Arrow and begin the greatest quest of your life.

Holy Disunity

Layton E. Williams 2019-10-08

These days, there’s no dirtier word than “divisive,” especially in religious and political circles. Claiming a controversial opinion, talking about our differences, even sharing our doubts can be seen as threatening to the goal of unity. But what if unity shouldn’t be our goal? In Holy Disunity: How What Separates Us Can Save Us, Layton E. Williams proposes that our primary calling as humans is not to create unity but rather to seek authentic relationship with God, ourselves, one another, and the world around us. And that means actively engaging those with whom we disagree. Our religious, political, social, and cultural differences can create doubt and tension, but disunity also provides surprising gifts of perspective and grace. By analyzing conflict and rifts in both modern culture and Scripture, Williams explores how our disagreements and differences—our disunity—can ultimately redeem us.

Christianish

Mark Steele 2013-02-15

It may feel like authentic faith. It may even look like the real deal. Yet it’s often easy to settle for the souvenir t-shirt—the appearance of a transformed heart—instead of taking the actual trip through true life-change. We find ourselves settling for a personal faith that’s been polluted by culture, and diluted by other people’s take on spirituality. Christianish tells the story of one man’s journey to move from the in-between to a life that’s centered on Christ. To move forward, author Mark Steele goes back to the beginning, to examine Christ’s life and words. Through stories and insights that are sometimes profound, often hilarious, and always honest, Mark delivers a compelling look at what our faith is all about.

A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church:

Philip Schaff 1996

Half-Life/ Die Already

Mark Steele 2008-08-01

With nonstop humor and out-there insights, Steele suggests the route to real living is dying to self. He chronicles his journey-in-progress with often hilarious results. (Christian)

Kushiel’s Dart

Jacqueline Carey 2002-03-15

A nation born of angels, vast and intricate and surrounded by danger… a woman born to servitude, unknowingly...
given access to the secrets of the realm... Born with a scarlet mote in her left eye, Phèdre Delaunay is sold into indentured servitude as a child. When her bond is purchased by an enigmatic nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. Exquisite converses, talented spy... and unlikely heroine. But when Phèdre Delaunay upon a plot that threatens her homeland, Terre d’Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phèdre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair and beyond. Phèdre Delaunay is the woman who holds the keys to her realm’s deadly secrets, and whose courage will decide the very future of her world. Not since Dune has there been an epic on the scale of KUSHIEL’S DART—a massive tale about the violent death of an old age and the birth of a new. It is a novel of grandeur, luxuriance, sacrifice, betrayal, and deeply laid conspiracies. A world of cunning poets, deadly courtiers, deposed rulers and a besieged Queen, a warrior-priest, the Prince of Travelers, barbarian warlords, heroic traitors, and a truly Machiavellian villainess... all seen through the unflinching eyes of an unforgettable heroine. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

On Guard by William Lane Craig 2010-03-01 Renowned scholar William Lane Craig offers a readable, rich training manual for defending the Christian faith. This concise guide is filled with illustrations, sidebars, and memorizable steps to help Christians stand their ground and defend their faith with reason and precision. In his engaging style, Dr. Craig offers four arguments for God’s existence, defends the historicity of Jesus’ personal claims and resurrection, addresses the problem of suffering, and shows why religious relativism doesn’t work. Along the way, he shares his story of following God’s call in his own life. This one-stop, how-to-defend-your-faith manual will equip Christians to advance faith conversations deliberately, applying straightforward, cool-headed arguments. They will discover not just what they believe, but why they believe—and how being on guard with the truth has the power to change lives forever.

21 Seconds to Change Your World by Dr. Mark Rutland 2015-12-29 A Powerful Call to Restore Your Soul Through Prayer When an excruciating bout of depression led Dr. Mark Rutland to more deeply explore prayer, he came to understand its miraculous power for soul restoration. Prayer is a declaration of our Father’s compassion toward us, a confession of our own inadequacy, and a reminder that he meets our daily needs. As it turns out, these are the elements of prayer Jesus taught his disciples. Praying and meditating on the Lord’s Prayer changed Dr. Rutland’s life, and since then he has used it to restore others’ souls as well. Filled with moving stories and powerful insights, this book will help you discover the truth about God’s love and power, and this truth will bless and heal you. In the end, it’s not just about saying the Lord’s Prayer—it’s about getting to know the Lord of the prayer.

Secondhand Jesus by Glenn Packiam 2009 Poses an argument that today’s Christians inappropriately count on religious experts to define or set the standards for living one’s faith, arguing that settling for another’s description renders one vulnerable to doubts in the face of difficult challenges, in a guide that offers counsel on how to get to know God for oneself. Original. 10,000 first printing.

Know What You’re FOR by Jeff Henderson 2019-10-01 Your organization — business, church, or nonprofit — will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In Know What You’re FOR, entrepreneur and thought leader Jeff Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would be if it were. Whether you’re a business leader, a change advocate, or a movement maker, Know What You’re FOR will help you — and your organization — thrive. It’s what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn’t theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country’s largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff’s remarkable career, Know What You’re FOR equips you with a simple strategy and the tools for extraordinary growth. You’ll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it’s against, let’s be a group of people known for who and what we’re FOR. It’s a powerful strategy for business. But more importantly, it is a revolutionary way to live.
