Holding Back The Tears Annie Mitchell 2013-09-16 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Cat Sitter Among the Pigeons Blaize Clement 2011-01-04 Author Blaize Clement has earned herself a legion of fans with the first five books in her pet-sitting mystery series. Now Blaize's beloved heroine, Dixie Hemingway, is back, and when Dixie's latest assignment turns dangerous, it's up to her to save the day. Dixie, no relation to you-know-who, is helping an injured and cantankerous man take care of Cheddar, his orange shorthair cat. Soon Dixie finds herself totally smitten with the man's adorable infant great-granddaughter. But the baby's naive young mother has enough knowledge about certain powerful local big-mney honchos to send them to prison for life, and they are willing to do anything, even kill her baby, to shut her up. Caught in the turmoil caused by the grandfather's prickly pride, the granddaughter's misguided plans to regain her young husband's respect by telling the truth in court, and the ruthless determination of wealthy villains to preserve their ill-gotten millions, Dixie is the only person who can rescue the baby. And she has to do it without letting law-enforcement people know -- not even Lieutenant Guidry, with whom she has a new romantic relationship. Does Dixie have her claws sunk too deep to make it out of this one? Find out in book six of Blaize Clement's splendid series.

The Cat Sitter and the Canary John Clement 2016-12-20 "This time out, Dixie's got a furry partner-in-crime, an irascible Lhasa Apso named Charlie. They've just arrived at the home of one of Dixie's regular clients to check in on Franklin, a mackerel tabby with avocado-green eyes and a luxuriant coat the color of dried beach grass. Despite a couple of bumps in the road (Franklin seems to be hiding in one of his favorite cubby holes, and Charlie scratches up the parlor door trying to get to the other side), everything else is perfectly normal. That is, until the next day, when Dixie discovers a dead body on the other side of that parlor door, along with a note that seems to suggest she had something to do with it. Soon, there's another victim, and then another note, and Dixie quickly finds herself caught in a maze of mystery and danger, where all the clues have her name written all over them, and where she must find the murderer. . . before he finds her"--

Across Patagonia Lady Florence Dixie 1880

To Kill a Mockingbird Harper Lee 2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Even Cat Sitters Get the Blues Blaize Clement 2010-04-01 Dixie Hemingway has a knack for being in the wrong place at the wrong time. The day she happens upon the dead body outside a fancy mansion is no different. She's had her fill of homicide investigations, so she leaves the gate-keeper's corpse to be found by somebody else. Unfortunately, that somebody else sees Dixie leaving the scene of the crime, and the fatal bullet might have even come from her own gun! To make matters worse, the owner of the mansion is Dixie's new client—a scientist who is either a genius, insane, or both—whose pet iguana is under her charge. All that, plus a feisty calico kitten that needs some TLC, means that time is running out for Dixie to catnip this case in the bud... and collar the killer.

Curiosity Killed the Cat Sitter Blaize Clement 2007-01-02 While going to the home of a vacationing client in Sarasota, Florida, professional pet-sitter Dixie Hemingway, a former sheriff's deputy, stumbles upon a traumatized cat and the corpse of a mysterious intruder, sending Dixie on a search for her missing client—and a killer. A first novel. Reprint.

Meet Isabel Puddles M. Byrne 2020 "To the tourists and summer residents, Kentwater County is a picturesque community of small-town charm, fruitful farmland, and gorgeous freshwater beaches. To middle-aged widow Isabel Puddles, it's where she enjoys breakfast every morning at a local café with her childhood best friend and spends her evenings cozying up with a good book and her devoted Jack Terrier, Jackpot. In between, Isabel makes ends meet through a variety of trades - preserving pickles, baking pies, working the counter at her cousin's hardware shop, and occasionally helping "fix-up" the hair of corpses at the local funeral parlor. When Isabel discovers a two-inch nail embedded in the skull of Earl Jonasson, it seems the octogenarian may not have died of a stroke. His son is quickly arrested when his alibi doesn't check out. But Isabel has known Earl Jr. since they were kids and can't believe he'd murder his own father, regardless of his financial difficulties. As gossip about Earl Sr.'s land and insurance policy money starts to spread around the county, Isabel finds herself conducting her own investigation to clear her friend's name. "--Publisher.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Kincaid's Battery George W. Cable 2018-09-20 Reproduction of the original: Kincaid’s Battery by George W. Cable

