Plunkett's Health Care Industry Almanac Jack W. Plunkett 2008-10-01 Plunkett's Health Care Industry
Almanac is the only complete reference to the American Health Care Industry and its leading corporations. Whatever your purpose for researching the health care field, you'll find this award-winning reference book to be a valuable guide. No other source provides this massive book's easy-to-understand comparisons of national health expenditures, emerging technologies, patient populations, hospitals, clinics, corporations, research, Medicare, Medicaid, managed care, and many other areas of vital importance. Included in the market research sections are dozens of statistical tables covering every aspect of the industry, from Medicare expenditures to hospital utilization, from insured and uninsured populations to revenues to health care expenditures as a percent of GDP. A special area covers vital statistics and health status of the U.S. population. The corporate analysis section features in-depth profiles of the "Health Care 500": the 500 largest and most successful for-profit firms within the health care system, from the leading companies in pharmaceuticals to the major managed care companies. Details for each corporation include growth plans, divisions, subsidiaries, brand names, competitive advantage and financial results--as well as executives by title and valuable contact information such as phone, fax, website and address. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Florida JobBank, 1998 Bob Adams Publishers 1997-11 An annually updated guide to employment opportunities in the state of Florida, including details about 5,500 companies, and contact information.
