be a rich and rewarding experience that will require you to make many critical decisions throughout your career. You also just have to be in the right place at the right time. Lots of reasons! You might find out you don't suit a job, you might want to earn more money, you might be offered the chance to do something more challenging, or your passion is something else. That's when you need to work hard to prepare yourself for the change. And, if you think you the best for you, The Right Hand to Eat helps you choose your career—it doesn’t choose you.

Petroleum Engineering Certification and PE License Examination Reference Guide Alan Chaloner 2020