Skellig David Almond 2013-11-14 The beautiful and haunting novel that launched David Almond as one of the best children’s writers of today When a move to a new house coincides with his baby sister’s illness, Michael’s world seems suddenly lonely and uncertain. Then, one Sunday afternoon, he stumbles into the old, ramshackle garage of his new home, and finds something magical. A strange creature - part owl, part angel, a being who needs Michael’s help if he is to survive. With his new friend Mina, Michael nourishes Skellig back to health, while his baby sister languishes in the hospital. But Skellig is far more than he at first appears, and as he helps Michael breathe life into his tiny sister, Michael’s world changes for ever. . . . Skellig won the Carnegie Medal and the Whitbread Children’s Book Award and is now a major Sky1 feature film, starring Tim Roth and John Simm. David Almond is also winner of the 2010 Hans Christian Andersen award. Powerful and moving - The Guardian This newly jacketed edition celebrates 15 years of this multi-award-winning novel.

The Cat Sitter's Cradle John Clement 2013-07-09 Blaize Clement won fans all over the world with the charm and wit of her pet-sitting mysteries. Now, with the help of her son, author John Clement, Blaize's beloved heroine Dixie Hemingway is back for yet another thrilling adventure in this critically-acclaimed series. Dixie has built a nice, quiet life for herself in the sleepy town of Siesta Key, a sandy resort island off the coast of Florida. In fact, her pet-sitting business is going so well she's even taken on part-time help: Kenny, a handsome young surfer who lives alone in a rickety old houseboat. But things get a little messy when, on an early morning walk in the park with a client's schnauzer, Dixie makes a shocking discovery. Hidden among the leafy brambles is a homeless girl, alone and afraid, cradling a newborn baby in her arms. Dixie takes the young girl under her wing, even though she's just been hired by Roy Harwick, the snarky executive of a multi-national oil company, to care for his equally snarky Siamese cat, Charlotte, along with his wife's priceless collection of rare, tropical fish. It's not long before Dixie stumbles upon a dead body in the unlikeliest of places, and soon she's set adrift in a murky and dangerous world in which no one is who they appear to be. Smart, fast-paced and entertaining, *The Cat Sitter's Cradle* is a perfect illustration of why Dixie's loyal fans have come to know and love her and eagerly await the next installment of her adventures.

Raining Cat Sitters and Dogs Blaize Clement 2010-12-28 Despite the efforts of Dixie Hemingway's on-again, off-again boyfriend to find a missing girl who may be a witness to a murder, Dixie finds that she must work alone to confront criminals who will stop at nothing.

The Language Instinct Steven Pinker 2010-12-14 The classic book on the development of human language by the world’s leading expert on language and the mind. In this classic, the world’s expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. The Language Instinct received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since *The Language Instinct* was first published.

Duplicity Dogged the Dachshund Blaize Clement 2007-10-30 Waving to the driver of a car that speeds by during her morning run with her dachshund Mame, Dixie Hemingway suddenly realizes that she accidentally waved to a killer when she and Mame stumble upon a corpse and that the killer may believe that she can identify him or her. By the author of Curiosity Killed the Cat Sitter. Reprint.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

Vilonia Beebe Takes Charge Kristin L. Gray 2017-03-07 "Vilonia must prove she is responsible enough to get a dog in order to help her mom get over her grief"--

A Diary from Dixie Mary Boykin Miller Chesnut 1905 This book is the author's Civil War diary from February 18, 1861, to June 26, 1865. She was an eyewitness to many historic events as she accompanied her husband to significant sites of the Civil War.

