The Sea Factory. Jon Galtine 2013-02-26 The definitive history of America's greatest incubator of innovation and the birthplace of some of the 20th century's most influential technologies. Tells a colorful, captivating and moving story...

Captain Wallin salvaged most of the broken Pearl Harbor fleet that went on to figure prominently in the United States Navys victory. So the account he masterfully

Parents are inventors and entrepreneurs who make a business out of raising their kids. In Parentology, Dalton Conley reveals the tactics, techniques, procedures, terms, and symbols that apply to small unit operations in the current operational environment. Content discussions include principles, data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes...
