Glencoe Accounting, First Year Course, Student Edition McGraw-Hill Education 2016-01-01 Glencoe is the only publisher to use real-world accounting software and case studies to teach accounting!

Fundamentals of Financial Accounting with Annual Report + Connect Plus Fred Phillips 2010-01-08 Glencoe, Auditing & Assurance Services Timothy Louwers 2014-10-16 Auditors are trained to investigate beyond appearances to determine the underlying facts—in other words, to look beneath the surface. The recent financial crisis has made this skill even more crucial to the business community. As a result of this recent crisis and of the financial statement accounting scandals that occurred at the turn of the century, understanding the auditor’s responsibility related to fraud, maintaining a clear perspective, probing for details, and understanding the big picture are indispensable to effective auditing. The author team of Louwers, Ramsey, Simon, Stronser, and Tihalko has dedicated years of experience in the auditing field to this new edition of Auditing & Assurance Services, supplying the necessary investigative tools for future auditors.

College Accounting (Chapters 1-24) W. David Haddock 2011-02-28 Overview: Price/Haddock/Farina has been a long-time market leader because of its readability and relevance. The book includes many real-world examples, with external problems and projects, to help students practice and understand key concepts. This edition has been extensively revised and updated, retaining the best aspects of the previous editions. The authors have kept the text concise by focusing on the key concepts in the business world, making it perfect for a one-semester course.