Dixie Be Damned Neal Shirley 2015-05-11 In 1891, when coal companies in eastern Tennessee brought in cheap convict labor to take over their jobs, workers responded by storming the stockades, freeing the prisoners, and loading them onto freight trains. Over the next year, tactics escalated to include burning company property and looting company stores. This was one of the largest insurrections in US working-class history. It happened at the same time as the widely publicized northern labor war in Homestead, Pennsylvania. And it was largely ignored, then and now. Dixie Be Damned engages seven similarly "hidden" insurrectionary episodes in Southern history to demonstrate the region's long arc of revolt. Countering images of the South as pacified and conservative, this adventurous retelling presents history in the rough. Not the image of the South many expect, this is the South of maroon rebellion, wildcat strikes, and Robert F. Williams's book *Negroes with Guns*, a South where the dispossessed refuse to quietly suffer their fate. This is people's history at its best: slave revolts, multiracial banditry, labor battles, prison uprisings, urban riots, and more. Neal Shirley grew up in Winston-Salem, North Carolina, and now lives in Durham, NC, where he is involved in several anti-prison initiatives and runs a small publishing project called the North Carolina Piece Corps. Saralee Stafford was born in the Piedmont of North Carolina. Her recent political work has focused on connecting the struggles of street organizations with those of anarchists in the area. She teaches gender-related health in Durham, North Carolina.

State of the Onion Julie Hyzy 2008-01-02 Introducing White House Assistant Chef Olivia Paras, who is rising-and sleuthing-to the top. Includes recipes for a complete presidential menu! Never let them see you sweat-that's White House Assistant Chef Olivia Paras's motto, which is pretty hard to honor in the most important kitchen in the world. She's hell-bent on earning her dream job, Executive Chef. There's just one thing: her nemesis is vying for it, too. Well, that and the fact that an elusive assassin wants to see her fry.

Psychic Intuition Nancy du Tertre 2012-08-22 Author Nancy du Tertre, "the Skeptical Psychic™," takes you on a journey to find the answer to these questions and more in *Psychic Intuition*. She became psychic in mid-life after years of intensive study and training, and is now a believer that everyone has the potential to tap into their intuition and understand the world at a deeper level. *Psychic Intuition* bridges the gap between skeptics who can analyze but don't experience psychic phenomena, and believers who have the experiences but lack the ability to analyze. This book explains, for the first time, how psychic ability works in the brain.

The Texture of Memory James Edward Young 1994-01-01 Dotyczy m. in. Polski.

Sarah Robert Gottlieb 2010-09-21 Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

The Cat Sitter's Whiskers Blaize Clement 2015-03-31 Pet sitter Dixie Hemingway is on the prowl again in the newest installment of Blaize Clement's classic and beloved series of cozy mysteries, now written by her son, John Clement, using Blaize's notes and ideas for future adventures. Set in the sleepy beach-side town of Siesta Key, Florida, THE CAT SITTER'S WHISKERS catches up with Dixie as she heads off for work one morning in the dimly lit hours before sunrise. Her very first client of the morning is Barney Feldman, a Maine coon cat with a reputation for mischief who's guarding his vacationing owner's valuable collection of decidedly creepy antique masks. But someone's hiding in the house when she arrives, and they sneak up and knock her out cold. When the cops arrive at the house, there's just one problem: no one has broken in and nothing is missing. Searching for answers, Dixie soon finds herself hopelessly trapped in a murky world of black market antiques, dark-hearted secrets, and murderous revenge... a mystery only she can solve.

Curiosity Killed the Cat Sitter Blaize Clement 2007-01-02 Until three years ago, Dixie Hemingway was a deputy with the Sarasota County Sherriff's Department in southwest Florida. Then came a tragic accident. Now Dixie's a pet-sitter on Siesta Key, a lush, exotic barrier island where the people tend to be rich, suntanned, and tolerant of one another's quirks. As Dixie tried to get her life back in order, pet-sitting is the perfect job. She goes into people's homes while they're gone and takes care of their pets; she likes the animals, they like her, and she doesn't have to deal with people very much. She especially does not have to be afraid that she'll run into a situation that will cause her to lose her hard-won composure. But when Dixie finds a man bizarrely drowned in a cat's water bowl, she is drawn into a tangled web of danger and secrets. Unbeknownst to Lieutenant Guidry, the homicide detective handling the murder, Dixie begins her own investigation into the whereabouts of the cat's owner, who has now vanished. Fans of *The Cat Who...* book series by Lilian Jackson Braun will adore this riveting new pet-oriented sleuth and will eagerly await Dixie's next case: Will duplicity dog the dachshund?

An Orange for Frankie Patricia Polacco 2004 The day before Christmas Eve Frankie Stowell waits expectantly for his father to return with oranges for the holiday, but heavy snow might prevent Frankie's father from getting through.

