Hinkle Fieldhouse Eric Angevine 2015-03-02 Walk into Hinkle Fieldhouse, and you feel it--that palpable sense of history known as the Hinkle mystique. Indiana's basketball cathedral has stood in all its glory at Butler University since 1928. John Wooden, Oscar Robertson and Larry Bird played on its floor. Jesse Owens sprinted to a record at Hinkle, and athletes from around the globe have brought Olympic-level competition to crowds gathered under its steel arches. It was the setting for the climactic scene in Hoosiers, arguably the greatest sports movie ever made. It has hosted evangelists, ice shows, tennis matches, bike races and even roller derbies. Author Eric Angevine gets inside the paint in this complete Hinkle history, featuring archival photographs of the iconic structure and words from those who know it best.

Car Stereo Cookbook Mark Rumreich 2005-05-21 The first edition of this book was written six years ago. Since then, there have been some significant developments in the area of car audio (and video). In addition, many of the products featured in the first edition are now obsolete. While the first edition of the book continues to sell, we have seen a bit of a slow-down at major accounts. This edition promises to be even more successful than the last. Car Stereo Cookbook, 2e is a completely revamped edition of a hugely successful title that continues to sell. This revised book will include new information on mobile video, satellite radio, mp3, wma, digital broadcast radio, and will eliminate the out-of-date products that are no longer pertinent.