Literally Dead Eryn Scott 2017-10-12 To solve or not to solve?When a visiting professor is found dead, English major Pepper Brooks is caught in the middle of the investigation. Literally. While the detectives focus on crime scene forensics, Pepper can't ignore the Shakespearian clues left by the killer.With the help of a handsome library clerk, a dog named Hamburger, and The Bard himself, this unlikely sleuth might just close the book on this case. Readers, this is the first in a literary-themed cozy series. If you love classic literature, feel like there's nothing better than the smell of books, see a library as a place of solace, and don't mind an adorable puppy named Hammy hanging around, you're going to love these books. And if Shakespeare's not your jam, no worries, each book will feature a different classic author. :) Happy reading!**Cold Snap** Codi Schneider 2021-09-12 Tucked in the cold Colorado mountains lies the remote village of Gray Birch, a place where outsiders are frowned upon. In this village lives a cat named Bijou. But she’s no ordinary house cat; her ancestors were mousers on Viking longships, and their blood runs through her veins. Since her battle skills are hardly needed in this modern age, however, she spends her energies running the Fox Burrow Pet Inn with her human, Spencer, and her assistant, Skunk, a mentally negligible Pomeranian. Together, the happy trio has created a safe haven for their four-legged guests. But when Eddy Line, a handsome baker from California, comes to the inn—along with his piglet and pit bull puppy—everything changes. Spencer falls for Eddy, Bijou is unhappy with the sudden changes to her clan, and the townspeople are anything but welcoming; in fact, threats are made against Eddy when he buys the town’s historic firehouse in order to open a bakery. Then a shocking murder/dognapping occurs on the night of the bakery’s grand opening, and Bijou finds herself thrust into a tangled mystery. To solve it, she will have to summon her inner Viking—and fight tooth and claw for her new clan.

The Cat Sitter's Cradle John Clement 2014-06-03 Spotting an exotic bird far from its indigenous habitat, pet sitter Dixie Hemingway uncovers sinister forces behind the bird's displacement before a client is murdered and a new friend goes missing with her baby.

Reason, Faith, and Revolution Terry Eagleton 2009-04-21 On the one hand, Eagleton demolishes what he calls the "superstitious" view of God held by most atheists and agnostics and offers in its place a revolutionary account of the Christian Gospel. On the other hand, he launches a stinging assault on the betrayal of this revolution by institutional Christianity. There is little joy here, then, either for the anti-God brigade -- Richard Dawkins and Christopher Hitchens in particular -- nor for many conventional believers. --Résumé de l'éditeur.

The Cat Sitter's Pajamas Blaize Clement 2012-01-03 Hired by a famous football player to pet-sit his cats, Dixie meets a celebrity fashion model who claims to be the athlete's wife, a situation that culminates in Dixie's discovery of a ring of high-fashion counterfeiters. By the author of *Raining Cat Sitters* and *Dogs*.

Alone In Vietnam

Midnight in the Garden of Good and Evil John Berendt 2010-05-12 NATIONAL BESTSELLER • “Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” —The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt’s sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

Curiosity Thrilled the Cat Sofie Kelly 2011 In this first installment in a brand-new series, small-town librarian Kathleen Paulson discovers that the two strays she has taken in--Owen and Hercules--are truly special when she, the prime suspect in a murder, gets some unexpected feline help in solving the crime and clearing her name. Original.

A Longer Fall Charlaiane Harris 2020-11-10 #1 New York Times bestselling author Charlaiane Harris returns with “a gripping, twisty-turny, thrill ride of a read (Karin Slaughter) in which Lizbeth is hired onto a new crew, transporting a crate into Dixie, the self-exiled southeast territory of the former United States. What the crate contains is something so powerful, that forces from across three territories want to possess it. In this second thrilling installment of the Gunnie Rose series, Lizbeth Rose is hired onto a new crew for a seemingly easy protection job. She is tasked with transporting a crate into Dixie, just about the last part of the former United States of America she wants to visit. But what seemed like a straightforward job turns into a massacre as the crate is stolen. Up against a wall in Dixie, where social norms have stepped back into the last century, Lizbeth has to go undercover with an old friend to retrieve the crate as what’s inside can spark a rebellion, if she can get it back in time. “Another winning series from a sure-bet author” (Booklist) Charlaiane Harris (Sookie Stackhouse mysteries and Midnight, Texas trilogy) is at her best here, building the world of this alternate history of the United States, where magic is an acknowledged but despised power.

The Cat Sitter's Nine Lives Blaize Clement 2014-07-08 Plucky heroine Dixie Hemingway is back in this ninth installment of Blaize Clement's beloved cozy mystery series. While driving along the beachside road that runs through the center of her hometown Dixie witnesses a terrible head-on collision. Ever the hero, she springs into action and pulls one of the drivers from his car just before it explodes in flames. A little shaken but none the worse for wear, Dixie proceeds to her local bookstore where she meets Cosmo, a fluffy, orange tomcat, and Mr. Hoskins, the store's kind but strangely befuddled owner. The next day the driver whose life she saved claims that he is Dixie's husband. Meanwhile, both Cosmo and Mr. Hoskins have disappeared without a trace, and a mysterious phone call from a new client lures her to a crumbling, abandoned mansion on the outskirts of town. Soon Dixie finds herself locked in a riddle of deception, revenge, murder, and mystery. *The Cat Sitter's Nine Lives* features a compelling main character and a riveting plot that is bound to satisfy the appetites of Dixie Hemingway fans and newcomers to the series.

Cat Striking Back Shirley Rousseau Murphy 2009-10-27 Joe Grey is carrying a gift of mice to a litter of local kittens when he stumbles upon a murder scene that lacks its most vital ingredient—a victim. As feline detectives Joe, Dulcie, and Kit search for clues, they find that more than murder is afoot int

Cat Sitter on a Hot Tin Roof Blaize Clement 2009-01-06 Curiosity Killed the Cat Sitter introduced a winning sleuth in Florida pet sitter Dixie Hemingway, and the next books in the series, *Duplicity Dogged the Dachshund* and *Even Cat Sitters Get the Blues*, firmly established author Blaize Clement as a new star amongst mystery fans. Now Dixie Hemingway, no relation to you-know-who, is back in this fourth riveting installment. When Dixie meets Laura Halston, a newcomer to Siesta Key, she recognizes a kindred spirit and believes she's found a new friend. Disarmingly beautiful, Laura confesses that she's in hiding from an abusive husband. Later, when Laura receives threatening phone calls, Dixie is certain the husband is the culprit. But the more Dixie learns about Laura, the less certain she is about anything...and then matters turn deadly. As she tries to understand Laura's past, Dixie is forced to acknowledge things about herself that she has never faced before. Fast-paced and gripping, *Cat Sitter on a Hot Tin Roof* is everything Blaize Clement's many fans have come to expect.

Cosmos, Chaos, and the World to Come Norman Cohn 2001-01-01 All over the world people look forward to a perfect future, when the forces of good will be finally victorious over the forces of evil. Once this was a radically new way of imagining the destiny of the world and of mankind. How did it originate, and what kind of world-view preceded it? In this engrossing book, the author of the classic work *The Pursuit of the Millennium* takes us on a journey of exploration, through the world-views of ancient Egypt, Mesopotamia, and India, through the innovations of Iranian and Jewish prophets and sages, to the earliest Christian imaginings of heaven on earth. Until around 1500 B.C., it was generally believed that once the world had been set in order by the gods, it was in essence immutable. However, it was always a troubled world. By means of flood and drought, famine and plague, defeat in war, and death itself, demonic forces threatened and impaired it. Various combat myths told how a divine warrior kept the forces of chaos at bay and enabled the world to survive. Sometime between 1500 and 1200 B.C., the Iranian prophet Zoroaster broke from that static yet anxious world-view, reinterpreting the Iranian version of the combat myth. For Zoroaster, the world was moving, through incessant conflict, toward a conflictless state--"cosmos without chaos." The time would come when, in a prodigious battle, the supreme god would utterly defeat the forces of chaos and their human allies and eliminate them forever, and so bring an absolutely good world into being. Cohn reveals how this vision of the future was taken over by certain Jewish groups, notably the Jesus sect, with incalculable consequences. Deeply informed yet highly readable, this magisterial book illumines a major turning-point in the history of human consciousness. It will be mandatory reading for all who appreciated *The Pursuit of the Millennium*.

Guns Rachel Ellenberg Schulson 1997 Describes different kinds of guns, explains how they are used, warns of possible dangers they present, and spells out simple rules to ensure gun safety.
